

COAST TO COAST BY TRAIN

Travel across Canada by VIA Rail from Vancouver to Halifax

May 23, 2024 – 18 Days

The railway in Canada is an integral and essential foundation for the country. When the last spike of the cross-country rail line was driven at Craigellachie on November 7, 1885, something truly magnificent had been accomplished: Canada had been united. The railway was written into the agreement of Confederation on that historic day when the Dominion of Canada was formed in 1867. The project was a condition of entry into Confederation by British Columbia and it was the common thread that linked the vast spaces and diverse cultures of the grand new nation. Experience Canada's national railway on this epic journey from Vancouver on the Pacific Coast to Halifax on the Atlantic Coast. From the soaring giants of the Rocky Mountains to the sea of grass in the vast prairies; from the unique mix of cultures in Montréal to the Scottish influence in the Maritimes; from the awesome view at Niagara's Skylon Tower to the iconic Peggy's Cove — all aboard for the adventure of a lifetime!

Later, we tour the **Royal Canadian Mint** which produces every coin used in Canada and manufactures coins for about 75 other countries. Sleeping accommodation is in private cabins, either double with upper and lower berths or single with lower berth only. Amenities include toilet, handbasin, and couch(es) that convert into bed(s).

TRAIN SCHEDULE – Rail travel in Canada is subject to unexpected delays, and Wells Gray Tours cannot be held responsible for missed attractions due to a late train. Listed times are from VIA Rail's published schedule. Sometimes the train has been many hours late into Toronto as freight trains have priority, but other times it arrives early! The off-train break is in Winnipeg in 2024 as that fits best into the schedule and there are many activities offered during these three days between trains.

LUGGAGE – While on the train, your suitcase is stored in the baggage car. Large suitcases are not permitted in private rooms for overnight stays, so bring a smaller carry-on case with the things you need for the train journey.

GRATUITIES – The customary gratuities for train room attendants are not included in your tour fare due to the challenges of distribution on board, so please budget \$5 per person per day. Gratuities are included for the dining car train staff, and for all included meals off the train, local guides, museum docents, boat crew, and coach drivers (outside of BC). Gratuities to the Wells Gray tour director and BC coach driver are not included and are left to your discretion.

EARLY BOOKING is recommended as this tour is limited to 40 travellers and it goes full every year.

Moderate activity including walking on uneven surfaces and steps. You must be able to walk 500 metres (sometimes uphill or downhill) such as to The Forks in Winnipeg, Hornblower vessel in Niagara, and Grafton Theatre in Halifax. You may have to walk through up to 5 cars on a moving train to access the dining car. If booking a single bedroom, be

aware that at night the toilet is under your Murphy bed or if you choose, you can go down the hall into the next car. Double bedrooms have upper and lower berths, so one person must be able to get into the upper berth. Steps on and off the train may be awkward for those with mobility challenges. There can be longer walks in airports while flying home. The coaches and trains cannot carry a scooter. **Everybody** participating in this tour is expected to be capable of handling Activity Level 2. The tour director and drivers have many responsibilities, so please do not expect them, or your fellow travellers, to provide ongoing assistance. If you are not capable of keeping up with the group or require frequent assistance, the tour director may stop you from participating in some activities or some tour days. In extreme situations, you may be required to leave the tour and travel home at your own expense; travel insurance will probably not cover you.

Payments can be made by online banking or cheque (1.5% discount on tour fare), or by Visa or Mastercard (\$5,000 limit per person on credit cards).

Early booking bonus: Receive \$300 discount on first 12 seats and \$150 on next 8 seats for booking early with deposit. The discount is not offered after February 13, 2024.

Cancellation Policy: Up to January 12, 2024, your tour payments will be refunded less an administrative charge of \$100 per person. From January 13 to February 13, the cancellation charge is \$400 per person. From February 14 to March 13, the cancellation charge is 50% of the tour fare. From March 14 to April 12, the cancellation charge is 80% of the tour fare. After April 12, there is no refund.

Itinerary and Fare Changes: Due to continuing after effects of the pandemic, sometimes we are notified about changes to the itinerary prior to departure and sometimes during the tour. We do our best to substitute a similar service if something cancels, but occasionally the only alternative is to provide a refund for the missed activity. Please note that if we are forced to cancel a component of an extensive tour due to an issue beyond our control, the current penalties still apply if you choose to cancel the entire tour. Fuel surcharges and changes to taxes or other tour costs can occur at any time, therefore Wells Gray Tours reserves the right to increase fares due to such changes up to departure.

Flight seating: We are unable to take requests for window or aisle seating on the planes. The airline will not accept them, as group seating is assigned as a block. If this is important to you, we suggest you take the "No Flight" option with a fare reduction of \$480 and book your own flight which allows seat selection.

Travel Insurance: A Comprehensive Insurance policy is available through Wells Gray Tours and coverage is provided by Travel Guard. Policies purchased at deposit include a waiver of the pre-existing condition clause for medical and cancellation claims, otherwise policies can be purchased no later than at final payment. Please contact us for details.

Food Allergies: You must notify us no later than at final payment if you have a food allergy. The train may not be able to satisfy all food allergies. Please do not tell us about your food preferences, as restaurants ignore these requests. An allergy causes medical distress, a preference does not. For some allergies, please consider bringing your own snacks or food items so you are not dependent on what restaurants are able to serve.
