## VANCOUVER ISLAND FROM TOE TO TIP

May 14, 2022 – 9 Days

*Explore one of the world's great islands  
from end to end.*

Vancouver Island is the 11<sup>th</sup> largest island in Canada, stretching 460 km from the Strait of Juan de Fuca to Queen Charlotte Sound. Named for Captain George Vancouver who explored B.C.'s coast in 1792, the island has great diversity ranging from the capital city of Victoria to remote mountain peaks in Strathcona Park, and from the wild wind-lashed beaches of the west coast to the sandy expanse of Rath-trevor Beach. Only a handful of people have travelled from toe to tip and experienced both ends of Vancouver Island: Race Rocks off Victoria and Cape Sutil (not Cape Scott) north of Port Hardy. There are no roads to either place, so we have chartered vessels to get you there. A third boat excursion is on *MV Frances Barkley* on its scheduled sailing to the village of Bamfield in Barkley Sound. In between the toe and tip, there is so much to see and do on the Island that a month would not be long enough, but we have picked some highlights for this 9-day tour that are well-known and less-known. Come and explore Vancouver Island!

## ITINERARY

### Day 1: Saturday, May 14

We meet the BC Interior travellers and take the 5 pm ferry from Tsawwassen to Swartz Bay. We stay two nights at Chateau Victoria which has a fine location downtown close to the Inner Harbour.

**Accommodation:** Chateau Victoria

### Day 2: Sunday, May 15

Breakfast is served today and tomorrow in Vista 18 atop the hotel with a wonderful view. We meet the Wells Gray travellers from Victoria, then take a boat excursion with Orca Spirit Adventures looking for whales off the coast of Victoria. Another reason is to cruise past the southernmost point of Vancouver Island (the toe) at **Race Rocks**. This protected area is home to plenty of marine wildlife and birds, and is dominated by a lighthouse built in 1860. Later, we visit one of Victoria's lesser-known beauty spots, **Abkhazi Garden**. This was the home of Prince Nicholas Abkhazi and his wife Peggy who came to Canada from Georgia (Russia) in 1946 and created these gardens with majestic trees and a dramatic location. Our lunch is served in their modest home.

**Meals included:** Breakfast, Lunch

**Accommodation:** Chateau Victoria

### Day 3: Monday, May 16

We start our journey up Vancouver Island and, during the next week, enjoy unique experiences along the entire 460-kilometre length of one of the world's great islands. We follow the scenic Malahat Drive north, passing through Nanaimo. Take a stroll on the broad, sandy **Rathrevor Beach** at Parksville. In **Port Alberni**, a local guide leads a driving and walking tour featuring the McLean Mill National Historic Site.

**Meals included:** Breakfast, Lunch

**Accommodation:** Best Western Barclay Inn

### Day 4: Tuesday, May 17

On board the **MV Frances Barkley**, we cruise 40-km long Alberni Inlet, the longest fjord on Vancouver Island. After it widens into Barkley Sound, the ship weaves through a maze of little islands,

some protected by Pacific Rim National Park. We dock at **Bamfield** for an hour, giving time to explore the historic buildings. The cable station, designed by Francis Rattenbury, opened in 1902 when Bamfield became the terminus for the trans-Pacific telegraph cable. *Frances Barkley* is a heritage vessel, built in Norway in 1958, then she sailed through the Panama Canal in 1990 to her new home. There she joined the famous *Lady Rose* (now retired) providing service to Bamfield, Ucluelet, and Barkley Sound. Today's cruise leaves Port Alberni at 8 am and returns at 5 pm.

**Meals included:** Breakfast, Lunch

**Accommodation:** Best Western Barclay Inn

### Day 5: Wednesday, May 18

We return to the east coast of Vancouver Island, stopping at **Cathedral Grove** for a stroll among towering trees and at Little Qualicum Falls. We continue north on the Island Highway and stay two nights in **Port McNeill**.

**Meals included:** Breakfast, Lunch, Dinner

**Accommodation:** Haida Way Motor Inn

### Day 6: Thursday, May 19

We board the **Naiad Explorer** at Port McNeill for a five-hour private charter looking for orca and minke whales, Pacific white-sided dolphins, Dall's porpoises, Steller sea lions, and a great variety of sea birds. The vessel is equipped with a hydrophone (an underwater microphone), so we can listen to the whales' vocalizations. The trip is hosted by the Mackay family who are pioneers in the whale-watching industry. With a cruising speed of 30 knots, the *Naiad* is a very fast vessel and capable of travelling great distances in a day. The voyage goes past Port Hardy at the end of

the Island Highway, then through Goletas Channel to **Cape Sutil**. This is the northernmost tip of Vancouver Island where the Pacific Ocean meets Queen Charlotte Strait. Although less known than Cape Scott (the northwest point of the island), Cape Sutil is the appropriate destination of a tour like this that travels Vancouver Island from toe to tip. Cape Sutil was first mapped in 1792 by the Spanish captains Galiano and Valdes, and named for their ship. The *Naiad* also explores the shores of Hope Island and Nigel Island before returning to Port McNeill.

**Meals included:** Breakfast, Lunch

**Accommodation:** Haida Way Motor Inn

### Day 7: Friday, May 20

Having reached the north tip of Vancouver Island, we start heading south. In Campbell River, we meet our guide and historian, Catherine Gilbert, who provides interpretive talks and walks during an afternoon tour of **Strathcona Park**. This was British Columbia's first provincial park, established in 1911, and it protects the rugged peaks of central Vancouver Island. We take a short walk in the forest to see Lupin Falls and stroll a beach on Buttle Lake. We stay a night in Campbell River.

**Meals included:** Breakfast

**Accommodation:** Comfort Inn

### Day 8: Saturday, May 21

We visit the Campbell River Museum which offers an interesting film about the Ripple Rock explosion in 1958. Enjoy a shopping opportunity at unique **Coombs Market**, known for its goats grazing on the roof, then take a delightful forest walk to the bridge overlooking Englishman River Falls. On arrival in Chemainus, browse the shops and admire the colourful murals. Dinner and a show are planned at **Chemainus Theatre**.

**Meals included:** Breakfast, Dinner

**Accommodation:** Best Western Chemainus Inn

### Day 9: Sunday, May 22

We take the 10:15 am ferry from Duke Point to Tsawwassen.

**Meals included:** Breakfast
