MEXICO'S YUCATAN WINTER GETAWAY January 13, 2019 — 16 days

\$7075 pp double; **\$8560** single
discounts up to \$300 pp

The Yucatan capital, arose from the merger of three major cultures: Mayan, Spanish and Lebanese, that together give it its unique architecture, cuisine and people. Impressive archaeological sites, colonial and modern buildings coexist in harmony. There are so many highlights on this tour. We take a boat excursion on the Grijalva River which is the most popular way to explore the Sumidero Canyon National Park. This is one of Mexico's most dramatic cruises and there are several key attractions to look out for en route. Next, we visit San Cristóbal which is at the heart of one of the most deeply rooted indigenous areas in Mexico. We will explore a local market and learn the process of hand-making tortillas. Next, we visit the Palenque archaeological site, founded by the Mayans in 226 BC. It is here that explorers discovered Pakal's tomb with his famous jade green mask. We will spend time with a local family who will share their traditions with us, tour the archaeological site of Uxmal including The Fortuneteller's Pyramid known as Pirámide del Adivino and spend an afternoon learning how chocolate is prepared using an ancestral recipe. We also travel through Izamal, the "Magic Town", to Chichén Itzá and visit the Ikkil Cenote to swim with the black catfish. The cenote is 26 metres below ground level and is sacred to the Mayans who used this cenote for both relaxation and ritual services. Swimming in a cenote is a sacred, almost mystical experience. We continue to the Riviera Maya and check-in at the Grand Bahia Principe Tulum, an all-inclusive oceanfront resort where we have a free day to enjoy the beautiful beach at the hotel or many other activities before flying home. This tour will hypnotize you with ancient Mayan ruins and colonial cities.

\$17,195 pp double; **\$18,885** single
8 Seats left!

Ecuador is the smallest country in the Andes but boasts five world heritage sites including 16th century colonial Quito. For most tourists, the country serves as a gateway to the Galapagos Islands and its other wonders are overlooked. On this tour, we visit El Angel Ecological Reserve, Napo Wildlife Center in the Amazon jungle, Cotopaxi Volcano, and Ingapirca Fortress, and ride the Devil's Nose Train. We spend 13 days exploring the cultural and natural wonders of mainland Ecuador. Then we fly to the Galapagos Islands for a cruise aboard the first-class passenger vessel M/C Seaman Journey. For 8 days and 7 nights, we cruise from island to island with an expert naturalist and observe the unique flora and fauna made famous by Charles Darwin. The ship carries only 16 people in 8 cabins. Picture yourself walking around nests carelessly built by blue-footed boobies on the trail. Imagine feeling the cool Galapagos waters as you swim with penguins at the Equator and see playful sea lions, manta rays, and colourful fish through your snorkelling mask. Enjoy close encounters with armies of marine iguanas and hundreds of seabirds such as the waved albatross, flightless cormorants, and the magnificent frigate bird. Visit a giant tortoise. Animals do not fear humans, making it a natural paradise and haven for naturalists escaping a busy outside world. The Galapagos Islands are at the top of the list for most experienced travellers and this 8-day yacht excursion is sure to make it a lifetime memory.

THE 100th ANNIVERSARY OF THE END OF WORLD WAR I!**REMEMBRANCE DAY CENTENNIAL AT VIMY****\$8145** pp double; **\$8840** single**November 1, 2018 — 14 days****discounts up to \$150 pp**

Vimy Ridge is famously known as the site of a heroic Canadian victory against a well-protected German defence network, a victory that was had through months of preparation and meticulous execution. The Canadian victories did not stop there though, with impressive battles at Hill 70, Passchendaele, and Amiens, among many other battles that led to the final armistice on November 11, 1918. However, this did not come without a cost. Close to 61,000 Canadians were killed during the war, another 172,000 were wounded and this does not account for the many that came home suffering from 'shell shock'. The year 2018 will be 100 years since World War I ended. This tour has been developed as an educational experience of Canadian involvement in the Great War and includes attending the Remembrance Day ceremony at the Canadian National Vimy Memorial. Other highlights include: a walking tour of Ypres, Menin Gate Memorial to the Missing, the Ramparts Military Cemetery, the In Flanders Fields Museum, Bayernwald Trenches, the Canadian Memorial at Hill 62, the Saint Charles de Potyze French Cemetery, the Saint Julien Canadian Memorial, the Irish Peace Tower, Menin Gate with Last Post Ceremony, the Somme Battlefield with Lochnagar Crater, Ulster Tower, Newfoundland Memorial Park, and Thiepval Memorial. Come and join us and we will remember them.

\$2575 pp double; **\$3110** single
discounts up to \$50 pp

Southern Alberta has numerous attractions and, each time we offer this tour, we must select only a few to include, so the tour is often different from year to year. Cypress Hills is a naturalist's wonder with unique flora and fauna because the area was not glaciated during the last Ice Age. Other attractions celebrate history such as Coleman Museum, Frank Slide, Remington Carriage Museum, Head-Smashed-In Buffalo Jump, and Brooks Aqueduct. We stay 2 nights in one of Canada's less visited national parks, Waterton Lakes, which has rugged mountains rising from a stark prairie, surrounding an idyllic lake. Add to this Fairmont Hot Springs, the Nikka Yuko Japanese Gardens, the ancient carvings at Writing-on-Stone Park, and the emerging autumn colours, and you have the perfect fall getaway.

Relax on your private balcony and enjoy the panorama of the ocean, the mountains of Vancouver Island beyond, the rapidly-moving tides, and the tugboats with barges navigating this narrow waterway. Meals are served in the main dining room which has an entrancing view, and all meals are included due to the isolation of the lodge. There are walking trails along the waterfront to the lighthouse, and a more difficult trail to the bluff at Cape Mudge with a view south into the Strait of Georgia. Join the ranks of the adventurers who have been lured by the legends of the Northwest Passage.

We spend 17 days on board the *Ocean Endeavour* which was built in 1981 and has operated as a cruise ship in the Baltic, the Mediterranean, and throughout Scandinavia. Adventure Canada has leased the ship since 2014 and has undertaken major renovations to equip it for Arctic voyages. The ship is 137 metres long and has nine decks with six of them open to passengers. The ship carries 198 passengers. Expedition staff are experts on the Arctic including geology, glaciation, history, and flora and fauna. There are frequent lectures, educational presentations, and interactive workshops. Evening entertainment is offered. There is a fully-stocked library for additional reading about the cruise destinations. During many days, there are expeditions ashore or to nearby attractions, using the ship's 18 zodiacs. All meals are included in the Polaris Restaurant and there are also on-deck barbecues and afternoon tea. **Early booking discounts of \$1200 available until September 30! Additional loyalty discounts for customers who have previously taken an Adventure Canada cruise are also available.**
