## ITINERARY

### Day 1: Sunday, March 10

Departures are from Kamloops, Salmon Arm and the Okanagan Valley, and we travel by coach to New Westminster. We stay overnight at the Inn at the Quay, overlooking the Fraser River.

**Note:** While it may seem unnecessary to travel to the Lower Mainland the day before your flight, the Coquihalla can have long closures or flights can be cancelled by weather which would cause a missed international flight.

**Meals included:** Lunch

**Accommodation:** Inn at the Quay

### Day 2: Monday, March 11

The morning is leisure time and you may want to take a stroll along Westminster Quay. In the afternoon, we tour the Gulf of Georgia Cannery National Historic Site. We head to the airport at 4 pm for our evening flight to Auckland on Air New Zealand.

### Day 3: Tuesday, March 12

We cross the International Date Line, regaining this day on our return.

### Day 4: Wednesday, March 13

**Welcome to New Zealand!** After clearing Customs in Auckland, we are met by our local driver and guide. Home to more than 1.6 million people, **Auckland** is the largest urban area in New Zealand and has the largest concentration of Polynesian people in the world. We drive into the city, then board Fullers Ferry and cruise through Auckland's harbour and Hauraki Gulf to the island suburb of Devonport. This afternoon, we visit the **Maritime Museum** to discover New Zealand's seafaring story. Through different themed galleries, explore how the first Polynesians got here, experience the hardships that European settlers faced, try your hand at yacht design, relax in a kiwi style bach, test your sea legs, and batten down the hatches in the rocking cabin. We return to the city by coach over the Harbour Bridge. The next three nights are in downtown Auckland. Meet your fellow travellers during a welcome dinner.

**Meals included:** Lunch, Dinner

**Accommodation:** Grand Millennium Hotel

### Day 5: Thursday, March 14

This is a free day to do as you wish in Auckland.

We see Tāne Mahuta, New Zealand's largest Kauri tree which is about 2,000 years old, 45 metres tall, and 15.5 metres around. At Parkia Lookout, we admire the panoramic view stretching from the Tasman Sea through the 30-km long **Hokianga Harbour**.

**Meals included:** Breakfast, Dinner

### Day 8: Sunday, March 17

We drive across the North Island, only 70 km wide, to the **Bay of Islands**, a stunning region consisting of 144 islands abundant in natural beauty and marine life. Waitangi is considered the birthplace of New Zealand where the **Treaty of Waitangi** was signed in 1840 by the Māori

Chiefs and the British Crown. The village of Kerikeri was the site of a colonial settlement in 1819 by the missionary Samuel Marsden, and we visit two of New Zealand's oldest buildings, Kemp House (1821) and Stone Store (1832). We stay for two nights in Paihia at Kingsgate Hotel which has a beautiful waterfront location. Tonight, we take a dinner cruise up the **Waitangi River** as far as Haruru Falls.

We get off at the old town of Russell and have a walking tour, then lunch at the Duke of Marlborough Hotel which has been serving guests since 1827. Our first stop is **Whangarei Falls** where the Hatea River drops 26 metres. Lunch is in the quaint village of Matakana. After passing through Auckland, we continue south to the Waikato region. We visit the **Waitomo Glow-worm Cave**. This tiny luminescent creature is unique to New Zealand, creating a magical feel to the subterranean wonderland. We admire shawl-like limestone formations, crystal tapestries, and thousands of pinpoint lights overhead, while floating through the dark caverns. This region is best known as the filming locations for *The Hobbit* and *The Lord of the Rings*, and the **Hobbiton Movie Set** is a must-see for fans of the movies. Enjoy a guided walk

past Hobbit holes and Hobbit homes with filming scenes explained by the guides. Lunch is included at Hobbiton. We continue to the thermal wonderland of **Rotorua** and stay three nights.

Then we visit the Agrodome for an exhibition of 19 breeds of sheep. Witness a live **sheep shearing demonstration**, a fun sheep auction with bidding from the floor, and the amazing ability of farm dogs to respond to commands and keep the sheep in line. You can even feed the baby lambs or hand-milk a cow! Later we tour the **National Kiwi Centre** and see kiwi eggs being incubated, the hatching process, and newly hatched kiwi chicks. Tonight is a memorable event at the **Mitai Maori Cultural Experience**. There is an introduction to Māori customs and traditions, followed by an authentic Hangi meal that is cooked in an earth oven. The performance includes songs, dances, legends, displays of weaponry and combat, the grace and beauty of the poi dance, and the spine-tingling haka finale.

**Meals included:** Breakfast, Lunch, Dinner

**Accommodation:** Millennium Hotel, Rotorua

### Day 13: Friday, March 22

This afternoon, we are guests at **Whakarewarewa**, The Living Māori Village. For over 200 years, the Tuhourangi/Ngati Wahiao tribe has welcomed visitors, opening doors to their way of life, and sharing the geothermal treasures. The guides are direct descendants of the early Māori and share

their insights, knowledge, and legendary hospitality. The marvels of Rotorua continue as we watch an eruption of **Pōhutu Geyser**, then visit the Spa Complex at Hells Gate to enjoy a **mud bath**. The Māori acclaimed the therapeutic benefits of the water and bathed for centuries in these thermal pools. After some rest time at the hotel, we board gondolas for the ride to the top of **Mount Ngongotaha** and an awesome view over the Rotorua Valley with dinner in the Stratosfare Restaurant.

### Day 19: Thursday, March 28

Another day of magnificent mountain scenery! We take a **Zodiac excursion on Tasman Lake**, skirting floating icebergs, to reach the icy 50-metre high face of the Tasman Glacier. This lake has been steadily growing as the glacier has retreated over the last 30 years. The glacier is now 23 km long and up to 600 metres deep. The afternoon is free time to explore the vistas near the Hermitage. You may wish to book a helicopter excursion to fly closer to Mount Cook.

**Meals included:** Breakfast, Dinner

**Accommodation:** Hermitage Hotel, Mt. Cook

### Day 20: Friday, March 29

Leaving the mountains, we drive to the east coast and the city of Oamaru which is full of 19<sup>th</sup> century architecture. Nearby are the **Moeraki Boulders** which are unusually large and spherical rocks lying along a stretch of Koekohe Beach on the wave-cut Otago coast. Port Chalmers is a long inlet from the east coast and at its head is the city of **Dunedin** which has played an important role in New Zealand's history. Long inhabited by Māori, the discovery of gold inland from Dunedin in 1861 transformed the area into the new colony's main commercial centre. We stroll through the **Dunedin Chinese Garden** which is the only authentic Chinese Scholar's Garden in the Southern Hemisphere and is a permanent reminder of the city's Chinese heritage. Tonight, we take a tour of Speight's Brewery with six samples and dinner at the Ale House.

We visit a breeding colony of cormorants (spotted shag) and a colony of New Zealand fur seals and their pups basking on the rocks, then a beach-front ride takes us to a group of blue

penguins and possibly a sighting of the rare and shy yellow-eyed penguin. Then we tour **Larnach Castle**, built in 1874, with panoramic views of the Otago Peninsula and exquisite gardens.

## AOTEAROA

Since the first people arrived in Aotearoa, the Maori name for New Zealand, a thousand years ago, many cultures have made it their home. The country has a unique and dynamic culture, with European, Maori, Pacific, and Asian influences. New Zealand's awesome landscapes, lush forests, amazing wildlife, and pleasant climate make it a haven for many outdoor activities and a great place to unwind. The islands offer everything from snowy peaks and ancient glaciers to smoking active volcanoes and intriguing thermal activity; from crystal clear lakes to the surging Pacific Coast surf, from verdant rainforests to desert-like plains. New Zealand society is diverse, sophisticated, and multicultural, and the honesty, friendliness and openness of Kiwis will impress you. A great advantage of New Zealand is that all its diverse physical and artistic landscapes are so close to each other!

**Activity Level 2:** Due to the historic nature of some attractions and the nature walks looking for birds and animals, it will be necessary to climb stairs, walk on uneven surfaces, and walk at least a kilometre, plus stand for an extended time on walking tours. This tour is not appropriate for people who require the use of a walker. Some days are long or have early departures. There can be long walks in the airports. The coaches and vessels cannot carry a scooter or motorized wheelchair. There are many stops during this tour and you must be able to get on and off the coach by yourself without delaying your fellow travellers. **Everybody** participating in this tour is expected to be capable of handling Activity Level 2. The tour director, drivers and local guides have many responsibilities, so please do not expect them, or your fellow travellers, to provide ongoing assistance. If you are not capable of keeping up with the group or require frequent assistance, the tour director may stop you from participating in some activities or some tour days. In extreme situations, you may be asked to leave the tour and travel home at your own expense; travel insurance will probably not cover you.

## TOUR NOTES

**Currency & Expenses:** The currency in New Zealand is the dollar and, as of February 2023, a Canadian dollar is worth NZ\$1.16. You should order New Zealand dollars from your bank 1-2 weeks before departure, or plan to use ATMs. Credit cards are accepted almost everywhere. Gratuities are included for all group meals and for New Zealand guides and drivers. Tipping is not expected for meals you buy on your own and tax is included on menu prices. Costs for meals you choose yourself are higher than in Canada.

**Documentation:** A passport is required and must be valid for 3 months after your return date. A Visa is not required for Canadians, but you must obtain a New Zealand Electronic Travel Authority before arrival.

**Accommodation** is booked in superior hotels in the range of 3 to 5 stars. Hotel costs are similar to those in large Canadian cities, so many travellers would consider them expensive. However, on an extensive holiday like this, you want to be staying in well-located and memorable accommodations.

## Tour Notes continued

**Beverages:** All included meals have complimentary coffee, tea, or water. Wine, beer, or soft drinks can be purchased. Please bring a refillable water bottle for use during the travelling days.

**Flight upgrades:** Please enquire about current prices for upgrades on the flights between Vancouver and Auckland. Premium economy and business class may be available.

**Flight seating:** We are unable to take requests for window or aisle seating on the planes. The airline will not accept them, as group seating is assigned as a block. If this is important to you, we suggest you take the "No Flight" option with a fare reduction of \$2,000 and book your own flight which allows seat selection.

TOUR

25

This is a Tour 25 departure, meaning the tour is limited to 25 participants, a more intimate travel experience.

## TOUR POLICIES

**Payments:** A deposit of \$1,000 per person is requested at time of booking and balance is due December 5, 2023. By paying the deposit, you agree to the Terms & Conditions, Activity Level and Cancellation Policy outlined. Payments can be made by online banking or cheque (1.5% discount on tour fare), or by Visa or Mastercard (\$5,000 limit per person on credit cards).

**Cancellation Policy:** Up to November 1, 2023, your tour payments will be refunded less an administrative charge of \$100 per person. From November 2 to December 5, the cancellation charge is \$500 per person. From December 6, 2023 to January 5, 2024, the cancellation charge is 40% of the tour fare. From January 6 to February 5, the cancellation charge is 80% of the tour fare. After February 5, there is no refund.

**Itinerary and Fare Changes:** As the world emerges from the pandemic, many of our suppliers such as hotels, restaurants, attractions, and transportation providers are struggling with shortage of staff, inflated costs, and supply line challenges. Sometimes we are notified about changes to the itinerary prior to departure and sometimes during the tour. We do our best to substitute a similar service if something cancels, but occasionally the only alternative is to provide a refund for the missed activity. Please note that if we are forced to cancel a component of an extensive tour due to an issue beyond our control, the current penalties still apply if you choose to cancel the entire tour. Flights cannot be booked until May 2023, so airfares are estimated and could result in the tour fare increasing or decreasing. Fuel surcharges and changes to taxes, foreign currency exchange rate, or other tour costs can occur at any time, therefore Wells Gray Tours reserves the right to increase fares due to such changes until departure.

**Travel Insurance:** A Comprehensive Insurance policy is available through Wells Gray Tours and coverage is provided by Travel Guard. Policies purchased at deposit include a waiver of the pre-existing condition clause for medical and cancellation claims, otherwise policies can be purchased no later than at final payment. Please contact us for details.

**Food Allergies:** You must notify us no later than at final payment if you have a food allergy. Restaurants in remote areas may not be able to satisfy all food allergies. As restaurants recover from two years of pandemic restrictions, many facing severe labour shortages, we have been informed that food allergies should be honoured, but it is impossible to handle everybody's requests for food preferences. (An allergy causes medical distress, a preference does not.) For some allergies, please consider bringing or buying your own snacks or food items so you are not dependent on what restaurants are able to serve.

**Experience Points or E-points:** This tour earns 271 e-points. Each time you travel on a Wells Gray tour, you earn e-points that are added to your account after the tour returns. One e-point equals \$1. Redeem your earned points on select tours or accumulate enough points to earn a free tour! Redemptions offered until December 5, 2023.
