

# SCOTLAND HIGHLANDS & ISLANDS

August 10, 2021 – 19 Days

*Edinburgh Tattoo, Orkney Islands & Skye*

Scotland is renowned for its rich heritage, its passionate people, and its contribution to the world past and present. Scottish culture has spread across the globe through emigration, and about 40 million people worldwide identify themselves as Scottish. Those whose ancestry reaches back to the land of Robert the Bruce, Sir Walter Scott, and Sir Sean Connery hold strong to the traditions and characteristics of the people. There are so many recognizable Scottish icons: Gaelic, tartans, kilts, whisky, thistle, bag pipes, Robbie Burns, St. Andrews, and the Stone of Destiny. Far and wide, most Scots are fiercely proud to claim these as their own. Wells Gray Tours is excited to be offering this encompassing yet leisurely journey, our 5<sup>th</sup> tour to Scotland, that delves into the diverse land, history, and personalities of this remarkable country.

## ITINERARY

### Day 1: Tuesday, August 10

Meet the BC Interior and Victoria travellers at Vancouver Airport, then we fly on KLM to Amsterdam in late afternoon.

**Accommodation:** Overnight flight

### Day 2: Wednesday, August 11

We change planes in Amsterdam and arrive in Glasgow in late afternoon. **Welcome to Scotland!** Our Scottish guide and driver meet us at the airport, then we drive about an hour east to Edinburgh for a three-night stay.

**Meals included:** Dinner

**Accommodation:** Crowne Plaza Royal Terrace

### Day 3: Thursday, August 12

A local guide is with us today for an extended tour of **Edinburgh**. Its magnificent architecture ranges from the lofty buildings of its medieval Old Town along the Royal Mile, to the graceful houses of the Georgian New Town. Overlooking it all, **Edinburgh Castle** dominates the city skyline. Built in the 12<sup>th</sup> century, it has been a royal residence and central to many historic conflicts right up to the 1745 Jacobite Rising. We take a tour through the castle which includes three military museums and St. Margaret's Chapel.

**Meals included:** Breakfast

**Accommodation:** Crowne Plaza Royal Terrace

### Day 4: Friday, August 13

We board the **Royal Yacht Britannia**, now permanently moored in Edinburgh after decades of service to Queen Elizabeth and the Royal family. Veteran of 968 official voyages, *Britannia* sailed over 1½ million km and accompanied the Royals on many of their most memorable state tours. The afternoon is leisure time and you can use your **Scotland Explorer Pass** to visit several other included attractions. Tonight, we return to Edinburgh Castle where we have reserved seats at the renowned **Edinburgh Military Tattoo**. It is ranked as one of the most spectacular shows in the world, featuring 1,000 performers in a

whirling, colourful, and breathtaking kaleidoscope of music, dance, and display. The haunting tunes of *Skye Boat Song* and *All the Blue Bonnets* are played against the backdrop of the castle ramparts and the twilight, truly a memorable experience for our Scotland tour.

**Meals included:** Breakfast, Lunch

**Accommodation:** Crowne Plaza Royal Terrace

### Day 5: Saturday, August 14

We journey west from Edinburgh with a stop at the giant **Kelpies Sculpture** of two horse heads. Nearby, we take a cruise on the Forth & Clyde Canal using the unique **Falkirk Wheel**. This engineering marvel is the only rotating boatlift in the world, and raises vessels 24 metres to the Union Canal. We continue to **Bannockburn Battlefield** where, in 1314, King Robert the Bruce routed the forces of King Edward II to win freedom for the Scots from English domination. We stay two nights in Stirling.

**Meals included:** Breakfast, Dinner

**Accommodation:** Hotel TBD

### Day 6: Sunday, August 15

This morning, we explore **Stirling Castle**, one of Scotland's grandest due to its imposing hilltop location and impressive architecture. Construction started in the 14<sup>th</sup> century and it has been important to Scottish history since then, enduring 16 sieges and presiding over three major battles. In the afternoon, we visit the **National Wallace Monument**, a tower standing atop Abbey Craig

with a panoramic view over the Ochil Hills and the Forth Valley. It commemorates Sir William Wallace, a 13<sup>th</sup>-century Scottish hero. The 67-metre tower was completed in 1869 and there is a spiral staircase with 246 steps to reach the viewing gallery.

**Meals included:** Breakfast

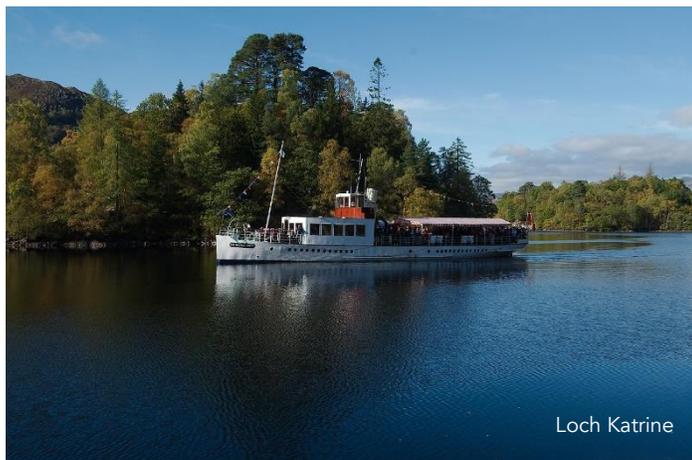

**Accommodation:** Hotel TBD

### Day 7: Monday, August 16

Today is devoted to **Trossachs National Park** where the magnificent landscape has fired the imagination of writers and artists for centuries. It embraces the deep waters of Loch Lomond and Loch Katrine, the wild glens of the Trossachs, and the Breadalbane Hills. We enjoy a cruise on **Loch Katrine** which was the fictional setting of Sir Walter Scott's poem *The Lady of the Lake* and the Rossini opera, *La Donna del Lago*. Near Perth, we visit **Scone Palace** (pronounced *Scoon*) which was built in the 12<sup>th</sup> century as an abbey, then expanded and renovated in the early 19<sup>th</sup> century. It has been the home of the Earls of Mansfield for over 400 years. Since at least the 9<sup>th</sup> century, Scone has been the crowning-place of the Kings of Scots and home to the **Stone of Scone**, also called the Stone of Destiny.

**Meals included:** Breakfast, Lunch, Dinner

**Accommodation:** Dunkeld House Hotel

### Day 8: Tuesday, August 17

We travel through the Grampian Mountains in **Cairngorms National Park** with a stop at Highland Folk Museum. Founded in 1935, the collection preserves the living and working conditions of

the Highlands people. Afterwards, taste the superb whisky at a **distillery** and buy a bottle directly from the producer. We stay two nights in Inverness.

**Meals included:** Breakfast, Dinner

**Accommodation:** Best Western Palace Hotel

### Day 9: Wednesday, August 18

Culloden Moor was the scene of the last major battle fought in Britain, an iconic site in Scotland. The **Culloden Battle of 1746** ended the Jacobite chances of restoring the exiled Stuart dynasty to the throne of Britain. Government forces led by the Duke of Cumberland crushed the army of Prince Charles Edward Stuart (Bonnie Prince Charlie) in an hour. No trip to Scotland would be complete without a cruise on legendary **Loch Ness**, home of the famous inhabitant Nessie. Learn all about the sightings and speculation as we watch the sonar and cruise this mysterious lake. At 37 km long, 1½ km wide, and 220 metres deep, Loch Ness contains enough water to fill every lake and river in England. The cruise travels

from Dochgarroch at the outlet of Loch Ness to **Urquhart Castle**. It was built on the lakeshore starting in the 13<sup>th</sup> century and much of it was destroyed in 1692. There is time to stroll around the ruins, then we return to Inverness by coach.

**Meals included:** Breakfast, Lunch

**Accommodation:** Best Western Palace Hotel

### Day 10: Thursday, August 19

Heading north, we cross Moray Firth, then travel along Cromarty Firth and Dornoch Firth. We tour **Dunrobin Castle** which dates to the 14<sup>th</sup> century and has a magnificent setting with a view across the North Sea. With 189 rooms, it is the largest

house in the Highlands. We stay overnight in **Thurso**, a village on Scotland's north coast.

**Meals included:** Breakfast, Dinner

**Accommodation:** Station Hotel

### Day 11: Friday, August 20

We ride the ferry from Thurso for 1½ hours to Stromness on **the Orkney Islands**. Over 70 islands make up the archipelago of the Orkneys, a beautiful land shaped by the sea. The climate is mild, the soil is fertile, and the people have a fondness for folklore. Orkney contains some of the oldest and best-preserved Neolithic sites in Europe, and the heart of the main island is a designated UNESCO World Heritage Site. Today, we explore these fascinating islands with a local guide, and visit some of the most famous sites such as the Standing Stones of Stenness, the burial chamber at **Maes Howe** dating to 2800 BC, the dramatic white beach of the Bay of Skail, and the Ring of Brodgar. **Skara Brae** is over 5,000 years old and the best preserved Neolithic village in northern Europe; it was exposed by a storm in 1850 and is still being excavated.

**Meals included:** Breakfast, Dinner

**Accommodation:** Orkney Hotel

### Day 12: Saturday, August 21

We spend the morning in Kirkwall seeing the Churchill Barriers, the Italian Chapel, and the adjacent **Bishop's and Earl's Palaces**, both in ruins. Kirkwall is on the shore of Scapa Flow, one of the world's greatest natural harbours, which was a strategic naval base during World War I and II.

**Meals included:** Breakfast, Dinner

**Accommodation:** Orkney Hotel

### Day 13: Sunday, August 22

We ride the ferry back to Thurso, and drive the scenic winding road along the north coast of mainland Scotland. **Smoo Cave** was formed by the eroding action of the ocean and a river, and we take a walk through several large chambers. The museum in Ullapool has exhibits about crofting, fishing, the "klondykers", the ship Hector, and the Melville pistols.

**Meals included:** Breakfast, Dinner

**Accommodation:** Ullapool TBA

### Day 14: Monday, August 23

We admire stunning scenery during the drive along the rugged west coast through a remote section of the Scottish Highlands. **Inverewe Gardens** was created from barren land in 1862 by Osgood Mackenzie and over the next 60 years he collected exotic plants from all over the world to nurture in this remarkable botanical garden. We continue to **Eilean Donan Castle**, built on a small island in the 13<sup>th</sup> century and extensively restored 100 years ago. We stay two nights in Balmacara on the shore of Lochalsh with views across the water to Skye.

**Meals included:** Breakfast, Lunch, Dinner

**Accommodation:** Balmacara Hotel

### Day 15: Tuesday, August 24

True romantics pack their bags and head 'Over the Sea to Skye' according to the poem, often said to be the most enchanting region of Scotland. After crossing the bridge at Kyle of Lochalsh, we tour the **Isle of Skye**, through the imposing Cuillin Hills, among pastures where Highland

cows graze, to the small fishing town of Portree with its pastel-coloured houses lining the harbour. Marvel at Kilt Rock where 70-metre high cliffs are marked in an almost tartan-like pattern by the rock strata and a waterfall tumbles to the pebbled shore below. A highlight is **Dunvegan Castle**, perched on a seaside rock and still in the same family after 850 years.

**Meals included:** Breakfast, Dinner

**Accommodation:** Balmacara Hotel

### Day 16: Wednesday, August 25

At the south end of Skye, we stroll through the lovely **Armada Gardens** which are still maintained even though the adjacent Armadale Castle is in ruins. We say farewell to Skye as we ride the ferry to Mallaig on the mainland. One of the icons of Scotland is the **Jacobite Steam Train**, an exciting and awesome two-hour excursion from Mallaig to Fort William, passing Loch Eil and Loch Morar. The Jacobite's engine and several carriages became the **Hogwarts Express** in the Harry Potter films and we even cross the 21-arch Glenfinnan Viaduct.

**Meals included:** Breakfast, Dinner

**Accommodation:** Ben Nevis Hotel

### Day 17: Thursday, August 26

Dominating Fort William is **Ben Nevis**, the highest mountain in Britain at 1,335 metres. Today, we travel through the grandeur of **Glencoe**, hearing the tale of the 1692 Massacre of Glencoe. Myths, mysteries and movies are all now part of the fabric of this magical valley. This afternoon, we stop at **Inveraray Castle** on the shore of Loch Fyne. Construction started in 1743 when it was one of the earliest examples of Gothic Revival architecture, and it has been the seat of the Dukes of Argyll since then. Heading into Glasgow, we drive along the "bonnie bonnie banks o' Loch Lomond."

**Meals included:** Breakfast, Lunch

**Accommodation:** Glasgow Argyle Hotel

### Day 18: Friday, August 27

**Glasgow** is Scotland's largest city and has a strong industrial past, but is noted for its reinvention and transformation. The historic city sees its future in the service industries such as tourism and conventions. Glasgow has received many prestigious awards, including the impressive title of UK City of Architecture and Design. During a tour around Glasgow, we visit St Mungo's Cathedral and **Kelvingrove Art Gallery**, and savour a delicious afternoon tea. Our farewell dinner is a chance to reminisce about the amazing sights we have seen during our journey around Scotland.

**Meals included:** Breakfast, Dinner

**Accommodation:** Glasgow Argyle Hotel

### Day 19: Saturday, August 28

Our flight on KLM leaves Glasgow in mid-morning. We change planes in Amsterdam and arrive in Vancouver about 4 pm.

**Meals included:** Breakfast

## TOUR NOTES

**Tour director & guides:** A Wells Gray tour director accompanies you throughout the tour. A Scottish guide is with you for 17 days in Scotland. Local guides are hired for some cities to provide in-depth commentary and a regional insight.

**Passport:** A passport is required for this tour and must be valid until your return to Canada. A Canadian citizen does not require a visa to enter the United Kingdom.

**Fare and tour changes:** As this tour has been planned 10 months in advance, changes to air taxes, departure fees, currency exchange, and other costs (either up or down) could occur, in which case the tour fare will be adjusted. Please note that with the current low fuel costs, the airline can add a fuel surcharge if costs start rising, even after your final payment, and we must collect those extra costs from you. Hotels named in the itinerary could change, but substitute accommodation will be of similar or better quality.

**Currency & Expenses:** The currency in Scotland is the British Pound and, as of September 2020, a Canadian dollar is worth about £0.58. You should order pounds from your bank 1-2 weeks before departure, or plan to use ATMs. Credit cards are accepted almost everywhere. Costs for meals and attractions you choose yourself are generally higher than in Canada.

**Gratuities:** The customary gratuities to the Scottish guide, local guides, and coach drivers are included in the tour fare. The gratuities to the Wells Gray tour director and Canadian drivers are not included and are left to your discretion.

**Flight** is booked with KLM Airlines from Vancouver via Amsterdam to Glasgow and same route returning. It is possible to stay longer and return independently; please enquire at time of booking, but note that you need to make your own way home from Vancouver airport. You can also ask about current prices for upgrades on the flights between Vancouver and Glasgow. Premium economy and business class may be available.

**Hotels:** There are no luxury hotels outside of Glasgow and Edinburgh. Many hotels are rated 3 stars and those on the Orkneys and in Ullapool are generally rated as 2-3 stars. Expect basic accommodations.

**Important Tour Information:** This information letter will be provided at final payment and will include many helpful details about your tour.

This is a Tour 25 departure, meaning the tour is limited to 25 participants, offering a more intimate travel experience.

Rooms in some hotels may be reached by some stairs after riding the elevator. Sometimes the coach cannot drive all the way to an attraction. There can be longer walks in the airports, so you should request a wheelchair in advance or at check-in if this could be an issue for you. There are many stops during this tour and you must be able to get on and off the coach by yourself without delaying your fellow travellers. The coaches cannot carry a scooter. If you are not able to participate in Activity Level 2, Wells Gray Tours recommends that you bring a companion to assist you. The tour director, Scottish guides, and drivers have many responsibilities, so please do not expect them, or your fellow travellers, to provide ongoing assistance. Please consider all these mobility issues prior to booking this tour. Seeing everything mentioned in this itinerary requires participation at Activity Level 2. If you are not capable of keeping up with the group or require frequent assistance, the tour director may stop you from participating in some activities or some tour days. In extreme situations, you may be required to leave the tour and travel home at your own expense; travel insurance will probably not cover you.
