Discover Atlantic Canada

2017 will be the 40th year that Wells Gray has offered Maritimes tours! No other company in British Columbia has organized this tour for so many years or knows Atlantic Canada better than we do. All our hotels, attractions and restaurants are chosen carefully to ensure you have a memorable experience. Very few competing tour itineraries include Newfoundland and our 2017 tour stays 10 nights there. We strongly believe you should see this scenic province while you are touring eastern Canada. It has been a highlight of our Atlantic Canada tours since 1990. Most hotel stays are for two or three nights, so you do not have to put up with the inconvenience of repacking your suitcase every morning. A Wells Gray Maritimes tour is noted for its leisurely itinerary, many included meals and attractions, and superb hotels in great locations. To reduce driving time, we fly from Victoria to Halifax and return from St. John's, NL.

Tour Notes

- This tour covers most of the island of Newfoundland, but not Labrador. A tour that combines the Trans-Labrador Highway and western Newfoundland is offered in 2017, departing August 11 for 16 days.
- Current air taxes, fuel surcharges and security fees are included in the tour fare, but these are subject to change until air ticketing is completed one month prior to departure. The airline baggage fee of \$25 plus tax per suitcase in each direction is included in the tour fare.
- You are welcome to make your own flight arrangements to Halifax and home from St. John's, and your tour fare will be reduced by \$850 plus GST per person.

Activity Level: Moderate activity including walking up to 1 km over uneven surfaces, steps, beaches, and some trails. You can decline to go on the Glace Bay underground mine tour. You will miss some attractions if you are unable to do this amount of activity. A few hotels do not have elevators. There can be long walks in the airports; request a wheelchair in advance if this could be an issue for you. There are many stops during this tour and you must be able to get on and off the coach by yourself without delaying your fellow travellers. If you are not able to participate in Activity Level 2, Wells Gray Tours recommends that you bring a companion to assist you. The tour director and driver have many responsibilities, so please do not expect them, or your fellow travellers, to provide ongoing assistance.

Meals: B

This morning, we visit the **Maritime Museum of the Atlantic** where a permanent exhibit has been unveiled about Halifax's connection to the Titanic. Next, we take a lively tour at **Alexander Keith's Brewery** to learn about Nova Scotia's long brewing tradition since its heyday in the 19th century and to sample the local beer. This afternoon, we stop at the **Halifax Citadel National Historic Site**, a fortress perched on the hill overlooking the city.

Thursday, August 31:

Meals: B

Famous **Peggy's Cove** is one of the most picturesque fishing villages along the Eastern Seaboard. We stroll along the harbor to a view of the iconic lighthouse. In **Lunenburg** we visit the acclaimed Fisheries Museum, housed in two historic vessels and five waterfront buildings. Afterwards, there is a horse-drawn carriage ride around Lunenburg with tales of its heritage and unusual buildings. Then we drive across Nova Scotia to Wolfville and stay overnight at the Old Orchard Inn.

Friday, September 1:

Meals: B

We drive through the beautiful Annapolis Valley and take the midday ferry from Digby across the Bay of Fundy to **Saint John**, New Brunswick. Our overnight stay is at the Delta Brunswick Hotel, located in historic Market Square.

Saturday, September 2:

During the morning, we visit the **New Brunswick Museum**, Canada's oldest continuously operating museum which features galleries on Canadian and International art, New Brunswick's industry, and a whales exhibit. Next, a local guide shows us

around Saint John with a stop at the famous **Reversing Falls**. Then we drive to Fredericton, the provincial capital, where we stay two nights at historic Crowne Plaza Lord Beaverbrook Hotel in the downtown area. The opening of this grand hotel in 1948 was the social event of New Brunswick, attended by Lord Beaverbrook (Sir Max Aitken) himself.

Sunday, September 3: *Meals: B,L*

At **King's Landing** on the Saint John River, we visit a restored village of the 19th century, complete with costumed actors and homes, school, store, gristmill, printer and theatre. Lunch is in the 1855 Kings Head Inn. The afternoon is at leisure in Fredericton.

Monday, September 4: *Meals: B,L*

A highlight is **Hopewell Cape** where the powerful Fundy tides have eroded towering rocks like flowerpots. The huge tidal range is impressive to witness – today, it will vary from 2 to 12 metres. We drive across Northumberland Strait to Prince Edward Island on the spectacular **Confederation Bridge**. The next three nights are at the Delta Prince Edward, Charlottetown's finest hotel, located downtown on the waterfront.

Tuesday, September 5:

This is a free day to enjoy **Charlottetown** on your own. The waterfront beside the hotel is an appealing stroll and downtown shops are close by.

Wednesday, September 6: *Meals: L,D*

A local guide is with us all day today to enhance our visit to **Prince Edward Island**. After a city tour of historic sites in Charlottetown, we drive through PEI National Park along the north shore beaches and visit the **Anne of Green Gables** cottage. Other stops include Dalvay by the Sea and Cavendish Beach. Then we go to the quaint village of North Rustico for a traditional dinner of fresh lobster served at Fisherman's Wharf!

Thursday, September 7:

We ride the ferry from Prince Edward Island to Nova Scotia across eastern Northumberland Strait. In Pictou, we see the restored ship Hector which carried Scottish immigrants to Nova Scotia in 1773. After crossing Canso Causeway to **Cape Breton Island**, the road winds along the eastern shore of lovely Lake Bras D'Or and we take a break at Rita McNeil's tea house. Our accommodation for three nights is at the waterfront Cambridge Hotel in **Sydney** where every room is a spacious suite.

Friday, September 8: *Meals: B,L*

The **Alexander Graham Bell Museum** at Baddeck houses his remarkable collection of early inventions. After lunch in Cheticamp, we drive the renowned **Cabot Trail** through Cape Breton Highlands National Park. Along this rugged and scenic coast, there are stops such as Cape Smokey and Ingonish Beach.

Saturday, September 9: *Meals: B,L*

With the benefit of a Parks Canada docent, we explore the **Fortress of Louisbourg**, the formidable French stronghold of the early 18th century and now a National Historic Site. Next we tour the **Cape Breton Miners' Museum** in Glace Bay and take an underground tour of the vast coal mines. There were once dozens of collieries near the town, and the last one closed in 1984.

Sunday, September 10: *Meals: B*

We board the ferry at North Sydney for the six-hour crossing of Cabot Strait to **Port-aux-Basques** at the southwestern tip of Newfoundland. We drive north to **Corner Brook** and stay two nights at the quaint Glynmill Inn.

Monday, September 11: *Meals: B,D*

This is a free day. Take a stroll around Glynmill Pond and admire the fall foliage.

Tuesday, September 12: *Meals: B,L,D*

The remote **Viking Trail** ranks among the most scenic highways in Eastern Canada because it is bounded by the Gulf of St. Lawrence to the west and the barren Long Range Mountains to the east. **Gros Morne National Park**, now a UNESCO World Heritage Site, protects a wilderness of deep fjords and coastal beaches. Our first experience in this area is the **Bonne Bay boat tour** which provides views of the tablelands of Gros Morne. Newfoundland's traditional welcome is arranged on the boat with a Screech-in Ceremony. Near Rocky Harbour, we visit Lobster Cove Head Lighthouse, built in 1897 and still flashing its warning light across the Gulf of St. Lawrence. We stay overnight at Shallow Bay Motel in Cow Head.

Wednesday, September 13: *Meals: B,D*

We continue on the Viking Trail to the northern tip of Newfoundland and stay two nights at Hotel North in **St. Anthony**.

Thursday, September 14: *Meals: B,L,D*

During the morning, we tour the home of Dr. Wilfred Grenfell, founder of **Grenfell Mission**, and

view the Jordi Bonet Murals at the hospital. This afternoon, we visit **L'Anse aux Meadows** and examine the reconstructed sod houses and artifacts from Leif Eriksson's Viking expedition to "Vinland" about the year 1000. Tonight, savour the **Viking Feast** — an evening of food, fun and feuds in the only sod covered dinner theatre in North America. Come to Leifsbudir and participate in a Viking court of law while feasting on traditional Viking delicacies.

Friday, September 15: *Meals: B,L,D*
We retrace our route along the Viking Trail, stopping at the Arches to see the waves eroding the seashore, and Broome Point to learn about the Newfoundland fisherman's lifestyle. Our overnight stop is at the Holiday Inn Express in **Deer Lake**.

Saturday, September 16: *Meals: B,L*
First we visit the Insectarium which displays thousands of insect species (mounted and live) along with a butterfly conservatory and beehive. Then we head east on the Trans-Canada Highway to **Botwood** where the giant Pan American clippers landed in the 1930s after their trans-Atlantic flights. Arriving in **Gander**, we stay two nights at the Comfort Inn.

Sunday, September 17: *Meals: B,L*
Gander was once the largest airport in the world and, throughout the 'Jet Age' of the 1950s and 1960s, transatlantic flights required a refueling stop here. A local person meets us to talk about Gan-

der's role as host to thousands of air travellers who were grounded on September 11, 2001. Today's circle drive goes to the north coast and the village of **Twillingate** where we may get glimpses of icebergs that have floated from Greenland. Other stops are the Prime Berth Fishing Museum where we experience the gregarious personalities and lifestyles of the Newfoundland fishermen, and the **Beothuk Centre** which interprets these vanished native people and their lifestyle.

Monday, September 18: *Meals: B,L,D*
Today's drive passes through **Terra Nova National Park** and the farmlands of the Avalon Peninsula. An exciting experience is standing at the most easterly point in North America, **Cape Spear**. Our last destination is **St. John's** where we stay two nights at the Delta Hotel. Tonight is our farewell gathering featuring a traditional Newfoundland Jigs Dinner, also called a scoff or a feast. It is an opportunity to reminisce about our journey across the Atlantic Provinces.

Tuesday, September 19:
A morning tour with a local guide visits the **Cabot Tower** atop Signal Hill, Confederation Building and Quidi Vidi Battery. The afternoon is at leisure.

Wednesday, September 20:
We fly with Westjet from St. John's via Toronto to Victoria. A transfer is provided to your pickup point.
