

Koningsdam in Glacier Bay

SS Klondike

WHITEHORSE & GLACIER BAY CRUISE

July 8, 2022 - 9 Days

On Holland America's Koningsdam

This is a very unique cruise because it is not offered in Holland America's catalogue. Most Alaska cruises are round trip from Vancouver or Seattle, but this is one-way from Skagway to Vancouver with Glacier Bay. Whitehorse is too far inland to be accessible as a one-day shore excursion from the ship, but there are enough attractions in the Yukon's capital to fill 2 days. On this tour, you fly to Whitehorse and stay 2 nights at the Gold Rush Inn with attractions such as the Beringia Centre, Takhini Hot Springs, the SS Klondike sternwheeler, and MacBride Museum. After leaving Whitehorse, board the White Pass Railway at Fraser and ride this historic train through the St. Elias Mountains and down the thrilling grade to Skagway. Then embark the Koningsdam, one of Holland America's newest ships, and cruise to Vancouver with a day spent in the incredible scenery of Glacier Bay. Come and enjoy this unique cruise and tour. Holland America does not make it available every year.

Day 4: Monday, July 11

We drive to Fraser and board the **White Pass & Yukon Railway** for a thrilling two-hour journey through the rugged St. Elias Mountains. This narrow-gauge railway was built in 1898 to serve stampeders to the Klondike Gold Rush. Today it ranks among the world's most scenic rail journeys and has been designated an International Historic Civil Engineering Landmark. Beyond White Pass, the train descends 850 metres through tunnels and across high trestles on a cliff-hanging route to reach the ocean at **Skagway**. The Klondike Gold Rush was in full swing 120 years ago and Skagway was the major gateway to the Yukon. Today, that heritage is kept alive with old boardwalks and quaint false-fronted buildings. The afternoon is free time to explore and our hotel is a block off the main business street.

Meals included: Breakfast

Accommodation: Westmark Skagway Inn

Day 5: Tuesday, July 12

A transfer is provided from the hotel to the dock and we board Holland America's **Koningsdam**. An embarkation lunch is served and you may want to wander the ship and discover its many amenities. Day 6: Wednesday, July 13

Nothing quite prepares you for waking up this morning amidst the grandeur of **Glacier Bay**. The *Koningsdam* sails close to the Margerie Glacier and the Grand Pacific Glacier where chunks of ice periodically break away and crash into the sea. A National Park Ranger on board explains the natural phenomenon in detail. We spend most of today exploring an unforgettable world of floating ice castles and tidewater glaciers.

MS KONINGS DAM

Holland America Line's second newest ship, *MS Koningsdam*, made her grand entrance into the cruising world in 2016. To bring this new ship to life and give form and function to its brand, Holland America commissioned two legendary partners, Adam Tihany, regarded as one of the world's pre-eminent hospitality designers, and architect Bjørn Storbraaten. Their revolutionary designs for *Koningsdam* featured light-filled spaces, fluid curves, a sophisticated interplay of high technology and elegance, and beautiful architectural elements inspired by music. All were woven together to create an interior that blends a fresh, contemporary styling in perfect harmony with Holland America's classic elegance.

The *Koningsdam* carries 2,650 passengers, the largest ever built by the company. Her 12 decks feature four performance venues including the 1,000-seat live entertainment theatre, five lounges, casino, shopping arcade, movie theatre, beauty shop, library, games room, 12 elevators, internet centre, spa, fitness centre, and two swimming pools (one with sliding dome cover). The *Koningsdam* offers 12 restaurants or cafés. The elegant two-deck Dining Room serves breakfast, lunch, and dinner with full choice of menu. The Lido Market offers buffet-style serving stations for breakfast, lunch, dinner, and the 11 pm snack. The Pinnacle Grill, the Canaletto Restaurant with Italian cuisine, the Tamarind Restaurant with Asian cuisine, and Sel de Mer with a seafood menu all offer extraordinary service, reserved seating, and gourmet menus for an extra charge. You can also dine in the privacy of your stateroom by ordering from the complimentary room service menu. All meals are culinary delights!

Staterooms have twin lower beds (some convert to queen-size double), television, music, telephone, and bathroom with toilet, sink and shower or bathtub. A crew of over 1,000 ensures top-quality service and entertainment. Every day has a full schedule of optional activities: dance class, bridge, bingo, shuffleboard, table-tennis, karaoke, board games, and fitness activities. Every evening, there is live stage entertainment in the World Stage Theatre, and several other venues each offer a performance schedule.

Activity Level 1: Light activity including short distances to walk and some stairs. There are steps on and off the train. There can be longer walks in Vancouver and Whitehorse airports; request a cart or wheelchair in advance or at check-in if this could be an issue for you. The coaches and train cannot carry a scooter or motorized wheelchair. If you think you may have difficulty participating in Activity Level 1, Wells Gray Tours recommends that you bring a companion to assist you. The tour director and driver have many responsibilities, so please do not expect them, or your fellow travellers, to provide ongoing assistance. If you are not able to keep up with the group or require frequent assistance, the tour director may stop you from participating in some activities or some days of the tour.

CRUISE NOTES

Staterooms: When you book this tour, your selected stateroom category on the *Koningsdam* is guaranteed and the stateroom number is usually confirmed a few weeks before sailing. Fares are quoted for categories Interior I, Oceanview C, and Verandah VA, but other categories are also available.

Dinner reservations: You can go to the dining room when you are ready with your friends or make a reservation in advance. The four specialty restaurants can also be reserved for an additional charge.

Importance of early booking: Holland America Line has confirmed a block of staterooms for this tour and they are normally held until 90 days before sailing. However, any unsold staterooms can be taken away from us at any time if the ship or even a category fills. This has occurred several times recently and we had to turn away disappointed customers, even though we had seats available on the connecting motor-coach. Therefore, please don't delay booking this tour.
