The Phantom returns to Spokane

One of the most famous musicals of all time, **The Phantom of the Opera**, was created by composer Andrew Lloyd Webber and lyricists Charles Hart and Richard Stilgoe. It opened at Her Majesty's Theatre in London in 1986 with Michael Crawford and Sarah Brightman in the leading roles. The Broadway production at New York's Majestic Theatre opened in 1988 and is still playing 28 years later, making it the longest running Broadway show in history with over 11,335 performances. It is estimated that over 130 million people have seen the show in 27 countries and the box office gross world-wide stands at \$5.6 billion. It has won over 50 awards including the Laurence Olivier and Evening Standard Award for Best Musical, seven Tony Awards, seven Drama Desk Awards and three Outer Critic Circle Awards. The touring production coming to Spokane has been hailed by critics as "bigger and better than ever before" and features a brilliant new scenic design, new costume designs, updated lighting, and new choreography. It boasts many exciting special effects including the show's legendary chandelier, the burning stage, floating candelabras, and the paddle across the lake. The beloved story and thrilling score will be performed by a cast and orchestra of 52, making this *Phantom* one of the largest on tour.

Many people have seen **The Phantom of the Opera** before. Come and relish the music, singing, sets, and story once again. Enjoy the wonderful songs such as *Music of the Night*, *All I Ask of You*, *Masquerade*, *Wishing You Were Somehow Here Again*, *Angel of Music*, and *The Point of No Return*.
