# COAST TO COAST BY TRAIN

May 19, 2023 – 17 Days

*Travel across Canada by VIA Rail from Vancouver to Halifax*

The railway in Canada is an integral and essential foundation for the country. When the last spike of the cross-country rail line was driven at Craigellachie on November 7, 1885, something truly magnificent had been accomplished: Canada had been united. The railway was written into the agreement of Confederation on that historic day when the Dominion of Canada was formed in 1867. The project was a condition of entry into Confederation by British Columbia and it was the common thread that linked the vast spaces and diverse cultures of the grand new nation. Experience Canada's national railway on this epic journey from Vancouver on the Pacific Coast to Halifax on the Atlantic Coast. From the soaring giants of the Rocky Mountains to the sea of grass in the vast prairies; from the unique mix of cultures in Montréal to the Scottish influence in the Maritimes; from the awesome view at Niagara's Skylon Tower to the iconic Peggy's Cove — all aboard for the adventure of a lifetime!

Relax in the luxury and comfort of Sleeper Plus Class with superbly refurbished Art-Deco rail cars from the 1950s. From your armchair or the dome car, admire the views as we travel through the Fraser Valley and the awesome Fraser Canyon until dark. Wander over to the Skyline Car and meet other travellers. **Meals included:** Breakfast, Lunch, Dinner

**Accommodation:** Delta Hotel Winnipeg

### Day 4: Monday, May 22

**Winnipeg** is one of the most culturally diverse cities in Canada where you can hear some 100 languages. This morning's tour of Manitoba's capital with a local guide includes St. Boniface and its cathedral, the Legislative Building, Leo Mol Sculpture Garden, and the fine homes along Wellington Crescent. This afternoon, we visit the **Manitoba Museum** to discover the fascinating landscape and history of Manitoba.

### Day 5: Tuesday, May 23

We drive to Steinbach to visit an authentic **Mennonite Heritage Village** which has 20 preserved buildings and brings to life the Mennonite way of life from the 16<sup>th</sup> century to the present. A lunch of traditional Russian cuisine is served in the livery barn. Later, we tour the **Royal Canadian Mint** which produces every coin used in Canada and manufactures coins for about 75 other countries. See how massive strips of metal meet 50-

ton presses to produce 1,000 coins per second, or about 55 billion coins since 1976.

### Day 6: Wednesday, May 24

### Day 8: Friday, May 26

During the morning, the train travels east of **Georgian Bay** with some glimpses of this vast expanse of water, part of Lake Huron. We are headed into the urban sprawl of Toronto and *The Canadian* arrives at cavernous Union Station about 2:30 pm, the end of the second leg of our cross-Canada journey. We walk across the street

to the renowned **Fairmont Royal York Hotel** and stay three nights. When the hotel opened in 1929, it was a landmark of downtown Toronto and today seems dwarfed by nearby skyscrapers.

**Meals included:** Breakfast, Lunch

**Accommodation:** Fairmont Royal York Hotel

### Day 9: Saturday, May 27

We spend the day at Niagara Falls, one of the world's mightiest cataracts, measured by its great width of nearly 1 km, its water volume of about 3 million litres per second, and its height of 50 metres. We take a Hornblower cruise to the bottom of the falls for an awesome view of the Horseshoe and American Falls from the river. Lunch is included at Table Rock, then a sightseeing tour of the Niagara area is conducted by a local guide and visits several impressive viewpoints. ## Day 10: Sunday, May 28

We take a city tour of **Toronto** with a local guide, seeing landmarks such as the CN Tower, Rogers Centre, Eaton Centre, Queen's Park, City Hall, Yonge Street, and the Lake Ontario waterfront. We visit **Casa Loma**, Toronto's fabulous castle built by Sir Henry Pellatt between 1911 and 1914, and today used in many movie productions. At 7 pm, **The Ocean**, the last of our VIA Rail trains, pulls out of Montréal headed to Halifax. When Ontario, Quebec, New Brunswick, and Nova Scotia joined in Confederation to form the Dominion of Canada in 1867, a railway to connect Halifax with the St. Lawrence River was promised. During the night, the train follows the south shore of the St. Lawrence and crosses the neck of the Gaspé Peninsula. Our Sleeper Plus Class of service includes access to the dome car.

**MONTRÉAL TO HALIFAX** — You are booked in Sleeper Plus Class on *The Ocean* with breakfast, lunch and dinner included. Sleeping accommodation is in private cabins, either double with upper and lower berths or single with lower berth only. Amenities include toilet, handbasin, and couch(es) that convert into bed(s).

**TRAIN SCHEDULE** – Rail travel in Canada is subject to unexpected delays, and Wells Gray Tours cannot be held responsible for missed attractions due to a late train. Listed times are from VIA Rail's published schedule. Sometimes the train has been many hours late into Toronto as freight trains have priority, but other times it arrives early! VIA Rail made major changes to its 2019 schedule in an effort to arrive closer to published times and has added about 12 hours for the journey from Vancouver to Toronto. Also, only two trains a week are offered now, instead of three. The off-train break is in Winnipeg in 2023 as that fits best into the schedule and there are many activities offered during these three days between trains.

**LUGGAGE** – While on the train, your suitcase is stored in the baggage car. You may bring your suitcase to your private room for overnight stays, but it is highly recommended that you bring a more compact bag with just your needs for those few days while on board.

**GRATUITIES** – The customary gratuities for train room attendants are not included in your tour fare due to the challenges of distribution on board, so please budget \$5 per person per day. Gratuities are included for the dining car train staff, and for all included meals off the train, local guides, museum docents, boat crew, and coach drivers (outside of BC). Gratuities to the Wells Gray tour director and BC coach driver are not included and are left to your discretion.

**EARLY BOOKING** is recommended as this tour is limited to 40 travellers and it goes full every year.

 **Activity Level 2:** Moderate activity including walking medium distances over uneven surfaces and steps. You may have to walk through up to 5 train cars to access the dining car. If booking a single bedroom, be aware that at night you may need to go down the hall to a toilet. Double bedrooms have upper and lower berths, so one person must be able to get into the upper berth. Steps on and off the train may be awkward for those with mobility challenges. There can be longer walks in Halifax and Toronto airports while flying home; request a cart or wheelchair in advance or at check-in if this could be an issue for you. The coaches and trains cannot carry a scooter. If Activity Level 2 could be challenging, you are urged to bring a companion to assist you. The tour director and drivers have many responsibilities, so please do not expect them, or your fellow travellers, to provide ongoing assistance. If you are not capable of keeping up with the group or require frequent assistance, the tour director may stop you from participating in some activities or some tour days. In extreme situations, you may be required to leave the tour and travel home at your own expense; travel insurance will probably not cover you.

## TOUR POLICIES

**Payments:** A deposit of \$800 per person is requested at the time of booking and the balance is due February 8, 2023. By paying the deposit, you agree to the Terms & Conditions, Activity Level and Cancellation Policy outlined.

**Discounts:** Early bookers receive \$300 discount on first 12 seats and \$150 on next 8 seats for booking early with deposit. The discount is not offered after February 8, 2023.

**Cancellation Policy:** Up to January 6, 2023, your tour payments will be refunded less an administrative charge of \$100 per person. From January 7 to February 8, the cancellation charge is \$400 per person. From February 9 to March 8, the cancellation charge is 50% of the tour fare. From March 9 to April 7, the cancellation charge is 80% of the tour fare. After April 7, there is no refund.

**Itinerary and Fare Changes:** As the world emerges from the pandemic, many of our suppliers such as hotels, restaurants, attractions, and transportation providers are struggling with shortage of staff, inflated costs, and supply line challenges. Sometimes we are notified about changes to the itinerary prior to departure and sometimes during the tour. We do our best to substitute a similar service if something cancels, but occasionally the only alternative is to provide a refund for the missed activity. Please note that if we are forced to cancel a component of an extensive tour due to an issue beyond our control, the current penalties still apply if you choose to cancel the tour. Fuel surcharges and changes to taxes or other tour costs can occur at any time, therefore Wells Gray Tours reserves the right to increase fares due to such changes up to departure.

**Travel Insurance:** A Comprehensive Insurance policy is available through Wells Gray Tours and coverage is provided by Travel Guard. Policies purchased at deposit include a waiver of the pre-existing condition clause for medical and cancellation claims, otherwise policies can be purchased no later than at final payment. Please contact us for details.

**Flight seating:** We are unable to take requests for window or aisle seating on the planes. The airline will not accept them, as group seating is assigned as a block. If this is important to you, we suggest you take the "No Flight" option with a fare reduction of \$425 and book your own flight which allows seat selection.

**Food Allergies:** You must notify us no later than at final payment if you have a food allergy. The train may not be able to satisfy all food allergies. As restaurants recover from two years of pandemic restrictions, many facing severe labour shortages, we have been informed that food allergies should be honoured, but it is impossible to handle everybody's requests for food preferences. (An allergy causes medical distress, a preference does not.) For some allergies, please consider bringing your own snacks or food items so you are not dependent on what restaurants are able to serve.

**Home pickups** are available within Greater Vancouver for an additional charge of \$50 per person round trip. Transfer is to the VIA Rail station and home from YVR. Please request no later than at final payment.
