## About Mystery Tours

This is Wells Gray Tours' 58<sup>th</sup> Mystery Tour since 1985. The first Mystery Tour was only three days and travelled to Whistler. In the 35 years since then, Mystery Tours have been offered once or twice a year and have taken curious customers to destinations all over Canada, the USA, and even Iceland and Costa Rica. Some fly and explore an area such as northern Michigan in 2018. Some stay close to home such as a 2017 tour to Mount Rainier, Olympic Peninsula, and North Cascades Highway. Another 2017 tour cruised for four days on the St. Lawrence River aboard the small ship *Canadian Empress*.

The last Mystery Tour group, in October 2019, flew to Milwaukee and toured southern Wisconsin for 10 days. They admired beautiful motorcycles at the Harley Davidson Museum, walked on the field at the Green Bay Packers stadium, cruised through the canyons of the Wisconsin Dells, strolled the Infinity Room at the weird House on the Rock, learned about Frank Lloyd Wright at his Taliesin Estate, and toured the State Capitol, a dairy farm, and the SC Johnson facility.

That is the intrigue of Mystery Tours! We never tell you where you will go or what you will see. You may be amazed when the coach pulls up beside a cruise ship, or you board a plane for an overseas flight, or you arrive at a unique hotel. Each day of the tour has surprises, as the mystery route is revealed only as we travel along from day to day. However, we can promise you that our route or destination has interesting sights and unusual experiences; most of the 2020 Mystery Tour is new places. Some Mystery Tours are offered in subsequent years as a regular tour.

Wells Gray Tours has been a pioneer in offering Mystery Tours in British Columbia. Among the 500 or so tour operators in North America, only a handful offer multi-day mystery itineraries like ours. Please join us for Mystery Tour #58! Only one Mystery Tour will be offered in 2020. Some exciting surprises are waiting for you.

## Tour Notes

### NOTES ABOUT YOUR MYSTERY TOUR (being careful not to reveal anything about the destination)

- A passport is not required for this tour. You must bring photo ID for the flights.
- Wells Gray Tours has never previously offered this itinerary, but some tours have visited a few places.
- You will travel by airplanes, motorcoaches, and another mode of transport.
- A letter about suggested attire plus packing and travelling tips will be sent one month before departure.

**Activity Level:** Moderate activity including distances to walk of up to ½ km (if you want to see everything included). Also expect stairs and uneven walkways underfoot at some attractions. There are many stops during this tour and you must be able to get on and off the coach by yourself without delaying your fellow travellers. The coaches cannot carry a scooter. If you think you may have difficulty participating in Activity Level 2, Wells Gray Tours recommends that you bring a companion to assist you. The tour director and driver have many responsibilities, so please do not expect them, or your fellow travellers, to provide ongoing assistance. If you are not capable of keeping up with the group or require frequent assistance, the tour director may stop you from participating in some activities or some days of the tour. In extreme situations, you may be required to leave the tour and travel home at your own expense; travel insurance will probably not cover you.

### SPECIFIC MYSTERY TOUR CLUES

*Here are eight clues to the mystery route. These clues are arranged in the order that they occur on the itinerary. Pore over maps, use the Internet, try Google Search (but we've already checked that the answers are not obvious) and, most important, have fun guessing where we're going!*

- 1) The wife of King III had 7 cities, a ship, some islands, 3 bays, a fortress, and 4 counties named for her.
- 2) Think of a princess. Then you may add a Queen's party and part of a haunted house in New England.
- 3) A gathering of 3 in the 1860s resulted in a billion dollar meeting between north and south 130 years later.
- 4) Rest your head where Sir John A.'s American namesake looked back fondly on his Scottish roots beside a soupy pond, a long pond, a lake, and the sea.
- 5) This waterfront park is more often called by its abbreviated name than its full name.
- 6) A ferry takes us to a dedicated follower of Jesus and a delectable French dessert.
- 7) This haven from the sea is found between a grindstone and a grand entrance.
- 8) Two rivers of holiness meet amidst five islands including two that are saintly and one of paper.
