TYAX LODGE

September 30, 2021 – 6 Days

A Fall Foliage Tour in the South Chilcotin

Escape to Tyax Lodge, a peaceful retreat on the shore of Tyaughton Lake with a fine view of snowy peaks. The lodge is one of the largest log buildings in western Canada and you are sure to admire its fine craftsmanship, especially the cathedral lobby with a soaring stone chimney. It was built in 1986 and totally renovated in 2010. We stay here for three nights. Nearby is Bralorne, once one of British Columbia's greatest gold mines. The fabulous Pioneer Mine produced \$140 million of gold between 1914 and 1960. A local historian accompanies us to explain the fascinating story of Bralorne, Bradian, Gold Bridge, the Haylmore Historic Site, and Gun Lake. Another highlight of this valley is the fall foliage which usually peaks in early October.

SIGHTSEEING FLIGHT OPTION

October 3 is a free day to relax at Tyax Resort and enjoy the beautiful lakeside setting as well as numerous entertaining and recreational activities. A flight over the nearby glaciers and peaks of the South Chilcotin wilderness is offered as an option. The flight is in a six-passenger Beaver floatplane for one hour. Commentary is provided by the pilot through headphones, so you won't miss any of the terrific scenery. The plane flies over the South Chilcotin Mountains Park, isolated Spruce Lake, some extinct volcanic cones, and the colourful Eldorado basin. A highlight is the flight along the Bridge River to its source high in the Coast Mountains at the massive Bridge Glacier where icebergs break off the snout and float around the lake below. The Bridge Glacier is only one part of

Bridge Glacier

the vast Lillooet Icefield which covers 1,000 square kilometres. Mountain goats, grizzlies and moose are abundant in this region and are commonly seen during the flight. Price is \$220 per person plus GST based on minimum of five passengers per flight. If inclement weather occurs and the plane cannot fly, your flight cost will be refunded. Please book this option as soon as possible as flights may be limited.

OTHER TOUR NOTES

- Tyax is an impressive log lodge with only 27 rooms, of which 18 have a splendid view of Tyaughton Lake and the rest have no view. Therefore, the first 18 parties booking this tour will be assigned to the lake view rooms. We recommend early booking!
- Rooms are on three floors. Ground floor is the middle floor on the same level as the lobby, dining room, and deck. You need to walk down one flight of stairs to go outdoors on the lake side of the lodge. Please request ground floor at time of booking. Tyax does not have an elevator. Wells Gray Tours usually fills all the lodge rooms, so changes cannot be made on arrival.
- This tour has all meals included due to the high cost of individual meals at Tyax's remote location. Meals may be served as a buffet or plated. Dinners are usually two courses — appetizer and entrée.

Activity Level 1: Light activity including short distances to walk and some stairs. Ground floor rooms on the lobby level are very limited, and there is no elevator. If you book the flight option, getting into the plane requires 3 ladder-like steps. There are many stops during this tour and you must be able to get on and off the coach by yourself without delaying your fellow travellers. The coach cannot carry a scooter. If you think you may have difficulty participating in Activity Level 1, Wells Gray Tours recommends that you bring a companion to assist you. The tour director and driver have many responsibilities, so please do not expect them, or your fellow travellers, to provide ongoing assistance.
