### Shen Yun — Reviving 5000 years of Civilization

Shen Yun Performing Arts is a premier classical Chinese dance and music company established in New York in 2006. It performs classical Chinese dance, ethnic and folk dance, and story-based dance, and orchestral accompaniment. For 5000 years, divine culture flourished in the land of China. Humanity's treasure was nearly lost in the 20th century, but through breathtaking music and dance, Shen Yun is reviving this glorious culture. Shen Yun can be translated as "the beauty of divine beings dancing." The 40 dancers perform wearing intricate costumes, often accompanied by a variety of props. Some costumes are intended to imitate the dress of various ethnicities, while others depict ancient Chinese court dancers, soldiers, or characters from classic stories. Props include colourful handkerchiefs, drums, fans, chopsticks, or silk scarves. Each Shen Yun piece is set against a digitally projected backdrop, usually depicting landscapes such as Mongolian grasslands, imperial courts, ancient villages, temples, or mountains.

Shen Yun has five troupes that perform in about 100 cities and 20 countries each year. The Vancouver show is the only Canadian stop west of the Toronto area. We have excellent seats at the Queen Elizabeth Theatre in Centre Orchestra, Rows 13 to 16. Seats are assigned according to the order that you book for this tour. Don't miss this incredible performance!
