New Zealand — A Country of Many Wonders

Since the first people arrived in New Zealand a thousand years ago, many cultures have made it their home. The country has a unique and dynamic culture, with European, Maori, Pacific, and Asian influences. New Zealand's awesome landscapes, lush forests, amazing wildlife, and pleasant climate make it a haven for many outdoor activities and a great place to unwind. Aotearoa, the Maori name for the country, offers everything from snowy peaks and ancient glaciers to smoking active volcanoes and intriguing thermal activity; from crystal clear lakes to the surging Pacific Coast surf, from verdant rainforests to desert-like plains. New Zealand society is diverse, sophisticated, and multicultural, and the honesty, friendliness and openness of Kiwis will impress you. A great advantage of New Zealand is that all of its diverse physical and artistic landscapes are so close to each other!

New Zealand consists of two major islands and about 600 smaller ones. The population is 5 million. The largest city is Auckland with 1.6 million people, and the second largest is Wellington, the capital, with 400,000 people. Otherwise, most of the country is rural. There are 13 national parks and 3 World Heritage Sites, protecting the natural, historic, and cultural places.

This leisurely 22-day tour has enough time for a comprehensive visit to New Zealand. We fly to cosmopolitan Auckland, then travel north to the famed Bay of Islands. Other highlights on the North Island are the geysers of Rotorua, Waitomo Glow-worm Cave, the Hobbiton Movie Set, an active volcano on White Island, the Te Papa National Museum, and the beautiful capital city of Wellington. The South Island is more rugged with high peaks, glaciers and splendid coastlines. Highlights are the International Antarctic Centre, Sir Edmund Hillary Alpine Centre, Mount Cook, a Zodiac trip among the icebergs of Tasman Lake, the Blue Penguin Colony, Royal Albatross Centre, Larnach Castle, Taieri Gorge Railway, and the spectacular drive and cruise at Milford Sound.

We arrive in Auckland at 6 am. **Welcome to New Zealand!** We are met by our local driver and guide. Home to more than 1.6 million people, **Auckland** represents the largest urban area in New Zealand and is recognised as having the largest concentration of Polynesian people in the world. We drive into the city, then board Fullers Ferry and cruise through Auckland's harbour and Hauraki Gulf to the island suburb of Waiheke. The next two nights are at VR Takapuna Hotel in the Bayswater district on the north shore. Meet the group for a Welcome Dinner.

Wednesday, March 18:

Meals: B

This morning, we drive up Mount Eden for a panoramic view. In downtown Auckland, we ride the fast elevators up the **Sky Tower**. At 328 metres, it is the tallest tower in the Southern Hemisphere and offers unparalleled coast to coast views from four observation decks. Are you brave enough to stand on the glass floor and photograph your feet and the big drop below? This afternoon, we visit the **Maritime Museum** to discover New Zealand's seafaring story. Through different themed galleries, explore how the first Polynesians got here, experience the hardships that European settlers faced, try your hand at yacht design, relax in a kiwi style bach, test your sea legs, and batten down the hatches in the rocking cabin.

Thursday, March 19:

Meals: B,D

Leaving Auckland, we head north to Matakoho and visit the amazing Kauri Museum, dedicated to the **gigantic Kauri tree**. It produces resins such as kauri gum, Manila copal and dammar gum, and the wood is used for yacht hulls, guitars and ukuleles. Later, we visit Tāne Mahuta, New Zealand's largest Kauri tree, which is about 2,000

years old, 45 metres tall, and 15.5 metres around. At Parkia Lookout, we admire the panoramic view stretching from the Tasman Sea through the 30-km long **Hokianga Harbour**. We stay overnight at the Copthorne Resort overlooking the harbour. A dinner of local crayfish is included.

Friday, March 20:

Meals: B,D

We drive across the North Island which here is only 70 km wide. Our destination is the **Bay of Islands**, a stunning region consisting of 144 islands abundant in natural beauty and marine life. First, we visit Waitangi and learn about the birthplace of New Zealand where the **Treaty of Waitangi** was signed in 1840 by the Maori Chiefs and the British Crown. The tour includes the Treaty House, the world's largest ceremonial war canoe, and Te Kōngahu Museum. Next is the village of Kerikeri, site of a colonial settlement in 1819 by the missionary Samuel Marsden. We stay two nights in Paihia at the Copthorne Hotel which has a beautiful waterfront location. We visit the **Waitomo Glow-worm Cave**. This tiny luminescent creature is unique to New Zealand, creating a magical feel to the subterranean wonderland. We admire shawl-like limestone formations, crystal tapestries, and thousands of pinpoint lights overhead, while floating through the dark caverns. This region is best known as the filming locations for *The Hobbit* and *The Lord of the Rings*, and the **Hobbiton Movie Set** is a must-see for fans of the movies. First, we have lunch at the Green Dragon Inn, then we take a guided walk

past Hobbit holes and Hobbit homes, and filming scenes are explained by the guides. We continue to the thermal wonderland of **Rotorua** and stay three nights at the Distinction Hotel Rotorua.

Tuesday, March 24: *Meals: B,L,D*

The day is devoted to **Whakaari (White Island)**, an active stratovolcano situated 48 km from the North Island in the Bay of Plenty. It has been created by continuous volcanic activity over the past 150,000 years. We take a boat from the mainland, then don hard hats and gas masks (if needed) for a guided walk. Experience roaring fumaroles, sparkling sulphur chimneys, bubbling pools of mud, and the spectacular main crater. Lunch is served on the boat, then look for dolphins, whales and seabirds working the schools of fish as we cruise back to the mainland. Tonight, we attend the **Tamaki Maori Cultural Village**. Enjoy an introduction to Maori customs and traditions, followed by an authentic Hangi meal that is cooked in an earth oven. The performance includes songs and dances, tales and legends, displays of weaponry and combat, the grace and beauty of the poi dance, and the spine-tingling haka finale.

Wednesday, March 25: *Meals: B,D*

Rotorua is renowned for its geothermal wonders. First, we visit Wai-o-tapu and its champagne pool, primrose terrace, and the Lady Knox Geyser. Next is Te Puia, site of the famous **Pohutu Geyser** and Hells Gate. The walkway leads past violently boiling mud and exploding hot water pools, the largest hot waterfall in the Southern Hemisphere, and more than 500 other natural wonders. After the walk, relax in the therapeutic Mud Bath and Sulphur Spa. This afternoon, we are guests at Whakarewarewa, **The Living Māori Village**. For over 200 years, the Tuhourangi/Ngati Wahiao tribe has welcomed visitors, opening doors to their way of life, and sharing the geothermal treasures. After some rest time at the hotel, we board gondolas for the ride to the top of **Mount Ngongotaha** and an awesome view over the Rotorua Valley. Dinner is included in the Stratosfare Restaurant.

Thursday, March 26: *Meals: B,L,D*

We head south from Rotorua to Huka Falls where the Waikato River leaves giant Lake Taupo and hurtles through a narrow chasm. In **Napier**, we stop at a panoramic lookout encompassing Hawkes Bay and Cape Kidnappers, and we see many Art Deco buildings including one suburb that has many stylish buildings from that era, now lovingly maintained. Our next stop is the **Pukaha National Wildlife Centre** which is home to conservation breeding programs for many of New Zealand's most endangered wildlife. Kiwi can be

viewed in the nocturnal kiwi house aviary. We continue to Wellington, New Zealand's capital city, and stay two nights at the Doubletree Hotel.

Friday, March 27: *Meals: B*

Our tour of **Wellington** starts with a ride up the funicular railway from downtown onto one of the high hills that divide the city. We also visit the Parliament Buildings, the Beehive, the Lady Norwood Rose Gardens, and Old St. Paul's Cathedral. A highlight is the amazing **Te Papa National Museum** which has exhibits about the natural environment, the vitality of Maori culture, art heritage, and history. The rest of the day is leisure time.

Saturday, March 28: *Meals: B,D*

We fly from Wellington to **Christchurch**. Welcome to the South Island. This is considered the oldest city in New Zealand, dating to 1856. Our tour includes its best known sights — the University district, historic Mona Vale Gardens, Hagley Park, and the beautiful flora of the Botanical Gardens. At the **International Antarctic Centre**, we have an insight into life in Antarctica - the coldest, windiest, driest, and most remote place on earth. See a volunteer dressed in extreme clothing, taste Antarctic food from a research station, meet some penguins, watch the movie *Beyond the Frozen Sunset*, and ride an Antarctic all-terrain vehicle. At Quake City Museum, we hear stories about the devastating earthquake of 2011. Next, we tour the temporary Christchurch Cathedral which is built mostly of cardboard and will be used until the original cathedral, severely damaged by the earthquake, can be repaired. We stay overnight at the Rendezvous Hotel.

Monday, March 30: *Meals: B,D*

Another day of magnificent mountain scenery! We take a **Zodiac excursion on Tasman Lake**, skirting floating icebergs, to reach the icy 50-metre high face of the Tasman Glacier. This lake has

been steadily growing as the glacier has retreated over the last 30 years. The afternoon is free time to explore the vistas near the Hermitage. You may wish to book a helicopter excursion to fly closer to Mount Cook.

Tuesday, March 31:

Meals: B,D

Leaving the mountains, we drive to the east coast and the city of Oamaru. The **Blue Penguin Colony** provides an opportunity to see little penguins in their natural environment. Peek into the penguins' nests, stroll through their habitat, and learn about their fascinating lives. Next we see the **Moeraki Boulders** which are unusually large and spherical rocks lying along a stretch of Koekohe Beach on the wave-cut Otago coast. Port Chalmers is a long inlet from the east coast and at its head is the city of **Dunedin** which has played an important role in New Zealand's history. Long inhabited by Maori, the discovery of gold inland from Dunedin in 1861 transformed the area into the new colony's main commercial centre. We stroll through the **Dunedin Chinese Garden** which is the only authentic Chinese Scholar's Garden in the Southern Hemisphere and is a permanent reminder of the city's Chinese heritage. We stay two nights at the Distinction Hotel. Tonight, we take a tour of Speight's Brewery with six samples and have dinner at the Ale House.

Wednesday, April 1:

Meals: B,L,D

This morning, we visit **Nature's Wonders Wildlife Centre**, travelling on an 8-wheel drive, all-terrain vehicle for an exhilarating cross-country tour. We visit a breeding colony of Cormorants (Spotted Shag) and a colony of New Zealand fur seals and their pups basking on the rocks, then a beach-front ride takes us to a group of Little Blue Penguins and possibly a sighting of the rare and shy Yellow-Eyed Penguin. Next is the **Royal Albatross Centre** at Tairoa Head where we learn about this remarkable bird and see nesting albatross in their natural habitat. Lunch is included in the ballroom of **Larnach Castle**, followed by a tour of the mansion, built in 1874. It has panoramic views of the Otago Peninsula and exquisite gardens.

Thursday, April 2:

Meals: B,D

This morning, we go to the Dunedin Railway Station, a stunning architectural masterpiece, and board the **Taieri Gorge Railway**. Negotiating the winding gorge, the train travels through 10 tunnels and across numerous bridges, including the Win-

gatui Viaduct, the second largest wrought iron structure in the world. After two hours of incredible scenery, we arrive in Pukerangi and re-board our coach. At Queenstown, we board a jetboat for a thrilling ride on the **Shotover River**. Speed past rocky outcrops, skim around boulders, zip through dramatic canyons, and hold on tight during a 360° spin. (Life jacket and full-length spray coat are supplied.) We stay two nights at the Crowne Plaza Hotel. Tonight, we ride the **Skyline Gondola** to the top of Bob's Peak and enjoy dinner with a breathtaking view of The Remarkables, Coronet Park, Lake Wakatipu, and Queenstown.

Friday, April 3:

Meals: B,L,D

The Road to Milford is the awesome drive from Queenstown, along Lake Te Anau, and through the Southern Alps to **Milford Sound**, one of the iconic attractions of New Zealand. These high peaks and fjords have been protected in **Fiordland National Park**, the largest of 13 federal parks, and Milford Sound with Mitre Peak is one of the most famous vistas in New Zealand. We take a cruise in Milford Sound with a stunning backdrop of sheer cliffs and cascading waterfalls. A farewell dinner is arranged in Queenstown.

Saturday, April 4:

Meals: B

We board the TSS Earnslaw for a 1½ hour cruise on **Lake Wakatipu**. It is believed to be the oldest working coal-fired passenger steamship in the Southern Hemisphere. Nearby is the restored village of Arrowtown which boomed in 1862 during the Otago gold rush. In mid-afternoon, we fly from Queenstown to Auckland on Air New Zealand, then at 8 pm continue to Vancouver. We cross the International Date Line and arrive at noon on the same date.

There are many stops during this tour and you must be able to get on and off the coach by yourself without delaying your fellow travellers. If you are not able to participate in Activity Level 2, Wells Gray Tours recommends that you bring a companion to assist you. The tour director, drivers and local guides have many responsibilities, so please do not expect them, or your fellow travellers, to provide ongoing assistance. If you are not capable of keeping up with the group or require frequent assistance, the tour director may stop you from participating in some activities or some days of the tour.
