## MS Eurodam

**MS Eurodam** made her inaugural cruise in 2008 after being dedicated by Her Majesty Queen Beatrix of the Netherlands. She is Holland America's second largest with a capacity of 2,100 passengers. The Eurodam's gross tonnage is 86,000 and she is 284 metres long. Her 11 decks feature a 1,000-seat live entertainment theatre, nine lounges, casino, shopping arcade, movie theatre, beauty shop, library, games room, Internet centre, spa, gymnasium, and two swimming pools (one with sliding dome cover). The Eurodam has 14 elevators and four of them are glass with panoramic views. An exquisite \$2 million collection of art and artifacts is showcased throughout the ship with a theme of "The Dutch Golden Age".

There are several choices for your dining pleasure. The elegant two-floor **Dining Room** serves breakfast, lunch, and dinner with full choice of menu. The **Lido Market** offers buffet-style serving stations for breakfast, lunch, dinner and the 11 pm snack. The intimate **Pinnacle Grill**, **Canaletto** and **Tamarind** restaurants offer extraordinary service, reserved seating, and gourmet menus for an extra charge. You can dine in the privacy of your stateroom by ordering from the complimentary room service menu.

Every day has a full schedule of optional activities: dance class, bridge, bingo, shuffleboard, table-tennis, karaoke, board games, and fitness activities. The movie theatre presents films daily and, every evening, there is live entertainment in the Mainstage Theatre plus musicians playing in most lounges.
