## Experience history as you cross Canada by rail!

The railway in Canada is an integral and essential foundation for the country. When the last spike was driven in the cross-country rail line on November 7, 1885 at Craigellachie, something truly magnificent had been accomplished: Canada had been united. The railway was written into the agreement of Confederation on that historic day when the Dominion of Canada was formed in 1867. The railway was a condition of entry into Confederation by British Columbia and it was the common thread that linked the vast spaces and diverse cultures of the grand new nation. Experience Canada's national railway on this epic journey from Vancouver on the Pacific coast to Halifax on the Atlantic coast. From the towering giants of the Rocky Mountains to the sea of grass in the vast prairies; from the unique mix of cultures in Winnipeg and Montréal to the Scottish influence in the Maritimes; from the awesome view at the CN Tower to the spectacle of Niagara Falls — all aboard for the adventure of a lifetime!

## Train & Tour Notes

**VANCOUVER TO TORONTO** – Space is booked in Sleeper Plus Class on *The Canadian* with all meals included. Sleeping accommodation is in private bedrooms, either double with upper and lower berths or single with lower berth only. Amenities include couch-style seats that convert to beds at night, electrical outlet, toilet, sink, and mirror. Shower facilities are located nearby. Exclusive access to the dome car with its excellent views and Bullet Lounge is included. You also have access to the dining car and the Skyline Car which has books, games, lectures on local topics, and refreshments.

**TORONTO TO MONTRÉAL** – Enjoy the luxury of Business Class on this 5½ hour fast train with large comfortable seats, wi-fi, and a three-course gourmet lunch with wine. Travel at speeds up to 160 kph.

**MONTRÉAL TO HALIFAX** — Space is booked in Sleeper Plus Class on *The Ocean* with dinner, breakfast and lunch included. Sleeping accommodation is in private cabins, either double with upper and lower berths or single with lower berth only. Amenities include toilet, handbasin, and couch(es) that convert into bed(s). Exclusive access to the dome car is included.

**TIMING** – Rail travel is subject to unexpected delays, and Wells Gray Tours cannot be held responsible for missed attractions due to a late train. Listed times are from VIA Rail's published schedule.

**LUGGAGE** – While on the train, your suitcase is stored in the baggage car. You may bring your suitcase to your private room for overnight stays, but it is highly recommended that you bring a more compact bag with just your needs for those few days while on board.

**GRATUITIES** – The customary gratuities for train attendants are not included in your tour fare due to the challenges of distribution on board. Please budget \$10 per person per day. Gratuities are covered for all included meals off the train, local guides and drivers. Gratuities to the Wells Gray tour director and BC coach driver are not included and are left to your discretion.

**EARLY BOOKING** is recommended as this tour is limited to 40 travellers and it goes full every year.

 **ACTIVITY LEVEL** — Moderate activity including walking medium distances over uneven surfaces and steps. On the train, you may have to walk through up to 5 train cars to access the dining car. If booking a single bedroom, be aware that at night you may need to go down the hall to a toilet. Double bedrooms have upper and lower berths, so one person must be able to get into the upper berth. Steps on and off the train may be awkward for those with mobility challenges. There can be longer walks in Halifax and Toronto airports while flying home; request a cart or wheelchair in advance if this could be an issue for you. If you are not able to participate in Activity Level 2, Wells Gray Tours recommends that you bring a companion to assist you. The tour director and drivers have many responsibilities, so please do not expect them, or your fellow travellers, to provide ongoing assistance.
