VANCOUVER ISLAND FROM TOE TO TIP

May 17, 2021 – 8 Days

Explore one of the world's great islands from end to end

Vancouver Island is the 11th largest island in Canada, stretching 460 km from the Strait of Juan de Fuca to Queen Charlotte Sound. Named for Captain George Vancouver who explored B.C.'s coast in 1792, the island has great diversity ranging from the capital city of Victoria to remote mountain peaks in Strathcona Park, and from the wild wind-lashed beaches of the west coast to the sandy expanse of Rath Trevor Beach. Only a handful of people have travelled from toe to tip and experienced both ends of Vancouver Island: Race Rocks off Victoria and Cape Sutil (not Cape Scott) north of Port Hardy. There are no roads to either place, so we have chartered vessels to get you there. A third boat excursion is on *MV Frances Barkley* on its scheduled sailing to the village of Bamfield in Barkley Sound. In between the toe and tip, there is so much to see and do on the Island that a month would not be long enough, but we have picked some highlights for this 8-day tour that are well-known and less-known. Come and explore Vancouver Island!

Whale watching near Race Rocks

ITINERARY

Day 1: Monday, May 17

A transfer is arranged to get you to the Coast Harbourside Hotel, then we take a boat excursion with Orca Spirit Adventures looking for whales off the coast of Victoria. Another reason is to cruise past the southernmost point of Vancouver Island (the toe) at **Race Rocks**. This protected area is home to plenty of marine wildlife and birds, and is dominated by a lighthouse built in 1860. Later, we visit one of Victoria's lesser-known beauty spots, **Abkhazi Garden**. This was the home of Prince Nicholas Abkhazi and his wife Peggy who came to Canada from Georgia (Russia) in 1946 and created these gardens with majestic trees and a dramatic location.

A traditional Afternoon Tea is served in their modest home.

Meals included: Tea

Accommodation: Chateau Victoria

Day 2: Tuesday, May 18

We start our journey up Vancouver Island and, during the next week, enjoy unique experiences along the entire 460-kilometre length of one of the world's great islands. We follow the scenic Malahat Drive north, passing through Nanaimo. Take a stroll on the broad, sandy **Rathrevor Beach** at Parksville. We stay overnight at the **Kingfisher Oceanside Resort**, nestled in a coastal forest near Courtenay. All our rooms offer wonderful ocean views. You may want to savour the luxury of the Pacific Mist Spa where therapies focus on the rich ingredients of the sea, leaving you feeling completely relaxed and renewed.

Meals included: Breakfast, Lunch, Dinner

Accommodation: Kingfisher Resort

Day 3: Wednesday, May 19

We stop at the Campbell River Museum which offers an interesting film about the Ripple Rock explosion in 1958. We continue north on the Island Highway and stay two nights in **Port McNeill**.

Meals included: Breakfast, Lunch

Accommodation: Haida Way Motor Inn

Day 4: Thursday, May 20

We board the 17-metre **Naiad Explorer** at Port McNeill for a five-hour private charter looking for orca and minke whales, Pacific white-sided dolphins, Dall's porpoises, Steller sea lions, and a great variety of sea birds. The vessel is equipped with a hydrophone (an underwater microphone), so we can listen to the whales' vocalizations. The trip is hosted by the Mackay family who are pioneers in the whale watching industry. With a cruising speed of 30 knots, the *Naiad* is a very fast vessel and is capable of travelling great distances in a day. The voyage goes past Port Hardy at the end of the Island Highway, then through Goletas Channel to **Cape Sutil**. This is the northernmost tip of Vancouver Island where the Pacific Ocean meets Queen Charlotte Strait. Although less known than Cape Scott (the northwest point of the island), Cape Sutil is the appropriate destination of a tour like this that travels Vancouver Island from toe to tip. Cape Sutil was first mapped in 1792 by the Spanish captains Galiano and Valdes, and named for their ship. The *Naiad* also explores the shores of Hope Island and Nigel Island before returning to Port McNeill.

Meals included: Breakfast, Lunch

Accommodation: Haida Way Motor Inn

Day 5: Friday, May 21

Having reached the north tip of Vancouver Island, we start heading south with some different experiences included. There is a shopping opportunity at unique **Coombs Market**, known for its goats grazing on the roof, and we take a walk to see Little Qualicum Falls. We stay two nights in

Port Alberni and, after arrival, a local guide leads a driving and walking tour.

Meals included: Breakfast, Lunch

Accommodation: Best Western Barclay Inn

Day 6: Saturday, May 22

On board the *MV Frances Barkley*, we cruise 40-km long Alberni Canal, the longest fjord on Vancouver Island. After it widens into Barkley Sound, the ship weaves through a maze of little islands, some protected by Pacific Rim National Park. We dock at **Bamfield** for an hour, giving time to explore the historic buildings. The cable station, designed by Francis Rattenbury, opened in 1902

when Bamfield became the terminus for the trans-Pacific telegraph cable. The *Frances Barkley* is a heritage vessel, built in Norway in 1958, then she sailed through the Panama Canal in 1990 to her new home. There she joined the famous *Lady Rose* (now retired) providing service to Bamfield, Ucluelet, and Barkley Sound. Today's cruise leaves Port Alberni at 8 am and returns at 5 pm.

Meals included: Breakfast, Lunch, Dinner

Accommodation: Best Western Barclay Inn

Day 7: Sunday, May 23

We return to the east coast of Vancouver Island, stopping at **Cathedral Grove** for a stroll among towering trees and at Englishman River Falls. On arrival in Chemainus, browse the shops and admire the colourful murals. Enjoy the sumptuous buffet dinner at **Chemainus Theatre**, followed by the evening show. The 2021 season will be announced in November.

Meals included: Breakfast, Lunch, Dinner

Accommodation: Chemainus Festival Inn

TOUR NOTES

Activity Level 2: Moderate activity on some days including short distances to walk and some stairs or gangways getting on and off the three vessels. There are optional walks at Little Qualicum Falls, Cathedral Grove, and Englishman River Falls, all fairly level. The ramps to the boat docks may be steep at low tide. There is no elevator to the second floor at Haida Way Motor Inn. Seeing everything mentioned in this itinerary requires participation at Activity Level 2. There are many stops during this tour and you must be able to get on and off the coach by yourself without delaying your fellow travellers. The coach cannot carry a scooter. If you are not able to participate in Activity Level 2, Wells Gray Tours recommends that you bring a companion to assist you. The tour director and driver have many responsibilities, so please do not expect them, or your fellow travellers, to provide ongoing assistance. If you are not capable of keeping up with the group or require frequent assistance, the tour director may stop you from participating in some activities or some tour days. In extreme situations, you may be required to leave the tour and travel home at your own expense; travel insurance will probably not cover you.

Maximum 32: This tour is limited to 32 travellers due to the capacity of the Cape Sutil vessel.
