AUTUMN IN ROCKY MOUNTAIN LUXURY

Celebrate beauty and friendship in the majesty of the Canadian Rockies as travellers have been doing for well over a century. The Grand Trunk Pacific Railway built a tent camp here in 1915 to serve its first-class rail passengers. By 1923, the Canadian National Railway had taken over, and built bungalows and a main lodge building which was said to be the largest single-level log structure in the world. It was destroyed by fire in 1952. Jasper Park Lodge set new high standards for accommodation and hospitality in the wilderness. Many celebrities have stayed, including Bing Crosby, John Travolta, the Kennedys, and Marilyn Monroe. It is a favourite with the Royal Family, and Queen Elizabeth and Prince Philip were last here in 2005.

TOUR NOTES

The main building of Jasper Park Lodge has the lobby, dining rooms, lounge, activity rooms, pool, shops, and a few bedrooms available to guests in wheelchairs or with significant mobility challenges. You are staying in rooms located around the extensive parklike grounds in individual cabins, duplexes, or small motel-like buildings. Junior suites may offer a lake view, but Fairmont and deluxe categories do not have a lake view. Most rooms are a 5-10 minute leisurely walk to the main building but, if you prefer not to walk, a very efficient shuttle service operates on request from your room to the main building and back. If you qualify for a room in the main building, we can ask about availability at the time of booking.

Please note that Fairmont rooms, deluxe rooms and junior suites are NOT in the main lodge building.

 **Activity Level 1:** Light activity including short distances to walk and some stairs. See the accommodation note above regarding location of Jasper Park Lodge rooms. Your room is not located in the main building. The coach cannot carry a scooter. If you are not able to participate in Activity Level 1, Wells Gray Tours recommends that you bring a companion to assist you. The tour director and driver have many responsibilities, so please do not expect them, or your fellow travellers, to provide ongoing assistance. If you are not capable of keeping up with the group or require frequent assistance, the tour director may stop you from participating in some activities or some days of the tour.

TOUR 30 This is a Tour 30 departure, meaning capacity of the tour is limited to 30 participants or less, a more intimate travel experience.
