Tour Notes

 **Activity Level:** Light activity including short distances to walk and some steps to/from your theatre seats. Transportation is provided to both theatres, but there is a short uphill walk to the outdoor amphitheatre where *The Sound of Music* is performed. If you are not able to participate in Activity Level 1, Wells Gray Tours recommends that you bring a companion to assist you. The tour director and driver have many responsibilities, so please do not expect them, or your fellow travellers, to provide ongoing assistance.

Early booking is essential: Some people are inclined to book late when a tour is only three days long. However, due to extremely high demand, Leavenworth Summer Theatre maintains policies that are much stricter than most theatres. We must commit to seats and pay for them on May 1, and cancellations are not refunded. If the tour is not sold out by then, we will reduce the number of seats in our reservation and it probably will not be possible to get those seats back for people who book late.

Theatre Bavarian Style

Leavenworth celebrates the summer of 2016 with its 22nd season of theatre, anchored by its signature production, **The Sound of Music**. Experience the magic of theatre under the stars as you watch the show outdoors at the Ski Hill. The sun falls behind the ridge, the moon rises over the valley, and Maria descends the hillside — literally — singing the title song. Enjoy your favourite songs from this popular musical — *My Favorite Things*, *Edelweiss*, *Climb Ev'ry Mountain*, and *Do-Re-Mi*. A Bavarian Village classic!

Singin' in the Rain is the other featured production which takes place at the Hatchery Park Stage. Embark with us on a dance-filled journey to the golden age of the cinema. Set in the 1920s, this musical has all the charm, romance, comedy, and glamour that Hollywood has to offer, and showers you with soaring dance numbers and a glorious score including *Singin' in the Rain*, *Temptation*, and *Good Mornin'*. It is all topped off with the famous rain scene. The film was released in 1952, but the stage musical was not performed until 1983 when it ran for over two years in London, followed by one year on Broadway.

Enjoy wonderful professional theatre in a lovely mountain setting with some of the best natural surroundings and unique shops in Washington State.
