SAN JUAN ISLANDS CRUISE

September 12, 2021 - 5 Days

Small ship cruising on MV Salish Express

The San Juan Islands are an archipelago of 172 islands between Bellingham, WA, and Victoria. The islands are best enjoyed by boat, so 2½ days are devoted to cruising on the *Salish Express*, learning about the fascinating history and admiring the natural beauty. We weave among the islands to Friday Harbor, a delightful small town filled with interesting shops, galleries, and pubs. The ship's small size is an advantage because she can cruise through many narrow channels that are impassable to larger ships. Other highlights include a walking tour of Prevost Harbor, whale watching, and turbulent Deception Pass. We return home along the scenic North Cascades Highway. Our last night is at luxurious Sun Mountain Lodge, perched on a mountaintop above Winthrop with incredible views.

ITINERARY

Day 1: Sunday, September 12

We take a morning ferry to Tsawwassen and meet the Interior travellers in Abbotsford, then cross the border and stay in **Bellingham** overnight. Bellis Fair Mall is within walking distance and is open until 6 pm.

Accommodation: Oxford Suites, Bellingham

Day 2: Monday, September 13

We board the *Salish Express* in Bellingham and sail away at 10 am among the **San Juan Islands**. They were first explored in 1791 by the Spanish expedition of Francisco de Eliza. These islands are rich with history, and the captain and crew tell entertaining tales of discovery, smuggling, and war. Lunch is served on board. We weave among the islands while the captain plans the route to **Friday Harbor** based on current weather conditions and wildlife reports, arriving about 4 pm. Friday Harbor got its name from Joseph Poalie Friday, a native Hawaiian man who worked at the Hudson's Bay Company farm from 1841 to 1859. This picturesque town is filled with interesting shops, artist galleries, and pubs. A museum devoted to Orca whales is here and, if you want to visit, ask the crew for a 50% discount coupon.

Meals included: Breakfast, Lunch, Dinner

Accommodation: Friday Harbor Suites

Day 3: Tuesday, September 14

We leave Friday Harbor on the *Salish Express* at 8:30 and cruise north to **Stuart Island**, changing course as needed when wildlife is spotted. We

dock at Prevost Harbor for two hours. This protected harbour on the east shore was named for James Charles Prevost, an admiral in the British Navy who was the British commissioner during the negotiations between BC and the USA over the boundary through the islands. There is time for a walk around on your own or join the crew for a guided walk to **Turn Point Lighthouse**, built in 1893 overlooking Haro Strait. Stuart Island has no ferry service, so it is a very secluded place, accessible only by private vessels. This afternoon, we cruise the western San Juan Islands, while searching for more Orca whales, bald eagles, harbor seals, Dall's porpoise, Minke whales, and sea birds. Some nice **Washington wines** are served with appetizers while returning to Friday Harbor.

Meals included: Breakfast, Lunch

Accommodation: Friday Harbor Suites

Day 4: Wednesday, September 15

After departure at 8 am, we cruise along Lopez Island, past the parks of Deadman Island and Iceberg Point, then cross Rosario Strait to Burrows Island Lighthouse, built in 1905. A tasty, **cracked crab feast** is included on the boat. The exciting finale is the cruise under **Deception Pass Bridge**. It connects Fidalgo Island with Whidbey Island using two spans totalling 500 metres long, and the *Salish Express* sails through the turbulent tidal waters underneath. The bridge rises 55 metres above the water and was completed in 1935. Then we sail along narrow Swinomish Channel,

under Rainbow Bridge, and dock in the quaint village of La Conner. Back on our coach, we follow the **North Cascades Highway** through Washington Pass with splendid views of towering granite walls, jade-green Diablo Lake, and soaring Liberty Bell Peak. Our destination is luxurious **Sun**

Mountain Lodge, perched on a mountaintop above Winthrop with incredible views of the Cascades. Enjoy the spa, pool, hot tub, or a walk on the trails.

Meals included: Breakfast, Lunch, Dinner

Accommodation: Sun Mountain Lodge

Day 5: Thursday, September 16

TOUR NOTES

MV Salish Express is the latest addition to the San Juan Cruises fleet. The vessel is 28 metres long and can carry over 100 passengers, but this tour is limited to 40 passengers for extra comfort and space on board. She has two decks with lots of indoor table seating and outdoor sitting and standing space. The vessel features a full bar, galley and buffet area, PA system, and restrooms. The bridge is fully equipped with all the latest navigation instruments. The size of *Salish Express* is an advantage because she can cruise through many narrow channels that are impassable to larger ships.

Activity Level 2: Moderate activity including short distances to walk and some stairs, such as at boat docks, and reaching the upper deck of *Salish Express*. On September 14, there is a walk of 6 blocks from motel to the dock, and return, or a shuttle bus is available. There is an optional walk on Stuart Island from the dock to Turn Point Lighthouse of 2.5 miles return. At low tide, ramps to the docks can be steep. The coach and vessel cannot carry a scooter. If you are not able to participate in Activity Level 2, Wells Gray Tours recommends that you bring a companion to assist you. The tour director, driver and boat crew have many responsibilities, so please do not expect them, or your fellow travellers, to provide ongoing assistance. If you are not capable of keeping up with the group or require frequent assistance, the tour director may stop you from participating in some activities or some days of the tour.
