

BANFF SPRINGS HOTEL

February 20, 2023 – 5 Days

4 nights at the "Castle in the Rockies"

One of Canada's most famous hotels, Banff Springs enjoys an enviable setting in magnificent Banff National Park. Originally built in 1888 with the coming of the Canadian Pacific Railroad, the hotel set new standards for accommodation and hospitality in the wilderness. It has been expanded several times in the last century and now offers 770 bedrooms as well as impressive public areas and dining rooms. Canadian Pacific Hotels acquired the Fairmont chain of luxury hotels in 2000 and replaced the long-standing "CP Banff Springs" name with "Fairmont Banff Springs". Today, Banff Springs Hotel is a year-round mountain resort with all modern amenities, excellent cuisine, the soothing Willow Stream Spa, and impeccable service. In addition, the tour includes other experiences such as the Banff Gondola, a swim in the Upper Hot Springs, the Whyte Museum, afternoon tea at Chateau Lake Louise, and a show in Calgary *Elvis Has Left the Building*.

ITINERARY

Day 1: Monday, February 20

We travel east through Glacier, Yoho, and Banff National Parks, admiring a winter wonderland of snowy peaks and frozen rivers. Upon arrival in Banff, the jewel of the Canadian Rockies, we check in to the fabulous **Fairmont Banff Springs Hotel** for our four-night stay. Savour an elegant dinner in the Vermillion Room at the hotel.

Meals included: Lunch, Dinner

Day 2: Tuesday, February 21

Enjoy a delicious breakfast each morning in the Vermillion Room. A short orientation drive around Banff is offered in the morning with stops dependent on road or weather conditions. Sulphur Mountain dominates the south side of Banff and rises to 2,451 metres. After riding the **Banff Gondola**, we admire a stunning view over the Bow River Valley. For over 100 years, Banff has been the place to relax in soothing hot mineral water amidst spectacular mountain scenery. We enjoy soaking in the 38-degree C water of the **Upper Hot Springs** this afternoon.

Day 3: Wednesday, February 22

We drive to Stage West Theatre in Calgary to enjoy a lunch buffet and attend the matinee show, ***Elvis Has Left the Building***. In this whacky comedy, Elvis Presley has disappeared and not even his wily manager, "The Colonel", knows his whereabouts. The Colonel is all shook up because he has racked up a secret debt and, with the King himself missing, the only way to pay it off is to find an Elvis impersonator within 24 hours. Hijinks ensue as the Colonel takes desperate measures to replace a man who is irreplaceable, while keeping a nosy reporter at bay and figuring out what happened to the real Elvis.

Meals included: Breakfast, Lunch

Accommodation: Fairmont Banff Springs Hotel

Day 4: Thursday, February 23

Banff Springs Hotel is an extraordinary building, steeped in history. Cornelius Van Horne, the President of the Canadian Pacific Railway, famously said in the 1880s, "Since we can't export the scenery, we'll have to import the tourists." He commissioned the building of a first-class hotel to serve wealthy travellers on his railroad. This morning, we take a guided tour of the elegant public areas of Banff Springs Hotel with fascinating stories from the **hotel historian**. At noon, we drive to Lake Louise where the CPR built a chalet in 1890 that evolved into another renowned hotel, **Chateau Lake Louise**. We enjoy an extravagant afternoon tea in one of the dining rooms, then take a stroll along the lakefront while admiring views of the Victoria Glacier. Back in Banff, we explore the **Whyte Museum** which has wonderful exhibits about the cultural heritage of the Rockies.

Meals included: Breakfast, Tea

Accommodation: Fairmont Banff Springs Hotel

Day 5: Friday, February 24

We say goodbye to Banff Springs Hotel and head home via the Trans-Canada Highway across Kicking Horse Pass and Rogers Pass.

BANFF SPRINGS HOTEL

"A haven of gracious living in a setting of breath-taking beauty, where visitors from all over the world return year after year; once visited, Banff Springs calls again." – CPR brochure, 1935

Ever since the transcontinental Canadian Pacific Railway first chiseled and blasted its way through the Rocky Mountains in the 1880s, Banff Springs Hotel has lured adventurers from all over the world. Drawn to the unspoiled wilderness of Canada's first national park and the enchanting fairytale-like "Castle in the Rockies", guests flocked to the palatial hotel to bathe in the steaming mineral pools, hike the trails, golf the Stanley Thompson course, swim in the indoor/outdoor pool, ride the gondola, and ski two mountains. During the 1990s, about \$100 million was invested in modernizing the hotel while keeping all its ornate features. In 2001, a grand new lobby was completed at a cost of \$57 million and the old lobby was converted to a Great Room with spectacular floor to ceiling windows looking out onto the Bow Valley. The soul-stirring grandeur of the Canadian Rockies is celebrated around the world. Pair that with a stay in the iconic castle, and you've got the makings of a perfect dream. In winter, when the snow dusts the turrets and a peaceful hush settles over the forest, you might want to stay put. Dine at one of the hotel's 12 restaurants or bars, relax at the resort day spa, or settle into a comfy chair in one of the elaborate historic rooms. Your castle awaits!
