Our guide leads a walking tour of Melbourne, featuring its famous lanes. Melbourne's little laneways evolved to create access to buildings and are fascinating to explore today. We visit the **Botanical Garden**, then walk through Federation Square to the Birrarung Wilam art installations, experiencing the Aboriginal history of the Birrarung Marr and the Kulin Nation. This afternoon, we drive to Phillip Island and visit the **Koala Conservatory and Nature Park**, home to koalas, seals, and shearwaters. Summerland Beach. The Visitor Centre has excellent exhibits about the life of the Little Penguin.

Day 10: Tuesday, April 4

The **Barossa Valley** is a renowned wine-producing region near Adelaide. The stone cottages and Lutheran churches throughout the region are testament to a 19th century wave of German settlers. From tasting the official best wine in the world, to sipping a local drop that's as old as you, the Barossa is Australia's wine capital, featuring more than 80 cellars. The Mediterranean climate of cool summers and rainy winters is perfectly suited for red wine production, particularly Shiraz and Cabernet. We take a tour at **Seppeltsfield Winery**, sometimes called the showplace of Australia, followed by lunch at St. Hugo Winery. This afternoon, we visit the quaint town of Hahndorf, settled by Lutheran immigrants in 1838.

Meals included: Breakfast, Lunch

Accommodation: Intercontinental Hotel

Day 11: Wednesday, April 5

Get ready for an awesome journey on the legendary **Ghan Train**. It pulls out of Adelaide at noon for the 25-hour journey to Alice Springs. A gourmet lunch is served soon after. Day 12: Thursday, April 6

Nothing quite prepares you for the spectacle of **sunrise in the vast Australian Outback**. Rising early, we get off the train for 1½ hours at a viewing area with benches, and a breakfast snack is served. You have never truly experienced a sunrise until you have seen this one, as you look out to the horizon and admire its dramatic, gorgeous colours. Brunch is served on the train and soon we cross the state border into the Northern Territory. Then we glide through the MacDonnell Ranges and arrive at **Alice Springs** in early afternoon. The town began its modern history as a telegraph station on the Adelaide to Darwin line, and the end of the Ghan railway. Alice Springs was initially the name given to the waterhole that was discovered by a surveyor in 1871 during construction of the Overland Telegraph Line, referring to Alice Todd, wife of the Superintendent of Telegraphs. Our driver-guide meets us at the train station. Our first stop is the Telegraph Station which presents the story of the connection of Australia to the rest of the world in 1871. The actual spring or waterhole is nearby. Then we enjoy the panoramic view from **Anzac Hill** which is also the site of the War Memorial. Next, we visit the **School of the Air**. Since 1951, it has provided an educational resource for isolated school children, servicing an area of over 1.3 million sq km.

Meals included: Brunch, Dinner

Day 13: Friday, April 7

First, we tour the **Royal Flying Doctors Service**, an aeromedical organization that provides primary health care and 24-hour emergency service to anyone who lives, works or travels in rural and remote Australia. Afterwards, we fly from Alice

Springs to Uluru, previously known as **Ayers Rock**, and stay two nights at the luxurious five-star Sails in the Desert Hotel. At 5:30 pm, we drive to a viewing area for the Uluru sunset. Watching the orange and red colours change over this incredible landscape is a splendid experience.

Day 14: Saturday, April 8

The extraordinary monolith of **Uluru** was named in 1873 for Sir Henry Ayers, Colonial Secretary, but was given the dual name "Uluru / Ayers Rock" in 2002, recognizing the aboriginal name. Uluru originally sat at the bottom of a sea, but today stands 348 metres above ground. Uluru is about 3.6 km long and 1.9 km wide, with a circumference of 9.4 km. We get up early to witness the **Uluru sunrise** as the first light gently embraces the desert landscape. As the sun rises, so too does the remarkable birdlife that calls Uluru home. Listen as the birdsong welcomes the new day and experience the tranquility of nature. We visit the base of Uluru, the Mutitjulu waterhole, home of a wanampi which is an ancestral water-snake, and the **Uluru-Kata Tjuta Cultural Center**. The afternoon is leisure time at the hotel, but a dot painting workshop is offered by a local Anangu artist. Learn about traditional art, symbols, and tools, and create your own art treasure. As darkness falls and Uluru becomes a silhouette, the acclaimed **Field of Lights** illuminates. As far as the eye can see, gentle rhythms of colour light up the desert. Created by artist Bruce Munro, the exhibition covers seven football fields and contains 50,000 spindles of light in a spectrum of ochre, deep violet, blue, and gentle white.

Meals included: Breakfast, Dinner

Accommodation: Sails in the Desert Hotel

The trip lasts about six hours, so there is plenty of time to explore the wonders of the reef.

We start with a driving tour of **Sydney** highlights such as the historic Rocks district, bustling Darling Harbour, Parliament House, Hyde Park, Mrs. Macquarie's Chair, and popular Bondi Beach. Next is a guided tour of the renowned **Sydney Opera House**. This is Sydney's most recognizable building and officially one of the seven wonders of the 20th century, completed in 1973. Joern Utzon, the Danish architect, said the inspiration for his masterpiece was the sails of yachts on the harbour. There may be an opportunity to see a show in one of the four theatres and discounted tickets can be purchased after taking a tour.

TOUR NOTES

Currency & Expenses: The currency in Australia is the dollar and, as of April 2022, a Canadian dollar is worth about A\$1.08. You should order Australian dollars from your bank 1-2 weeks before departure, or plan to use ATMs. Credit cards are accepted almost everywhere. Gratuities have been included for all group meals and for local guides, naturalists, and driver-guides. Tipping is not expected for meals you buy on your own and tax is included on menu prices. Costs for meals and attractions you choose yourself are generally higher than in Canada.

Changes: As this tour has been planned and priced a year before departure, it is possible that exchange fluctuations could affect the fare or the airline could add a fuel surcharge, in which case you will be notified of the fare difference. Itinerary and flight changes can also happen as Australia emerges from Covid restrictions, but we try to substitute as closely as possible.

Accommodation is booked in superior hotels in the range of 3 to 5 stars. Hotel costs are similar to those in large Canadian cities, so many travellers would consider them expensive. However, on an extensive holiday like this, you want to be staying in well-located and memorable accommodations.

Ghan Train accommodations: Gold twin or double is a sleeper cabin featuring private bathroom and upper and lower berths that convert to a three-seater lounge by day. Gold single is a sleeper cabin featuring a bed that converts to a seat by day and shared shower/toilet facilities along the hall.

Documentation: A passport is required and must be valid on the date of entry. An Australian Electronic Travel Authorization is required and is applied for on-line before you leave. Instructions will be provided at final payment.

Beverages: In many countries outside Canada and USA, it is not standard practice to include beverages with tour meals. On this tour, tea, coffee, or bottled water is usually included with each meal and other beverages can be purchased. A few dinners have a glass of beer or wine included. Alcoholic and non-alcoholic beverages are complimentary on the Ghan Train.

Flight upgrades: Please enquire about current prices for upgrades on the flights between Vancouver and Australia. Premium economy and business class may be available.

Triples are not available on this tour.

Activity Level 2: Due to the historic nature of some attractions and the nature walks looking for birds and animals, it will be necessary to climb stairs, walk on uneven surfaces, and walk at least a kilometre, plus stand for an extended time on walking tours. This tour is not appropriate for people who require the use of a walker. Some days are long such as the Great Ocean Road and Kangaroo Island, or have early departures such as the sunrise events at Uluru and Kata Tjuta. There can be long walks in the airports and you are urged to request a cart or wheelchair in advance or at check-in if this could be a concern. The coaches, trains and vessels cannot carry a scooter or motorized wheelchair. There are many stops during this tour and you must be able to get on and off the coach by yourself without delaying your fellow travellers. This tour is rated as Activity Level 2, but some days are Level 3 (more rigorous). If Activity Level 2 could be challenging, you are urged to bring a companion to assist you. The tour director, drivers and local guides have many responsibilities, so please do not expect them, or your fellow travellers, to provide ongoing assistance. If you are not capable of keeping up with the group or require frequent assistance, the tour director may stop you from participating in some activities or some days of the tour. In extreme situations, you may be asked to leave the tour and travel home at your own expense; travel insurance will probably not cover you.
