

WATERTON LAKES & CYPRESS HILLS

September 11, 2020 - 9 Days

Southern Alberta has numerous attractions and, each time we offer this tour, we must select only a few to include, so the tour is often different from year to year. Cypress Hills is a naturalist's wonder with unique flora and fauna because the area was not glaciated during the last Ice Age. Other attractions celebrate history such as Brooks Aqueduct, Head-Smashed-In Buffalo Jump, Remington Carriage Museum, Frank Slide, and Coleman Museum. Tap your toes during the 'Music Legends' show at Great Canadian Barn Dance. We stay 2 nights in one of Canada's less visited national parks, Waterton Lakes, which has rugged mountains rising from a stark prairie, surrounding an idyllic lake. Add to this the ancient carvings at Writing-on-Stone Park, the Nikka Yuko Japanese Gardens, Fairmont Hot Springs, and the emerging autumn colours, and you have the perfect fall getaway.

We fly this afternoon from Vancouver to Kelowna and stay overnight at the Best Western.

Meals included: Breakfast, Lunch

Accommodation: The Marriott Hotel

Day 3: Sunday, September 13

The **Brooks Aqueduct** was completed in 1914 to carry irrigation water across a valley and was the largest concrete structure of its kind in the world at the time. Long abandoned, it is now a National Historic Site. We continue east into Saskatchewan and stay two nights at the Resort at Cypress Hills.

Meals included: Lunch, Dinner

Accommodation: The Resort at Cypress Hills Resort

Day 4: Monday, September 14

A local naturalist conducts a six-hour tour of the unique ecosystem protected by the **Cypress Hills Inter-Provincial Park**. Its altitude of 1,392 metres (highest point in Saskatchewan) and the lack of glaciation during the last Ice Age has fostered unique flora and fauna which are explained and if possible, shown during our tour. We visit Fort Walsh (subject to fall operating hours), founded as a Northwest Mounted Police post in 1875.

Meals included: Breakfast, Lunch

Accommodation: The Resort at Cypress Hills

Day 5: Tuesday, September 15

We follow rural roads into the Milk River Valley and **Writing-on-Stone Park**. It contains the greatest concentration of rock art on the North

American Great Plains with 50 petroglyph sites and thousands of individual works, some as old as 9,000 years. To protect these precious artifacts, an expert interpreter accompanies all visitors and our program lasts about two hours.

Meals included: Breakfast, Lunch

Accommodation: Best Western

Day 5: Wednesday, September 16

This morning, we admire the colours and tranquility of Nikka Yuko Japanese Gardens in Lethbridge and experience the traditional Tea Ceremony. Later, we visit **Head-Smashed-In Buffalo Jump**, designated a UNESCO World Heritage Site as it is one of the oldest, largest and best-preserved buffalo jumps in the western plains. We continue to **Waterton Lakes National Park**. In 1932, the park was joined with Montana's Glacier National Park to form the Waterton-Glacier International Peace Park, a world first. The summer 2017 forest fires devastated parts of Waterton and destroyed the visitor centre, but a new one will open in 2021.

Meals included: Breakfast, Dinner

Accommodation: Bayshore Inn

Day 6: Thursday, September 17

First, we enjoy a scenic **Waterton Lake cruise** for two hours.
