Sightseeing Flight Option

September 28 is a free day to relax at Tyax Resort and enjoy the beautiful lakeside setting as well as numerous entertaining and recreational activities. A flight over the nearby glaciers and peaks of the South Chilcotin wilderness is offered as an option. The flight is in a six-passenger Beaver floatplane for one hour. Commentary is provided by the pilot through headphones, so you won't miss any of the terrific scenery. The plane flies over the South Chilcotin Mountains Park, isolated Spruce Lake, some extinct volcanic cones, and the colourful Eldorado basin. A highlight is the flight along the Bridge River to its source high in the Coast Mountains at the massive Bridge Glacier where icebergs break off the snout and float around the lake below. The Bridge Glacier is only one part of the vast Lillooet Icefield which covers 1,000 square kilometres. Mountain goats, grizzlies and moose are abundant in this region and are commonly seen during the flight. Price is \$195.00 per person plus GST based on minimum of five passengers per flight. If inclement weather occurs and the plane cannot fly, your flight cost will be refunded. Please book this option as soon as possible as the number of flights may be limited.

Tour Notes

- Tyax is an impressive log lodge with only 28 rooms, of which 18 have a splendid view of Tyaughton Lake and the rest have no view. Therefore, the first 18 parties booking this tour will be assigned to the lake view rooms. We recommend early booking!
- This tour has all Tyax meals included due to the high cost of individual meals at this remote location. Meals may be served as a buffet or plated. Dinners are usually two courses — appetizer and entrée.

Itinerary

Monday, September 25:

Meals: D

We board the 11 am ferry to Tsawwassen, then drive east through the Fraser Valley, arriving at **Harrison Hot Springs Resort** about 3 pm. Our rooms are in the West Tower overlooking Harrison Lake or the outdoor pools. Bring your bathing suit in your carry-on, then you can head to the pools right after check-in. Tonight, dine in elegance in the lovely **Copper Room** with entertainment and dancing with **Patsy B. and the Lefties**. This musical quartet plays a variety of songs from contemporary to classic rock, pop, country, swing and Latin.

Tuesday, September 26:

Meals: B,L,D

We drive through the famous **Fraser Canyon** and ride the **Hell's Gate Airtram** down to this awesome spectacle where the Fraser River squeezes between sheer rock walls. From Lillooet, our route winds through incredible 600-metre deep **Bridge River Canyon** and along Carpenter Lake. Our destination is **Tyax Wilderness Resort**, a peaceful retreat on Tyaughton Lake with a fine view of snowy peaks. We stay here for three nights. The lodge is one of the largest log buildings in western Canada and you are sure to admire its fine craftsmanship, especially the cathedral lobby with a soaring stone chimney. It was built in 1986 and totally renovated a few years ago.

Wednesday, September 27:

Meals: B,L,D

Accompanied by a local historian, we explore **Bralorne**, once one of British Columbia's greatest gold mines. The fabulous Pioneer Mine produced

\$140 million of gold between 1914 and 1960. Our visit includes the Bralorne Museum, the abandoned town of Bradian, and the Haylmore Historic Site. Lunch is included at the Gold Bridge Hotel where the bar walls are papered with old dollar bills. This afternoon, we drive to lovely **Gun Lake** where fall foliage should be outstanding.

Thursday, September 28:

Meals: B,L,D

Today is a free day at Tyax. An extensive list of recreational activities is available including horse-back riding, fishing, sailing, mountain biking, gold-panning, or a naturalist walk along the lakeshore trail. You may wish to explore **Tyaughton Lake** by canoe or row boat. At the lodge, there is a sauna and whirlpool, or you can simply relax on the deck overlooking Tyaughton Lake. See the option box for a sightseeing float plane excursion.

Friday, September 29:

Meals: B,L

During the return drive to Lillooet, we stop at Terzaghi Dam, Russell Springs, and the Million Dollar Basin. Then we follow the scenic **Duffey Lake Road** through the Coast Mountains, passing glacial blue Seton Lake, the curious estate of Walden North, Cayoosh Canyon, and Joffre Glacier. On arrival in **Whistler**, we stay at the Delta Hotel.

Saturday, September 30:

We leave Whistler in mid-morning, ride the noon ferry from Horseshoe Bay to Nanaimo, and drive the Island Highway back to Victoria.
