ITINERARY

Day 1: Saturday, August 7

Meet the other Wells Gray travellers at YVR, then we fly on Air Canada to **Sandspit** on Moresby Island. Our mini-bus meets us at the airport, then we ride the 4:30 ferry over to Graham Island. We stay five nights in **Village of Queen Charlotte**. Tonight, we go to the Keenawiiś Kitchen in Skidegate where a Haida member, Roberta Olson, serves a fabulous **Haida Feast** in her home. Savour traditional foods, possibly consisting of smoked salmon, halibut, venison, herring roe on kelp, salad, and a berry dessert (the menu may change).

Meals included: Dinner

Accommodation: Sea Raven Motel

Day 2: Sunday, August 8

A local guide joins us for the day. We drive to Masset on the north coast of Graham Island and visit the **Haida village of Old Massett** including the church and Sarah Davidson's craft shop selling silver, wood, and argillite carvings. This afternoon, we drive along the scenic North Beach to **Naikoon Provincial Park**. You can walk to the top of volcanic Tow Hill for a magnificent view of the coast (and sometimes Alaska), admire the ocean's power when the Blowhole erupts, and search for treasures along Agate Beach.

Meals included: Breakfast, Lunch

Accommodation: Sea Raven Motel

Day 3: Monday, August 9

In the arts community of **Tlell**, we visit two interesting craft shops. Other stops are made at extraordinary **Balance Rock**, St. Mary's Spring, and the Port Clements Museum. Two walks are featured today: Masset Inlet Shoreline Trail and the remains of the famous **Golden Spruce**, felled by a vandal in 1997. Some trees seen today are over 500 years old.

Meals included: Breakfast, Lunch, Dinner

Accommodation: Sea Raven Motel

Day 4: Tuesday, August 10

We take the ferry to Moresby Island, then ride in vans on back roads to Moresby Camp at the head of Cumshewa Inlet. This is the farthest point that a road penetrates the South Moresby wilderness which is mostly protected by Gwaii Haanas National Park. Here we board large Zodiacs for an all-day excursion around **Louise Island**, exploring secluded coves and narrow passages, and watching for wildlife such as seals, sea lions, peregrine falcons, and eagles. A stop is made at **Skedans**, a village abandoned over a century ago, where we walk amid standing Haida totem poles. Weather and tides permitting, the return trip goes through Louise Narrows.

Meals included: Breakfast, Lunch

Accommodation: Sea Raven Motel

Day 5: Wednesday, August 11

The morning is devoted to the impressive **Haida Heritage Centre** at Kaay'lnagaay. The original Queen Charlotte Islands Museum was opened on this site in 1976 by Prime Minister Pierre Trudeau. Six monumental poles were raised in 2001 to signal the beginning of construction of this world-class cultural centre and, after seven years of construction costing several million dollars, this huge new complex opened to great acclaim. It tells the story of the Haida Nation and features a large collection of Haida cultural materials and native art. During the afternoon, you may wish to go to the Visitor Centre and watch some films about the islands, browse the town's shops, or rent a kayak or bicycle.

Meals included: Breakfast, Lunch

Accommodation: Sea Raven Motel

Day 6: Thursday, August 12

The morning is free time, then we take the 1 pm ferry to Moresby Island. Our Air Canada flight leaves Sandspit for Vancouver.

Meals included: Breakfast

HAIDA GWAI – THE QUEEN CHARLOTTE ISLANDS

Officially renamed from the Queen Charlotte Islands in 2009, Haida Gwaii is an archipelago of more than 150 islands located about 80 km off the northwest coast of British Columbia. The islands stretch nearly 300 km from Langara Island at the northwest tip to Kerouard Islands, strung out like a sentinel off the south end. Haida Gwaii is the westernmost point of Canada and is known for its rugged coastlines, majestic mountains, stunning array of marine life, giant cedars, and the vibrant Haida culture. About 5,000 residents are scattered between several communities on the two largest islands, Graham and Moresby, in an eclectic mix of cultures and lifestyles. The islands enjoy a mild climate with no great extremes in temperature and more sunshine than given credit for.

The Haidas have lived there for thousands of years. Their culture is seemingly marked on every tree and rock. Their stories, language and history entwine with Xuya (raven), Taan (bear), Guud (eagle), and Chiina (salmon).

The Islands were discovered by Europeans in 1774. Juan Perez sailed up the west coast looking for new lands to claim for Spain and especially to try to cut off the southern advance of the Russians. The land he spotted was Langara Island and was named Cape Santa Margarita. In 1787, Captain George Dixon realized that these really were a group of islands and not a part of the mainland as earlier believed. In true seafaring tradition, Dixon named them for his ship *Queen Charlotte* which was named for the Queen of England.

Haida Gwaii is nicknamed the Canadian Galapagos, a reference to the diverse natural history of the Galapagos as noted by Charles Darwin in 1859. The isolation of Haida Gwaii and the fact it was not glaciated during the Ice Age has made the islands a showcase of evolution with species found here that are non-existent elsewhere. Several areas have been set aside in their natural condition. Gwaii Haanas National Park Reserve is the largest, covering much of the South Moresby area, and was the result of a hard-won battle with forest companies. Naikoon Provincial Park protects the northeast of Graham Island including volcanic Tow Hill, Rose Spit, and miles of wilderness beaches.

Flights from Vancouver land at either Masset on Graham Island or Sandspit on Moresby Island and tend to be expensive — it is often cheaper to fly to Toronto than to Haida Gwaii! The ferry *Northern Adventure* sails from Prince Rupert to Skidegate on Graham Island five days a week in summer and it is usually a six-hour crossing of Hecate Strait. A small ferry connects Skidegate with Alliford Bay on Moresby Island and it is a 20-minute crossing. There is one paved road from Queen Charlotte to Masset, an extension of Yellowhead Highway #16, and a paved road from Alliford Bay into Sandspit. Otherwise, roads are gravel and many are forestry roads with travel restrictions.

Wells Gray has offered tours to Haida Gwaii every year since 1978 (except 2020 due to Covid). We hope you can join us in 2021 which will be our 43rd year of arranging tours to these amazing islands!

TOUR NOTES

Mini-bus transportation: There are no full-size motorcoaches on Haida Gwaii. Your transportation is in a 23-passenger mini-bus, operated by Eagle Transit based on Haida Gwaii. There is no on-board restroom, but facilities are available at frequent intervals and there are no long driving distances.

Accommodation on Haida Gwaii is very limited with a few small motels in Village of Queen Charlotte and Masset. Wells Gray Tours books rooms 1½ years in advance to ensure availability. Please do not expect deluxe lodging on Haida Gwaii. This tour stays five nights at the Sea Raven Motel in Queen Charlotte. Rooms are clean and comfortable, but certainly not up to the standard that Wells Gray uses in the rest of British Columbia. There is no elevator.

Airline luggage fees are not included as Air Canada requires these to be paid individually at the airport. Cost is about \$30 for one suitcase each way.

Identification: You must bring government-issued photo ID with you, such as a passport or BC Services Card / Driver's Licence. Otherwise you will not be allowed to board the Air Canada flights.

TOUR 25 This is a Tour 25 departure, meaning capacity of the tour is limited to 25 participants or less, a more intimate travel experience. For this tour, capacity is actually 20 due to the size of the mini-bus and the visitor limit imposed at Skedans. Early booking is strongly recommended as all six Haida Gwaii tours in 2019 were sold out long before departure.

Activity Level 3: Tour includes walking over uneven surfaces, some steep terrain, stairs, sandy or pebbly beaches, boardwalks, and riding in a zodiac. The optional walk up Tow Hill is strenuous. Seeing everything requires active participation. The tour director and driver have many responsibilities, so please do not expect them, or your fellow travellers, to provide ongoing assistance. Prior to Wells Gray accepting your booking, you will be required to sign a declaration that you are capable of travelling on an Activity Level 3 tour. If you are not capable of keeping up with the group or require frequent assistance, the tour director may stop you from participating in some activities or some days of the tour. In extreme situations, you may be required to leave the tour and travel home at your own expense; travel insurance will probably not cover you.

Haida Gwaii — August 7, 2021

This tour is rated "Activity Level 3" by the tour planners at Wells Gray Tours. This rating is the highest activity level assigned to a tour, meaning that there is a lot of activity which could include one or more of (but is not limited to) the following:

- You can walk 3 kilometres in 1 hour.
- You can climb into and out of a small boat or zodiac.
- You can walk on beaches with sand or rock, and on boardwalks that may be wet or slippery.
- You can climb one flight of stairs to your motel rooms on Haida Gwaii.
- You can carry your own luggage in airports.

Since a few people who are not capable of doing the above activities can hold up the entire group, Wells Gray Tours expects everybody booking a tour with "Activity Level 3" to be reasonably fit. You must be able to participate in activities without the assistance of the tour director, driver or other travellers.

Please read the following and sign acknowledging that these statements are true. The tour deposit will be due after you have signed this statement.

- I want to travel on a Wells Gray tour with a rating of "Activity Level 3".
- I have read the brochure with the full itinerary and description of the activities that are typical on this tour.
- I understand that this is the highest activity level that a Wells Gray tour can be rated.
- I am confident that I can participate in tour activities at this level and I will not hold up or delay the other members of the tour.
- I do not require the use of a wheelchair or a walker.

If my physical condition changes between booking and departure date such that I can no longer do this level of activity, I will notify the Wells Gray office or agent. The specified penalties will apply for cancelling and travel insurance may cover this.

If I am not capable of keeping up with the group or I require frequent assistance, I understand that the Wells Gray tour director has the right to not allow me to participate in some activities or some days of the tour. In extreme situations, I acknowledge that I may be required to leave the tour and travel home at my own expense, and that travel insurance will probably not cover me.

This statement has been implemented by Wells Gray Tours to maintain high quality itineraries, accurate timing, and the enjoyment of all tour participants. Each person booking this tour must sign this statement. Thank you for your understanding.
