Southern Alberta plus Cypress Hills

Southern Alberta has numerous attractions and, each time we offer this tour, we must select only a few to include, so the tour is often different from year to year. Cypress Hills is a naturalist's wonder with unique flora and fauna because the area was not glaciated during the last Ice Age. Other attractions celebrate history such as Coleman Museum, Frank Slide, Remington Carriage Museum, Head-Smashed-In Buffalo Jump, and Brooks Aqueduct. We stay 2 nights in one of Canada's less visited national parks, Waterton Lakes, which has rugged mountains rising from a stark prairie, surrounding an idyllic lake. Add to this Fairmont Hot Springs, the Nikka Yuko Japanese Gardens, the ancient carvings at Writing-on-Stone Park, and the emerging autumn colours, and you have the perfect fall getaway.

Itinerary

Wednesday, September 19: *Meals: L,D*
We travel east among the soaring peaks of Rogers Pass, then south to **Fairmont Hot Springs**. As a hotel guest, you can enjoy a private hot pool close to your room, or use the larger public pool. The water temperature ranges up to 110° F and about 1.4 million gallons of odourless, mineral-rich water flow through the pools daily.

Thursday, September 20: *Meals: B,L,D*
During our drive across Crowsnest Pass, we stop at the **Frank Slide** where tons of rock fell from Turtle Mountain in 1903, and the quaint Coleman Museum. We continue to **Waterton Lakes National Park**. In 1932, the park was joined with Montana's Glacier National Park to form the Waterton-Glacier International Peace Park, a world first. The summer 2017 forest fires devastated parts of Waterton and destroyed the visitor centre, but a new one will open in 2020. We stay two nights at Bayshore Inn overlooking Waterton Lake.

Friday, September 21: *Meals: B,D*
First enjoy a scenic two-hour **Waterton Lake cruise**. Next we travel to Cardston to visit the fascinating **Remington Carriage Museum** which displays North America's largest collection of horse-drawn vehicles. A carriage ride is included. Tonight is the weekly **Music Legends Dinner Show** at the Great Canadian Barn Dance at the Kunkel Ranch featuring lively western music, old time entertainment, and incredible country cooking.

Saturday, September 22: *Meals: B,L*
We visit **Head-Smashed-In Buffalo Jump**, designated a UNESCO World Heritage Site as it is one of the oldest, largest and best preserved buffalo jumps in the western plains. In Lethbridge, we admire the colours and tranquility of Nikka Yuko Jap-

anese Gardens and experience the traditional Tea Ceremony. We stay overnight in Lethbridge at the Best Western.

Sunday, September 23: *Meals: B,L,D*
We follow rural roads into the Milk River Valley and **Writing-on-Stone Park**. It contains the greatest concentration of rock art on the North American Great Plains with 50 petroglyph sites and thousands of individual works, some as old as 9,000 years. To protect these precious artifacts, an expert interpreter accompanies all visitors and our program lasts about two hours. We continue east into Saskatchewan and stay two nights at the Resort at Cypress Hills.

Monday, September 24: *Meals: B,L*
A local naturalist conducts a six-hour tour of the unique ecosystem protected by the **Cypress Hills Inter-provincial Park**. Its altitude of 1,392 metres (highest point in Saskatchewan) and the lack of glaciation during the last Ice Age has fostered unique flora and fauna which are explained and if possible shown during our tour. We visit Fort Walsh, founded as a Northwest Mounted Police post in 1875.

Tuesday, September 25: *Meals: B,L,D*
We join the Trans-Canada Highway, heading west back into Alberta. The **Brooks Aqueduct** was completed in 1914 to carry irrigation water across a valley and was the largest concrete structure of its kind in the world at the time. Long abandoned, it is now a National Historic Site. We continue into **Calgary** and stay overnight at the Glenmore Inn.

Wednesday, September 26: *Meals: B,L*
We journey home via Kicking Horse Pass and Rogers Pass with a lunch stop in Golden.
