

## CHURCHILL POLAR BEARS

October 25, 2021 – 7 Days

*3 nights in Churchill with 2 expeditions in the Tundra Buggy to watch polar bears*

Experience one of the world's most wonderful natural phenomena — the annual polar bear migration on the coast of Hudson Bay. The world's largest polar bear denning area is 40 km southeast of Churchill and has been protected in Wapusk National Park. The bears occupy this area through the summer and early fall. With October's snow and approaching winter, the polar bears start to migrate north to Churchill and wait for the ice to form on Hudson Bay where they spend the winter hunting seals. Therefore, late October and early November are the prime viewing weeks and polar bear sightings are at their peak.

## ITINERARY

### Day 1: Monday, October 25

We fly from Vancouver to **Winnipeg**. Tonight, we stay at the Lakeview Signature Hotel near the airport, so we are conveniently located for the early flight to Churchill on Wednesday. Meet your fellow travellers during a welcome dinner.

**Meals included:** Dinner

**Accommodation:** Lakeview Signature Hotel

### Day 2: Tuesday, October 26

Winnipeg is one of the most culturally diverse cities in Canada with a fascinating history. A locally-guided sightseeing tour enlightens us on the French-English relationships and includes sights like the Manitoba Legislative Building, Leo Mol Sculpture Garden, Assiniboine Park, and St. Boniface Cathedral. There is free time for lunch at **The Forks** public market with time to browse the many interesting boutiques. This afternoon, we visit the **Canadian Museum for Human Rights**, a spectacular landmark that opened in 2014 and cost \$350 million to build. There are 10 permanent galleries which contain superb exhibits about human rights through the ages. An orientation talk about our upcoming polar bear adventure is arranged this evening.

**Meals included:** Breakfast

**Accommodation:** Lakeview Signature Hotel

### Day 3: Wednesday, October 27

An early morning flight gets us to Churchill before 10 am. Founded by the Hudson's Bay Company in 1717, **Churchill** is today a remote outpost of 600 year-round residents. A sightseeing tour of the town with a local guide includes the historic gun batteries of Cape Merry, the Port of Churchill (Canada's only Arctic grain terminal), the shipwreck of the *Ithaca*, and a coastal drive along **Hudson Bay**. Cape Merry provides an excellent vantage point for spotting polar bears. This afternoon, we visit the **Itsanitaq Museum** which houses a superb collection of Inuit carvings and artifacts dating from pre-Dorset, Dorset,

Thule, and modern Inuit times. We stay three nights in Churchill (hotel name to be advised later). Tonight, a cultural presentation is arranged with a local speaker.

**Meals included:** Breakfast, Lunch, Dinner

**Accommodation:** TBA in Churchill

### Day 4: Thursday, October 28

We embark on the **Tundra Buggy** for a full day in the Arctic wilderness near the shore of Hudson Bay to watch the polar bears. Often, curious bears approach the vehicle providing wonderful close range encounters and excellent photos. Other animals and birds are frequently spotted as well, including the Caribou, Lemming, Ptarmigan, and White-phase Gyrfalcons.

**Meals included:** Breakfast, Lunch, Dinner

**Accommodation:** TBA in Churchill

### Day 5: Friday, October 29

First, we take a thrilling **dog sledding excursion**. As well as the actual dog sled ride, we are introduced to a northern way of life where dog teams have historically played a prominent role. There may be sightings of local wildlife such as the Arctic Fox, Arctic Hare, and Snowy Owl. After lunch, we visit the **Parks Canada Interpretive Centre** which has exhibits and a show about the natural history and human settlement of this region.

**Meals included:** Breakfast, Lunch, Dinner

**Accommodation:** TBA in Churchill

### Day 6: Saturday, October 30

This is a second full day devoted to viewing the polar bears from the Tundra Buggy. Our flight back to Winnipeg departs tonight.

**Meals included:** Breakfast, Lunch, Dinner

## TOUR NOTES

**Tundra Buggy:** The tour spends two days in a Tundra Buggy, a large six-wheel drive vehicle specially designed and built for off-road travel in a cold climate. Riding on huge low pressure agricultural tires, the Tundra Buggy can move safely over the snow and ice. It has comfortable seats and is equipped with a heater, restroom, and radio communication to Churchill. Sliding glass windows permit an unobstructed view. With the floor at a height of 2.1 metres and the windows opening at 3 metres, passengers are high enough to be safe from curious polar bears. Although our group will likely occupy at least half of the Tundra Buggy,

there will be other travellers on board. The vehicle has a capacity of 40 people for public tours, but we have booked the semi-exclusive service where only 22 people are on board. This gives plenty of space to move around, so each person has a window seat and the rear outside deck is not so crowded.

**Limited accommodation:** Accommodation in Churchill during the bear viewing season is very limited and the demand for rooms is far greater than availability. Only 2 single rooms are permitted. Wells Gray Tours offers this tour about every 3 years and it is limited to 15 people. Churchill lodging is best described as basic and comfortable.

**Wells Gray Tour Director** is with you on October 25 and 26 and sees you onto your Churchill flight on October 27. A Churchill guide looks after all your activities on October 27 through 30.

**Clothing:** Dress warmly, no matter what weather forecast you see for Churchill. You will be outside a lot and it is easy to get chilled, even in late October. Bring a winter coat, winter pants, warm sweatshirt, heavy sweater, warm underwear, toque, and warm gloves. You could also purchase the winter gear rental option (see below).

**Winter gear rental:** If you don't want to pack your own cold weather clothing, you can take advantage of this convenient service for parka, pants, and boots. Cost is \$373 per person plus GST for 4 days.

## TOUR NOTES CONTINUED

**Cancellation policies:** The hotel, Tundra Buggy, and Churchill airline all impose strict cancellation policies due to the high demand during polar bear viewing season and the difficulty of re-selling space if a late cancellation occurs. All payments that Wells Gray Tours makes to the Churchill tour operator are non-refundable, starting in April 2021. We must commit to using all contracted services by July 4, therefore early booking on this tour is vital. Churchill rooms may be recalled from our block if unsold, and it is very unlikely that we can get the rooms restored for a late booking.

**Comprehensive travel insurance** is required by the Churchill tour company including without limitation medical, emergency evacuation, trip cancellation, and interruption insurance. If you do not buy insurance through Wells Gray Tours, it is essential that you check your policy carefully. Insurance with your credit card or employee benefits may not cover what you need.

**TOUR 15** This is a Tour 15 departure, meaning the tour is limited to 15 participants, a more intimate travel experience.

**Activity Level 2:** Moderate activity including medium distances to walk and some stairs. You must be able to climb a short steep set of stairs to board the Tundra Buggy. There is no luggage handling service in Churchill. There can be longer walks in the airports; request a cart in advance or at airline check-in if this could be an issue for you. This tour is not appropriate for people who depend on canes or walkers. Your Churchill room could be on the second floor with no elevator. The coaches and Tundra Buggy cannot carry a scooter. If you are not able to participate in Activity Level 2, Wells Gray Tours recommends that you bring a companion to assist you. The tour director, local guides, and drivers have many responsibilities, so please do not expect them, or your fellow travelers, to provide ongoing assistance.
