ITINERARY

Day 1: Tuesday, June 15

We fly from Vancouver to Toronto, then connect to **Deer Lake** in western Newfoundland.

Accommodation: Holiday Inn Express

Day 2: Wednesday, June 16

First, we visit the **Insectarium** which displays thousands of insect species (mounted and live) along with a butterfly conservatory and beehive. The remote **Viking Trail** ranks among the most scenic highways in Eastern Canada because it is bounded by the Gulf of St. Lawrence to the west and the barren Long Range Mountains to the east. **Gros Morne National Park**, a UNESCO World Heritage Site, protects a wilderness of deep fjords and coastal beaches. We take a short walk with a Parks Canada ranger who talks about the remarkable ancient tablelands. Next, we take a water taxi to visit the **Norris Point Marine Station** which is a marine ecology research and teaching facility noted for its wonderful aquarium. We stay two nights at two small hotels in Norris Point.

Meals included: Breakfast, Dinner

Accommodations: Neddies Harbour Inn and Sugar Hill Inn

Day 3: Thursday, June 17

A wonderful experience is the **Bonne Bay boat tour** which provides views of the Gros Morne tablelands. Newfoundland's traditional welcome is arranged on the boat with a Screech-in Ceremony. Do you dare to kiss the cod? With the benefit of a Parks Canada interpreter, we explore **Green Point Geological Site** which protects an intriguing sequence of layered rocks. Almost 500 million years ago, these rocks formed on the bottom of an ancient ocean and geologists have discovered fossils that define the boundary between the Cambrian and Ordovician periods, making Green Point a world geological benchmark. Near Rocky Harbour, we visit **Lobster Cove Head Lighthouse**, built in 1897 and still flashing its warning light across the Gulf of St. Lawrence.

Dinner is in Rocky Harbour, followed by the **Anchors Aweigh** show where a band of five talented musicians present renditions of popular Newfoundland songs and tunes, sprinkled with one-liners and wit.

Meals included: Breakfast, Dinner

Accommodations: Neddies Harbour Inn and Sugar Hill Inn

Day 4: Friday, June 18

Western Brook Pond is one of Newfoundland's best-known attractions, yet its name hardly does justice to this awesome fjord cut deep into the tablelands of Gros Morne. The lake is 16 km long and our two-hour cruise passes 600-metre high cliffs and many cascading waterfalls.

Note: There is a level walk of 2.7 km each way (45 to 60 minutes) from the parking lot to the boat dock. Those who are unable to do this walk can be dropped off at the motel.

We stay overnight in Cow Head. Tonight, we have tickets to attend a show at Theatre Newfoundland's **Gros Morne Festival**.

Meals included: Breakfast, Lunch, Dinner

Accommodation: Shallow Bay Motel

Day 5: Saturday, June 19

We continue along the Viking Trail, admiring more splendid coastal scenery. We stay two nights in **St. Anthony** near the tip of the Northern Peninsula. Entertainment this evening is provided by Wade Hillier who re-enacts the Viking saga of the discovery of Newfoundland.

Meals included: Breakfast, Dinner

Accommodation: Hotel North

Day 6: Sunday, June 20

We visit **L'Anse aux Meadows National Historic Site** and examine the reconstructed sod houses and artifacts from Leif Eriksson's Viking expedition to "Vinland" about the year 1000. This afternoon, we tour the home of Dr. Wilfred Grenfell, founder of **Grenfell Mission**, and view the Jordi Bonet Murals at the hospital.

Meals included: Breakfast,

Accommodation: Hotel North

Day 7: Monday, June 21

We retrace our route along the Viking Trail to **Deer Lake**, stopping at the Arches to see the waves eroding the seashore and Broome Point to learn about the Newfoundland fisherman's lifestyle.

Meals included: Breakfast, Lunch, Dinner

Accommodation: Holiday Inn Express

Day 8: Tuesday, June 22

Leaving Deer Lake, we follow the Trans-Canada Highway east. We visit the Flying Boat Museum in **Botwood**, the town where the giant Pan American clippers landed and refuelled in the 1930s during trans-Atlantic flights. **Gander** was once the largest airport in the world and, throughout the 'Jet Age' of the 1950s and 1960s, European flights stopped here for fuel. A local person meets us to talk about Gander's role as host to thousands of air travellers who were grounded on September 11, 2001, the story told by the popular musical, *Come From Away*. The Gander Aviation Museum has an amazing collection of aircraft. We also pause at the Silent Witness Memorial which commemorates the Arrow Air crash of 1985. We stay one night in Gander.

Meals included: Breakfast, Lunch

Accommodation: Sinbad's Hotel

Day 9: Wednesday, June 23

We drive to the north coast at **Twillingate**. Stops are made at the Prime Berth Fishing Museum where we experience the gregarious personalities and lifestyles of the Newfoundland fishermen, and the **Beothuk Centre** which interprets these vanished native people and their culture. The north coast is known for **icebergs** that have floated from Greenland, so we take a two-hour boat excursion which hopefully can approach one of these amazing ice giants.

Meals included: Breakfast, Lunch

Accommodation: Anchor Hotel, Twillingate

Day 10: Thursday, June 24

Today's drive passes through pastoral **Terra Nova National Park**. From the visitor centre, you can take short walks along the shore of Newman

Sound or part of the Goowiddy loop. We stay two nights in nearby Clarenville.

Meals included: Lunch, Dinner

Accommodation: Quality Hotel

Day 11: Friday, June 25

The day is devoted to exploring the **Bonavista Peninsula**, one of Newfoundland's iconic places as noted by the poetic line "From Bonavista to Vancouver Island" in *This Land is Your Land*. We visit the **Cape Bonavista Lighthouse** which operated from 1843 until 1962 and is now a museum dedicated to the lifestyle of a lightkeeper. Next is **Ryan Premises National Historic Site** which operated as a retail store and cod exporter from 1857 to 1978. Nearby is Ye Matthew Legacy, a re-creation of John Cabot's 1497 ship. A stop in **Trinity Bay** is also included today.

Meals included: Breakfast, Lunch

Accommodation: Quality Hotel

Day 12: Saturday, June 26

Newfoundland is known for some wonderful place names and today we follow the **Baccalieu Trail** through villages such as Heart's Content, Heart's Desire, and Heart's Delight. As if those aren't romantic enough, how about Cupids, Harbour Grace, and even Dildo? We explore the Wooden Boat Museum and the Cable Station which was the western terminus of the Trans-Atlantic cable from 1866 to 1965. We continue across the farmlands of the Avalon Peninsula and stay three nights in downtown **St. John's**.

Meals included: Breakfast, Lunch

Accommodation: Delta St. John's Hotel

Day 13: Sunday, June 27

A morning tour with a local guide visits the historic **Cabot Tower** atop Signal Hill where Marconi received the first Trans-Atlantic wireless message in 1901. We also see the Confederation Building, the colourful "Jellybean Houses", and Quidi Vidi Battery. An exciting experience is standing at the most easterly point in North America, **Cape Spear**, graced by two historic lighthouses.

Accommodation: Delta St. John's Hotel

Day 14: Monday, June 28

The morning is leisure time. The afternoon features a **puffin & whale watching cruise** in the Witless Bay Ecological Reserve. With 2.5 million seabirds including 500,000 pairs of Atlantic Puffins, this reserve offers amazing opportunities to see and photograph the birds, and these waters are also one of the best feeding areas for whales in

Atlantic Canada. Tonight is our farewell gathering featuring a **traditional Jiggs Dinner**, also called a scoff or a feast. It is an opportunity to reminisce about our journey across Newfoundland.

Meals included: Dinner

Accommodation: Delta St. John's Hotel

Day 15: Tuesday, June 29

We fly from St. John's via Toronto to Vancouver.

UNTOUCHED AND UNSPOILED WITH PLENTY OF BREATHING ROOM

As Newfoundlanders and Labradorians are fond of saying, this place is about as far from Disneyland as you could possibly get. And yet, we think you will find that it competes as one of the happiest places on earth. The people are extremely proud of their province — Labrador on the mainland and the island of Newfoundland — and are very resilient. Economic hardship has often plagued this land, and yet the people endure and thrive in spite of it, most often with great joy. The natural wonders here are unparalleled, with stark rugged landscapes warmed by a thousand kilometres of shoreline. The history is vibrant, full of stories of adventure and global events and ordinary people doing extraordinary things. This is a journey of popular sights and off the beaten path places, but an experience not soon forgotten.

Celebrate your arrival in Newfoundland with a Screech-In Ceremony during the Bonne Bay cruise. Walk on 500 million year old rocks at Green Point. Admire the soaring cliffs above Western Brook Pond. Be humbled by history at L'Anse aux Meadows, settled by the Vikings about a thousand years ago. Explore two national parks, Gros Morne and Terra Nova, and several national historic sites. Learn about the Newfoundland fishery at Broome Point and Prime Berth Museum. Enjoy local entertainment on four evenings. Take boat excursions close to an iceberg at Twillingate and watch thousands of puffins, other seabirds, and whales near St. John's. Stand on Signal Hill where the first trans-Atlantic wireless message was received in 1901, and look out over the Atlantic from Cape Spear, North America's easternmost point.

The first Wells Gray tour of Newfoundland Only (other than the 2020 tour which had to be postponed due to Covid-19) will be 2 weeks before this one. This departure was added when the first one sold out quickly. Our Maritimes & Newfoundland tour has been an annual event since 1978, but this tour provides an in-depth discovery of Canada's easternmost province. It is an amazing experience amid the wonders of Atlantic Canada.

TOUR NOTES

- This unique tour has many experiences on the Island of Newfoundland, but does not visit Labrador.
- Tour is limited to 30 travellers, due to the smaller hotels along the route.
- Expect some hotels to have 3-star ratings (not luxurious). Your 3-night stay in St. John's at the Delta Hotel is the best accommodation. Some communities only have one place to stay such as at Cow Head and Twillingate, and at Norris Point, our group is split among two small inns. Finding available and suitable hotels has dictated this itinerary.

This is a Tour 30 departure meaning the tour is limited to 30 participants, a more intimate travel experience.

Activity Level 2: Moderate activity which could include walking up to 1 km over uneven surfaces, stairs, beaches, and some trails. The walk to the boat dock for the Western Brook Pond cruise is 45 minutes or 2.7 km each way along a wide level trail; you can be dropped off at the hotel in Cow Head if you prefer not to do this trip, but it is a truly spectacular boat excursion.

Most hotels on this tour do not have elevators. The coach cannot carry a scooter. There are many stops during this tour and you must be able to get on and off the coach by yourself without delaying your fellow travellers. There can be long walks in some airports; request a cart or wheelchair in advance or at check-in if this could be an issue. If you are not able to participate in Activity Level 2, Wells Gray Tours recommends that you bring a companion to assist you. The tour director and driver have many responsibilities, so please do not expect them, or your fellow travellers, to provide ongoing assistance. If you are not able to keep up with the group or require frequent assistance, the tour director may stop you from participating in some activities or some days of the tour. In extreme situations, you may be asked or required to leave the tour and travel home at your own expense; travel insurance will probably not cover you.
