# Merry Christmas

FROM ALL OF US AT WELLS GRAY TOURS

My annual Christmas message is rather different this year. When I looked at what I wrote a year ago, it is quite amazing how our lifestyle has changed and nobody had any inkling of what was in store for us during 2020. Anne and I enjoyed a January cruise, then like most of you we stayed close to home for the next 10 months.

We flew to Honolulu for our cruise and stayed two nights at an Outrigger hotel. We took the historical tour of Pearl Harbor and the scenic drive around Oahu, then we boarded NCL's *Pride of America* for a relaxing seven-day cruise. We stopped at three other islands and enjoyed shore excursions at each one, dined in superb restaurants on the ship, and attended several lively shows. We are now planning this cruise for January 2022 as a wonderful winter getaway.

Our next trip was supposed to be our President's Cruise in June on the Danube going upstream from the Black Sea to Budapest. Anne and I look forward each year to hosting customers at social events on board. Unfortunately, Covid forced the cancellation of this tour and everything else from mid-March to early September. It has been rescheduled to June 2021 and there are currently a few seats open. River cruising is so different from ocean cruising and, if you haven't tried it, you should go. With only 120 people on board, the experience is intimate and the scenery along the river shores is always enticing.

Anne and I are usually travelling for several weeks each summer, so this year was a pleasant change, being able to enjoy our cabin next to Wells Gray Park almost every weekend. I organized several hikes with our local outdoor club to visit the alpine meadows of Raft and Trophy Mountains during the midsummer floral bloom.

Our Wells Gray Gateway Guesthouse is normally booked solid with international guests, but that couldn't happen this year. Instead, I made it available to our employees, so they could come and enjoy the park and hike its many trails. Most of our staff know Wells Gray Park very well now and can tell you about their favourite places.

Fraser has completed 60 tours for 2021 and the brochures are on our website, ready for you to choose your travels. He has another 20 tours in the works for the fall and 2022. He is certainly a busy man, always thinking one to two years ahead. He is also busy outside of work hours, changing diapers and comforting little Marietta. She turned two months old on December 3<sup>rd</sup> and is such a delight. Anne and I love going over to their house for a visit when restrictions allow. I'm sure all of you who are grandparents share this joy.

Our offices are currently closed for in-person appointments while Covid restrictions are in effect, but you can easily phone us to talk about a tour. We had a successful fall, running 11 tours in BC, Alberta, and Yukon. Our customers carefully followed the safety protocols we had established. Hotels were thrilled to greet our arrival, and some said we were their first motorcoach of 2020. The growing case count in BC and the travel restrictions caused some tour cancellations. We are constantly assessing the feasibility of running some future tours. If you are booked on one of these, be assured that we will contact you as soon as a decision is made about the tour status, or if significant changes have to be made to the itinerary due to closures.

It is encouraging news that Covid vaccines will soon be available in Canada. That will start the travel industry on the road back to "normal". In the meantime, enjoy reading this *Experiences Quarterly* and start dreaming about all the exciting destinations you can visit in 2021 or 2022. From our family to yours - "Merry Christmas".

Keep exploring,

*Roland Neave*

## Holiday Recipes

### HOLIDAY WREATHS - from Alia in Victoria

*This is a super easy recipe I used to make with my Mom when I was growing up and now I'm making it with my daughter. They're a hit with people of all ages and highly addictive. Beware!*

#### Ingredients:

½ cup unsalted butter  
30 large marshmallows  
1 tsp pure vanilla extract  
green liquid food colouring  
4 cups Cornflakes  
Red M&Ms (or any small candy)  
wax paper

#### Instructions:

Lightly grease a medium saucepan and prepare large sheets of wax paper on the counter or a cookie sheet.

Melt butter over low heat in saucepan. Add marshmallows and melt over low heat, stirring constantly (5-6 mins). Remove pan from heat and whisk-in vanilla and food colouring until desired colour is achieved and well-blended. Stir in cereal and coat well. Keep mixture warm by placing saucepan in hot water.

Use lightly greased fingers to drop small (1 heaping tbsp.) mounds of mixture onto wax paper. Form mounds into wreaths with holes in centres. While still sticky, decorate with M&Ms. Place in fridge for a about 30 minutes to let them set.

### MURIEL'S ESPRESSO COOKIES - from Pam in Kamloops

*Here is one of my mom's all-time best cookie recipes she always makes at Christmas. I can't believe she's letting me share this!*

#### Ingredients:

1½ cups all purpose flour  
½ cup Dutch cocoa  
1 tbsp finely ground espresso beans  
1 cup unsalted butter (room temp)  
¾ cup confectioners' sugar  
1 tsp pure vanilla

#### Instructions:

Heat oven to 350 F with two racks evenly spaced apart. Line two baking sheets with parchment paper. Sift together flour, cocoa and espresso beans. Set aside.

In the bowl of an electric mixer fitted with paddle attachment, combine the butter, confectioners' sugar and vanilla until creamy, 3 to 4 minutes. Gradually beat the flour mixture into the butter mixture, scraping down sides of bowl twice.

Roll 2 ½ tablespoons of dough between the palms of your hand to form a ball. Place on prepared baking sheet; repeat with remaining batter, spacing cookies two inches apart. Using a dinner fork, press tines into dough, and gently press into biscuit shape. Bake until just firm to the touch, 12-15 minutes. Transfer to wire rack to cool.

DO NOT overbake. Best served with coffee and ice cream.

## VICTORIA WINTER ESCAPE

*Interior & Lower Main: February 27, 2021 – 10 days*

Many Canadians look forward to their annual winter escape to a warm and sunny place. Since we can't leave Canada, let's visit the warmest place in Canada, Victoria. In late February, the weather is usually pleasant and the daffodils may be blooming, while the BC Interior may still be buried in snow. It won't be quite the same experience as relaxing on a sunny beach or basking on the sun-bathed deck of a cruise ship, but we have organized a fantastic variety of attractions and activities to keep you entertained: whale watching, Butchart Gardens, historic and ghostly walking tours, a Chemainus dinner show, and Royal BC Museum. Stay for 9 nights in a one-bedroom suite at the downtown Chateau Victoria. Come and escape from the Interior winter.

## VANCOUVER ISLAND FROM TOE TO TIP

*Interior & Lower Mainland: May 16, 2021 – 9 days*  
*Vancouver Island: May 17, 2021 – 8 days*

Explore one of the world's great islands from end to end. Vancouver Island is the 11<sup>th</sup> largest island in Canada, stretching 460 km from the Strait of Juan de Fuca to Queen Charlotte Sound. Named for Captain George Vancouver who explored B.C.'s coast in 1792, the island has great diversity ranging from the capital city of Victoria to remote mountain peaks in Strathcona Park, and from the wild wind-lashed beaches of the west coast to the sandy expanse of Rath Trevor Beach. Only a handful of people have travelled from toe to tip and experienced both ends of Vancouver Island: Race Rocks off Victoria and Cape Sutil (not Cape Scott) north of Port Hardy. There are no roads to either place, so we have chartered vessels to get you there. A third boat excursion is on *MV Frances Barkley* on its scheduled sailing to the village of Bamfield in Barkley Sound. In between the toe and tip, there is so much to see and do on the Island that a month would not be long enough, but we have picked some highlights for this tour that are well-known and less known. August 15, 2021 – 24 days

2021 will be the 44<sup>th</sup> year that Wells Gray has offered Maritimes tours! No other company in British Columbia has organized this tour for so many years or knows Atlantic Canada better than we do. All our hotels, attractions, and restaurants are chosen carefully to ensure you have a memorable experience. Our 2021 tour stays 10 nights in Newfoundland because we strongly believe you should see this scenic province while you are touring eastern Canada. It has been a highlight of our Atlantic Canada tours since 1990. Most hotel stays are for two or three nights, so you do not have to put up with the inconvenience of repacking your suitcase every morning. A Wells Gray Maritimes tour is noted for its leisurely itinerary, many included meals and attractions, and superb hotels in great locations. ## FOUR THEMED TOWNS

*Interior, Vancouver Island, & Lower Mainland:*  
May 13, 2021 – 5 days

Washington state celebrates its cultural heritage and rich history by continuing the traditions of old. This tour visits four towns that work hard to maintain these traditions for future generations. Lynden's Dutch heritage is evident throughout the community, from the windmills to restaurants to dance groups. Poulsbo Viking Fest honours all the Scandinavian settlers who immigrated to this area and continue to celebrate their Viking heritage. Leavenworth capitalizes on its idyllic alpine setting to create the illusion of a Bavarian hamlet in the Cascade Range. Winthrop is a testament to the struggles of the wild west era of American history. All four towns are unique and show us the wonder of the melting pot that is America.

We stay three nights at the lovely Enzian Inn, located near Leavenworth's town square and convenient to the shops. ## SAN JUAN ISLANDS CRUISE

*Interior: September 12, 2021 – 5 days*

The San Juan Islands are an archipelago of 172 islands between Bellingham, Washington, and Victoria. The Islands are best enjoyed by boat, so 2½ days are devoted to cruising on the Salish Express, learning about the fascinating history and admiring the natural beauty. We weave among the islands to Friday Harbor, a delightful small town filled with interesting shops, galleries, and pubs. The ship's small size is an advantage because she can cruise through many narrow channels that are impassable to larger ships. Other highlights include a walking tour of Prevost Harbor, whale watching, and turbulent Deception Pass. We return home along the scenic North Cascades Highway. Our last night is at luxurious Sun Mountain Lodge, perched on a mountaintop above Winthrop with incredible views.
