ITINERARY

Day 1: Friday, November 5

Transportation is provided to New Westminster and we stay overnight at the Inn at the Quay overlooking the Fraser River. A get-acquainted dinner is planned. **Note:** While it may seem unnecessary to travel to Vancouver the day before your flight, ferries and flights from Victoria can shut down unexpectedly which would cause a missed international flight.

Meals included: Dinner

Accommodation: Inn at the Quay

Day 2: Saturday, November 6

We drive to Vancouver airport, and our flight on Lufthansa to Frankfurt leaves about 2 pm.

Meals included: Breakfast

Day 3: Sunday, November 7

We change planes in Frankfurt, then continue to **Cairo, Egypt**, arriving in early evening. Local time is 10 hours ahead of Pacific Time. A greeter assists us to our coach where we meet our Egyptologist guide. We get a short introduction to our program as we drive to our hotel just outside of Cairo, Le Meridien Pyramids, for our three-night stay. This fabulous hotel with two pools, a full spa, and multiple restaurants, overlooks the famous Pyramids of Giza and the Sphinx. A **Welcome to Egypt** dinner is included.

Meals included: Dinner

Accommodation: Le Meridien Pyramids

Day 4: Monday, November 8

The morning is free to recoup after the long flight. The afternoon is devoted to touring **Cairo**, the capital of Egypt and the largest city in Africa and the Arab world. We begin with a guided tour at the renowned **Egyptian Museum**, learning through the artifacts the history of Egypt's pharaohs, from Narmer to Akhenaton and Ramses. One of the most impressive galleries is that of the Treasures of Tutankhamen, notable because the tomb was discovered intact and unraided in 1922. The new Grand Egyptian Museum may be open

in November; 20 years in planning and building, this billion dollar structure was finished in November 2020, but it will take another six months to move 100,000 artifacts and set up the new exhibits. Lunch is in Al Azhar Park on a hill overlooking medieval Cairo. We hear more about Islam through a visit to a magnificent mosque. Later, we tour the Oriental bazaar district of **Khan El Khalili**, with its busy shops and cafés.

Meals included: Breakfast, Lunch

Accommodation: Le Meridien Pyramids

Day 5: Tuesday, November 9

First is a visit in small groups to an **orphanage**. We meet some of the children and the people working with them, and talk about why kids end up in the streets and what the orphanage is doing to help them. We may be able to get a list of orphanage needs in advance in case you wish to bring a donation. After lunch, we head to Egypt's most famous site, the **Pyramids of Giza**. They date back to 2500 BC and are considered one of the Seven Ancient Wonders of the World. We travel to a high point for a panoramic view of the three pyramids, Cheops, Chephren, and Mycerinos, then have a close-up visit to one of them. We also stop at the greatest monumental structure in the ancient world, **The Sphinx**, a 73-metre long carving from a single stone whose age and origin remain a mystery.

Meals included: Breakfast, Lunch

Accommodation: Le Meridien Pyramids

Abu Simbel

Day 6: Wednesday, November 10

We take an early flight today to the southern city of **Abu Simbel**, famous for the giant statues of Ramses II. They were completed about 1265 BC. With the damming of the Nile in the late 1960s, the rising waters of Lake Nasser threatened the site, so a massive international rescue operation moved the temples to higher ground. We tour the twin temples this afternoon, then return this evening for the beautiful **sound and light show**, with seating in front of Ramses and his wife Nefertari.

Meals included: Breakfast, Lunch, Dinner

Accommodation: Hotel Seti

Day 7: Thursday, November 11

We fly to **Aswan** in the morning, located at the first cataract of the Nile. We visit the **High Dam**, considered an engineering marvel of the modern world. Because so much of Egyptian lifestyle and culture revolved around the annual flooding of the Nile River, the ability to control this had a dramatic effect on the country. Next, we tour the Granite Quarry to understand the stone masonry during pharaonic time. The **Unfinished Obelisk** is here, partly carved out of the stone about 1500 BC when it cracked and was abandoned. In the afternoon, we take a motorboat tour among the **Aswan islands**, piloted by a Nubian resident. We enjoy some birdwatching, walk through the village, and explore the small museum to learn about Nubian traditions, crafts, and beliefs. If children are still in the school, we may be able to visit them. A **classic afternoon tea** is served at the

famed Old Cataract Hotel. It was built by Thomas Cook in 1899 and has hosted royalty, presidents, and Agatha Christie writing *Death on the Nile*. We check in to our fabulous hotel, the Movenpick Aswan, located on Elephantine Island in the middle of the Nile. Relax by the pool or look for unusual birds in the garden.

Meals included: Breakfast, Tea, Dinner

Accommodation: Movenpick Aswan

Day 8: Friday, November 12

We take a boat to the western side of the river where our "ships of the desert" are waiting. Each person gets a **camel** and a camel keeper. Our tour takes us through the golden sands of the Nubian Desert (Nub was the pharaonic name for gold), and the view from atop the hump is enticing covering the desert, the Nile, the islands of Aswan, and the Mausoleum of Agha Khan. We ride to the old monastery and learn about the life of the monks. Back in Aswan, we board the cruise ship **MS Acamar** and settle into our cabins, home for the next three nights. All staterooms have river views. Facilities include library, swimming pool, lounge, boutique, jewelry shop, spa center, fitness machines, free internet in the lounge, laundry, medical clinic, and two elevators. Visit the website www.nilecruising.com, then choose **MS Acamar** from the list of deluxe cruises. After our first lunch in the dining room, we board felucca sailing boats for a trip around the islands. A stop is made at the **Botanical Garden** on Kitchen Island for a walk among ancient trees.

Meals included: Breakfast, Lunch, Dinner

Accommodation: MS Acamar

Day 9: Saturday, November 13

The ship leaves Aswan during the night and we awaken at **Kom Ombo**. We walk from the harbour to the beautifully situated double temple dedicated to the gods of Haroreris and Sobek. Back on board, we cruise through the Nile River Valley, watching farmers working in the green fields as they have done for thousands of years. Our next excursion is the **Temple of Horus** at Edfu, one of the best-preserved temples in Egypt. Dedicated to the falcon god Horus, the temple was built between 237 and 57 BC, and the inscriptions provide important information on language, myth, and religion during the Greco-Roman period in ancient Egypt. Continuing through the locks at Esna, we arrive in Luxor in late evening.

Meals included: Breakfast, Lunch, Dinner

Accommodation: *MS Acamar*

Day 10: Sunday, November 22

The city of **Luxor**, built on and around the ancient city of Thebes, is known as the world's largest open-air museum and one of the world's most impressive tourism destinations. There are three separate areas of the city, and we begin today with the western bank of the Nile, the ancient necropolis of **Thebes**, and the gateway to the Valley of the Dead. First is the **Colossus of Memnon** with its two huge statues standing outside the mortuary temple of Amunhotep III. The **Valley of the Queens** is the burial place not only for queens but for beloved princes and princesses, and here we see elaborately decorated tombs with light colours. A fascinating stop is **Deir el Medine**, the village of the workers of Pharaoh, with its preserved narrow lanes and tombs with vivid colours. We also visit Howard Carter's house, the man who discovered the intact tomb of Tutankhamun in 1922. Then we enter the **Valley of the Kings**, resting place of the Pharaohs. The texts and pictures on the walls describe the transformation from life to death and are still being deciphered. There are 60 tombs here, and we visit three of the ten that are open to the public. Back in Luxor,

we enjoy a final night on board the ship with entertainment.

Meals included: Breakfast, Lunch, Dinner

Accommodation: *MS Acamar*

Day 11: Monday, November 15

After breakfast, we disembark the *Acamar*, then continue our exploration of Luxor. The amazing **Temple of Karnak** is the Vatican of the Pharaonic era, built over a 2,000-year period. Here, everything is large: the monumental gates, the enormous halls of pillars, the statues, and the massive columns. This evening, join your Egyptologist guide for a walk through the illuminated **Luxor Temple**. Then we board a flight to Cairo and stay overnight near the airport.

Meals included: Breakfast, Dinner

Accommodation: Sonesta Hotel Cairo

Day 12: Tuesday, November 16

Bidding a reluctant farewell to Egypt, we fly from Cairo to **Amman, Jordan**, where we are met by our local Jordanian guide. Jordan is a destination with a great deal of variety, including fascinating historical and Biblical sites, vast desert land-

scapes, the Dead Sea, the ancient city of Petra, and the famously warm Jordan hospitality. Jordanians are a passionate and proud people and the country truly welcomes visitors with open arms. Despite being squeezed between the hotspots of Iraq, Syria, Israel, and the Palestinian Territories, Jordan is the safest and most stable country in the region.

Meals included: Breakfast, Dinner

Accommodation: Landmark Hotel Amman

Day 13: Wednesday, November 17

Leaving Amman, we drive through the hills of Gilead to the ancient Roman city of **Jerash**. One of the most complete remains of a provincial Roman city in existence, Jerash was buried under sand and rubble for centuries, until 1806, when a German traveller discovered the site. We visit the **Arc of Triumph**, the oval plaza, the thistle, the columns, the Temple of Aphrodite, and the Roman Theatre to experience its outstanding acoustics. After lunch, we visit the **Ajloun Citadel** which perches on a hilltop and dates to the 12th century. Then we descend over 1,000 metres into the Jordan River Valley, and stay two nights at the luxurious Movenpick Resort at the north end of the legendary **Dead Sea**.

Meals included: Breakfast, Lunch, Dinner

Accommodation: Movenpick Resort

Day 14: Thursday, November 18

The Dead Sea is a remarkable geographical phenomenon. The surface is 430 metres below sea level, the lowest land point on Earth. Yes, it is true that you can **float in the Dead Sea** while reading

a newspaper and not get it wet. The salinity is about 32% which is 10 times saltier than the ocean. This is a leisure day — float on the healing waters, roll in the black mud, or lie in the sun. You can also contemplate who has been here before you since the days of Sodom and Gomora through Moses, Jesus, and other Biblical people. Enjoy all the wonderful amenities of this resort; you may want to book an appointment in the Zara Spa.

Meals included: Breakfast, Dinner

Accommodation: Movenpick Resort

Day 15: Friday, November 19

We enjoy the panoramic view of the Dead Sea from **Mount Nebo**, the last place visited by Moses where he described the Promised Land. Continuing to **Madaba**, we admire the incredible mosaic map in St. George Church depicting the Holy Land in 600 AD. It is the oldest known geographic floor mosaic in art history and origi-

nally contained over two million tesserae. A traditional Jordanian lunch is served at Haret Jdoudna, a historic restaurant in central Madaba. This afternoon, we drive south along the length of the Dead Sea, then switch to jeeps for the rough road into the mountainous Dana Biosphere Reserve where the **Feynan Eco Lodge** is located. Enter an enchanting world of authentic Bedouin hospitality and the natural beauty of the magnificent Wadi Feynan. This idyllic lodge is lighted by solar panels and candles, and has been hailed as one of the best 25 eco-lodges in the world by National Geographic. In late afternoon, we take a short walk to enjoy the sunset from an expansive viewpoint. As dusk falls, you can help the staff light all the candles. After a unique dinner, there is star-gazing from the hotel roof.

Meals included: Breakfast, Lunch, Dinner

Accommodation: Feynan Eco Lodge

Day 16: Saturday, November 20

This is a day at leisure in Feynan. There are several activities that may interest you – spend time with a shepherd, explore the archeological sites or the copper mines, walk on easy or advanced trails, or mountain bike. There may be a nominal fee for some of these.

Meals included: Breakfast, Lunch, Dinner

Accommodation: Feynan Eco Lodge

Day 17: Sunday, November 21

We ride in jeeps for a two-hour excursion through the awesome scenery of **Wadi Rum**. Here is a moonlike landscape of ancient valleys and towering, weathered sandstone mountains rising out of the white and pink coloured sands. Lunch is in a fancy tent camp in this remote desert setting. Back on our coach, we drive north to Petra, probably the most renowned icon of Jordan.

Meals included: Breakfast, Lunch, Dinner

Accommodation: Nabatean Castle Hotel

Day 18: Monday, November 22

The legacy of the Nabateans, an industrious Arab people who lived 2,000 years ago, **Petra** is known as the pink city and is one of the new seven wonders of the world. We approach through a cool, narrow, one-kilometre gorge which suddenly opens into a natural square, dominated by Petra's most famous monument shining in the dazzling sun, the Treasury. There are over 800 individual monuments here, and our visit focuses on the most impressive: the coloured tombs, baths, funerary halls, colonnaded streets, and the theatre. If you want some extra exercise, consider doing the climb up to see the Monastery.

Meals included: Breakfast, Lunch, Dinner

Accommodation: Nabatean Castle Hotel

Day 19: Tuesday, November 23

We leave Petra after lunch and return to "civilization" in Amman, the political and cultural capital of the country. Thought to be the most western-oriented of the major Arab cities, it is also one of the richest and oldest. A city tour includes the **Amman Citadel** where buildings such as the Temple of Hercules and Umayyad Palace date from the Roman, Byzantine, and Umayyad periods. This evening, we learn about traditional Jordanian cuisine during a **cooking class**, and our "Farewell to Jordan" dinner is the delicious result of our prowess. Our hotel rooms are available until midnight, then we go to the airport and our flight on Lufthansa leaves about 3 am.

Meals included: Breakfast, Lunch, Dinner

Accommodation: Landmark Hotel Amman

Day 20: Wednesday, November 24

We change planes in Frankfurt, arrive in Vancouver at noon, then fly on to Victoria. A transfer is provided to your pickup point.

GOLDEN RELICS AND ANCIENT CULTURES

The stunning, colossal monuments of Ancient Egypt never fail to astonish. The heat, sight and the light of the desert invigorate. A romantic cruise on part of the world's longest river dazzles the senses. The people are intriguing as they create a modern future while embracing the traditions and lessons of the past. In Jordan, where tradition and modernism colourfully collide, stories of long ago emerge from preserved ruins like awe-inspiring Petra or the extraordinary Roman settlement at Jerash. The vitality of the people, secure in their leadership and surrounded by change, is inspiring. With the political upheavals a few years ago, tourism to these destinations has slowed, and so to attract more travellers, prices have been slashed and there is tremendous value now available. Our local partner, Galaxia Tours, explains that all of Egypt highly values its visitors, a major economic contributor to the country, and travellers are insulated from these changes by the citizens themselves. Wells Gray Tours has also sent staff to the destinations to reconfirm first-hand the quality of the tour product and the stability of the regions where the tour visits. They are very confident in the value and safety of the tour experiences and are happy to speak with you directly about their experience.

TOUR NOTES

Currency & Expenses: Two currencies are used on this tour. In Egypt, the Egyptian pound is the currency and, as of December 2020, the exchange rate is approximately \$1 CDN = 12 EGP. In Jordan, the currency is the dinar and \$1 CDN = 0.5 JOD. Visa and Mastercard are accepted most places, but expect to pay cash in markets and smaller towns. ATMs are common and you will need a 4-digit PIN. Gratuities have been included for all meals, and for guides and drivers in Egypt and Jordan.

Changes: Pricing with our Egypt and Jordan ground operators is in US dollars. As this tour has been planned and priced 11 months before departure, it is possible that exchange fluctuations could affect the fare, in which case you will be notified of the increase or decrease. The flights are confirmed but the fare could change anytime before departure, so this could result in a fare adjustment.

Documentation: A passport is required, valid 6 months after return date. Visas are required for both countries. The Egyptian visa is handled by the local tour operator on our behalf and the cost is included in the tour fare; we will notify you in ample time if this procedure changes. The Jordanian visa is obtained at Amman airport upon arrival for the whole group and the cost is included.

Weather: November is one of the best times to be in Egypt and Jordan as it is fall. Expect temperatures to be warm or hot and dry, around 20-30°C, although it will be cooler in the northern areas and always cool at night in the desert.

Beverages: It is not standard practice to include beverages with meals outside Canada. Beverages can be purchased, and prices are reasonable.

Flight upgrades: Please enquire about current prices for upgrades on the flights from Vancouver to Cairo and return from Amman. Premium economy and business class may be available.

Triples: Triples are not available on this tour.

TOUR 25 This is a Tour 25 departure, meaning the tour is limited to 25 participants, a more intimate travel experience.

Activity Level 3: Due to the historic nature of many attractions, it will be necessary to climb stairs, walk on uneven surfaces, and walk 1-2 km without difficulty, plus stand for an extended time on walking tours. The walk to Petra is 2 km each way which takes most people 20-30 mins. You can opt out of the camel ride and some attractions, but there is no fare reduction. The jeep excursions could be bumpy. This tour is not appropriate for people who require the use of a walker. Some days are long or have early departures. There are many stops during this tour and you must be able to get on and off the coach by yourself without delaying your fellow travellers. Seeing everything on this tour requires active participation. The tour director, drivers, and local guides have many responsibilities, so please do not expect them, or your fellow travellers, to provide ongoing assistance. If you are not capable of keeping up with the group or require frequent assistance, the tour director may stop you from participating in some activities or some days of the tour. In extreme situations, you may be asked to leave the tour and travel home at your own expense; travel insurance will probably not cover you. Prior to Wells Gray accepting your booking, you will be required to sign a declaration that you are capable of travelling on an Activity Level 3 tour.

TOUR POLICIES

Payments: A deposit of \$800 per person is requested at the time of booking and the balance is due August 3, 2021. By paying the deposit, you agree to the Terms & Conditions, Activity Level and Cancellation Policy outlined.

EGYPT & JORDAN — November 5, 2021

This tour is rated "Activity Level 3" by the tour planners at Wells Gray Tours. This rating is the highest activity level assigned to a tour, meaning that there is a lot of activity which could include (but is not limited to) the following:

- You can walk 3 kilometres in 1 hour.
- You can walk on desert sand or uneven rocky surfaces, and use steep stairs in ancient ruins.
- You can access boat docks or use a ship gangway that may have a steep walkway.
- You can handle some long travel days with evening activities.
- You can walk long distances in big airports without assistance and carry your hand luggage.
- You can climb into a jeep and handle a possibly rough ride.

Since a few people who are not capable of doing the above activities can hold up the entire group, Wells Gray Tours expects everybody booking a tour with "Activity Level 3" to be reasonably fit. - I am confident that I can participate in tour activities at this level and I will not hold up or delay the other members of the tour.
- I do not require the use of a wheelchair or a walker.
- If my physical condition changes between booking and departure date such that I can no longer do this level of activity, I will notify the Wells Gray office or agent. The specified penalties will apply for cancelling and your travel insurance may cover this.
- If I am not capable of keeping up with the group or I require frequent assistance, I understand that the tour director has the right to stop me from participating in some activities or some days of the tour. In extreme situations, I acknowledge that I may be required to leave the tour and travel home at my own expense, and that travel insurance will probably not cover me.
