significance of Maasai ornaments and beaded jewelry. We drive past a big fig tree, a traditional place of worship, and past small coffee plantations and open fields where potatoes, bananas, maize, beans, and other crops are cultivated. We cross the Egarenarok River to visit a Maasai traditional knife maker. The Ilkisongo Viewpoint provides a panoramic vista over the city of Arusha. We continue to **Tarangire National Park** and stay two nights at Tarangire Safari Lodge which offers a mix of simple but comfortable tents that have ensuite bathrooms with showers, and circular Maasai boma style bungalows. The main lodge offers a central lounge and dining area built on a raised deck, an ideal place to relax while the sun disappears over the horizon. The main lodge and the rooms are perched at the edge of a cliff that overlooks the Tarangire River bed, which may allow us to see wildlife gathering to drink. There is also an outdoor pool.

**Meals included:** Breakfast, Lunch, Dinner

**Accommodation:** Tarangire Safari Lodge

### Thursday, November 13

A full day is devoted to **Tarangire National Park** which is famous for its huge herds of elephants and baobab trees. It is home to more than 550 bird species, and is also noted for the termite mounds that dot the landscape. Throughout the dry season, thirsty antelope and elephants trek hundreds of kilometres to drink at the Tarangire River. After an early dinner, we head out again for an **adventurous night game drive** in several open vehicles, each accompanied by a specialist guide, a tracker, and an armed ranger. Experience a whole new world of nocturnal animal species with likely sightings of porcupines, genets, and civet cats. Hippos may be grazing on the roadside and lions are more active during the night. Tune into the heightened sounds and smells of the dark forest while star gazing.

**Meals included:** Breakfast, Lunch, Dinner

**Accommodation:** Tarangire Safari Lodge

### Friday, November 14

We leave the national park and drive to the town of **Mto Wa Mbu**, where we learn about several different cultures such as Mbugwe, Iraqw, Gorowa, Irangi, Chagga and Maasai. Activities may include visiting a Chagga family who brews banana beer, a farmer from Kigoma who makes palm oil presses, the Rang'i people who collect materials from Papyrus Lake to make baskets and mats, the Sandawe families who make traditional bows and arrows for hunting, or the Makonde family of artists who have skills in carving wood. The availability of each group varies from day to day. Finish this experience with a satisfying hearty Tanzanian meal cooked by a group of local women using traditional methods, prepared with local and indigenous vegetables and spices. Then we head to the Escarpment Luxury Lodge which has an awesome setting perched on a clifftop above the Rift Valley, with views into Lake Manyara National Park.

**Meals included:** Breakfast, Lunch, Dinner

**Accommodation:** Escarpment Luxury Lodge

## ITINERARY continued

### Saturday, November 15

We drive to the highlands town of Karatu to visit the well-known **FAME Hospital** (Foundation for African Medicine and Education). At Gibbs Farm, savour their scrumptious organic lunch with most of the ingredients coming straight from farm to table. It is a working farm and you can visit their organic shamba (garden for growing vegetables) and the vast coffee plantation. After lunch, we visit the **Tanzanite Experience**, which houses a small museum where we learn about this rare gemstone, how it was formed, the complexities of mining, and the skills involved in cutting and polishing. The gift shop has some tantalising jewelry and local crafts.

**Meals included:** Breakfast, Lunch, Dinner

**Accommodation:** Escarpment Luxury Lodge

### Sunday, November 16

**Ngorongoro Crater** was created when a large volcano exploded and collapsed two million years ago. It was declared a UNESCO World Heritage Site in 1978 and is the largest intact volcanic caldera in the world. It is 610 metres deep and its floor covers 260 square km. We spend the day exploring this vast crater which is home to some 25,000 large animals — black rhinos, zebras, wildebeests, gazelles, buffalo, and tsessebes (often called topi). The chances of seeing the Big Five in this natural enclosure are high. We stay at Ngorongoro Serena Lodge which clings to the crater rim, offering the best dramatic views of the crater bowl. There is a pool and plenty of space to relax.

**Meals included:** Breakfast, Lunch, Dinner

**Accommodation:** Ngorongoro Serena Lodge

### Monday, November 17

We visit the renowned **Olduvai Gorge** archeological site. Louis and Mary Leakey conducted research here in the 1950s and their discoveries provided evidence of the earliest signs of mankind where hominid footprints are preserved in volcanic rock 3.6 million years old. Over 50 km long and about 100 metres deep, the gorge has yielded hundreds of fossilized bones and stone tools dating back millions of years, concluding that humans evolved in Africa. We continue to the legendary **Serengeti**, the archetypal safari destination, famed for its wealth of leopards and lions. Seeing the vast plains of the Serengeti for the first time is an unforgettable moment. We stay two nights at Serengeti Serena Safari Lodge, situated high on a hill with panoramic views. This lodge is the ultimate fusion of traditional African architecture and world-class style.

**Meals included:** Breakfast, Lunch, Dinner

**Accommodation:** Serengeti Serena Safari Lodge

### Tuesday, November 18

We have a full day safari in **Serengeti National Park**, starting with a 6 am trip for animal watching while it is still cool and returning to the Lodge for breakfast. Serengeti covers 14,750 square km of grassland plains giving rise to its name which is derived from the Maasai language and means “endless plains.” The region hosts the largest mammal migrations in the world and, every year, over 2.5 million wildebeests and zebras migrate from the Serengeti to the Maasai Mara Reserve in Kenya. The park is noted for its large population of lions, cheetahs, leopards, hyenas, jackals, zebras, giraffes, buffalo, Thomson gazelles, topis, elands, hartebeests, impalas, and duikers. This is also a birder’s paradise with over 500 species. Serengeti National Park was established in 1952, however the Serengeti ecosystem is far older and more extensive than the park.

**Option:** There is an optional (extra cost) opportunity for a **Hot Air Balloon Safari**. It’s a magical experience as you watch the sunrise across the Serengeti plains, then admire the spectacular aerial view of the park, its landscape, and animals. Cost is \$920 per person. Please book by final payment date.

**Meals included:** Breakfast, Lunch, Dinner

**Accommodation:** Serengeti Serena Safari Lodge

### Activity Level 3

**High Activity:** You are an active traveller who wants to explore wherever you go. You don't mind a mix of full days, early morning starts, and some late nights. You can walk longer distances, up to 4 km without difficulty which may be over uneven ground, stand for prolonged periods, and can climb three flights of stairs easily and unassisted. You can get in and out of the safari vehicles and small aircraft without assistance. You are staying in comfortable, well-equipped, walk-in tented rooms at Tarangire National Park. Most lodges do not have elevators and your room may be up a flight of stairs. Altitudes range up to 2,000 metres in the Serengeti and the altitude of the Ngorongoro Crater rim is 2,400 metres and is the highest altitude encountered on this tour. You can handle your own luggage in airports or at hotels where luggage handling may not be available. This tour is not appropriate for people with canes, walkers, wheelchairs, or other mobility assistance devices. Walking poles are fine. Additionally, this tour is not appropriate for those who have cognitive impairments such as memory loss or confusion, difficulty expressing thoughts, repeating questions, or getting lost.

Please consider any mobility issues carefully prior to booking this tour, as you may miss some highlights. The tour director and driver guides in Africa have many responsibilities, so please do not expect them, or your fellow travellers, to provide ongoing assistance. If you are not capable of keeping up with the group or require frequent assistance, the tour director may stop you from participating in some activities or some days of the tour. In extreme situations, you may be required to leave the tour and travel home at your own expense; travel insurance will probably not cover you.

**Please read** the Activity Level 3 declaration attached to this brochure. By paying the tour deposit, you agree that you are capable of travelling on an Activity Level 3 tour.

#### Tour Size 18

This tour is limited to 18 participants, making it a more intimate travel experience.

# EXPERIENCE TANZANIA WITH WELLS GRAY TOURS!

By Kerrie Niemeier, Wells Gray Tours

In 2015, I experienced the trip of a lifetime to Tanzania as a guest of Tanzania Journeys, our trusted partner for past and future tours, including 2025. Tanzania, known as the land of safaris and the “Greatest Show on Earth,” offers extraordinary scenes of wildebeest migrations, elephants wandering alongside you, and lions readying for the hunt in the Serengeti. From colorful landscapes teeming with wildlife to cultural exchanges with the Maasai, this destination offers endless opportunities to connect with nature and local traditions.

Highlights include visiting the breathtaking Ngorongoro Crater, also known as “Africa’s Garden of Eden,” and the option to take a magical sunrise balloon safari over the Serengeti. Tanzania’s superb homemade cuisine and tours of organic coffee and tea farms add to the immersive experience. This remarkable journey etched unforgettable memories for me, and I’m certain it will for you too—it’s like stepping into a live version of *The Lion King!*

## TOUR NOTES & POLICIES

**Currency & Expenses:** As this tour has been planned and priced a year before departure, it is possible that exchange fluctuations between the Canadian and US dollars and Euro could affect the fare, in which case you will be notified of the increase or decrease. The Euro is the currency of the Netherlands and the Tanzanian Shilling is the official currency of Tanzania, but US dollars are widely accepted in tourist areas. US bills should be new (not wrinkled or worn) and should be no older than 2013. You should order US dollars or Euros from your bank 1-2 weeks before departure, or plan to use ATMs. Credit cards are accepted at hotels and tourist areas (exceptions are the markets where cash is typical using shillings). Several meals are included in the Netherlands and all meals in Tanzania along with tips. Beverages are usually not included.

**Documentation:** A valid passport is required and must not expire until six months after return date. A visa is not required for the Netherlands. A tourist visa is required for Tanzania and you should apply online about 2 months before the tour; cost is US\$50.

**Gratuities** are included for the local guides and coach drivers in the Netherlands and Tanzania. Gratuities to the Wells Gray tour director and Canadian drivers are not included and left to your discretion.

**Flight Seating:** We are unable to take requests for window or aisle seating on the planes. The airline will not accept them, as group seating is assigned as a block. If this is important to you, we suggest you take the “No Flight” option with a fare reduction of \$2,900 and book your own flights which allow seat selection. This reduction applies to the flights from Calgary to Kilimanjaro and return. The reduction for the flights between BC and Calgary is \$400.

# TOUR NOTES & POLICIES continued

**Flight Upgrades:** Please enquire about current prices for upgrades on the flights from Calgary to Kilimanjaro and return. Premium economy and business class may be available.

**Flight delays or cancellations:** Flights can be delayed or cancelled at the last minute, sometimes causing a missed connection. Wells Gray staff will try to assist with rebooking, but the airline usually wants to talk with the individual passenger. There may be an extra payment required if the issue is weather. Wells Gray Tours is not allowed to interfere with this process. Check that your travel insurance policy has a flight delay benefit because that is usually your best recourse for recouping additional flight costs.

**Food Allergies:** You must notify us no later than at final payment if you have a food allergy. This tour goes to some remote places where restaurants may not be able to satisfy all food allergies. An allergy causes medical distress, a preference does not. For some allergies, please consider bringing your own snacks or food items so you are not dependent on what restaurants are able to serve.

**Rooms for Singles** are often a different style or smaller size than twin rooms. Many hotels also limit the number of single rooms allocated to a group, so please book early if you prefer to travel single. Rooms for triples are not available.

**Vaccinations:** You may need one for Tanzania. Please visit a travel clinic two or three months before departure. Bring this itinerary and your personal vaccination record for advice.

**Guides:** This tour is accompanied from British Columbia by a Wells Gray tour director. Thoroughly experienced multilingual guides travel with us in the Netherlands and throughout Tanzania. You will be expertly guided and well looked after!

**Drinking Water:** No single use waterbottles will be available on this tour. However, there will be ample purified drinking water provided by the local operator. Please bring your own reusable waterbottle to use while on tour.

**Sustainability & Ethical Travel:** Please see our commitment on [our website](#).

**Payments:** A deposit of \$1,000 per person is requested at the time of booking and balance is due August 5, 2025. **By paying the deposit, you agree to the [Terms & Conditions](#), [Activity Level 3 Declaration](#), and [Cancellation Policy](#) outlined.** Payments can be made by online banking or cheque (1.5% discount on tour fare), or by Visa or Mastercard (\$5,000 limit per person on credit cards).

**Early Booking Bonus:** Early bookers receive a \$250 discount on the first 6 seats and \$125 on the next 4 seats for booking early with deposit. The discount is not offered after August 5, 2025.

**Cancellation Policy:** Up to July 4, 2025, the cancellation charge is \$100 per person. From July 5 to August 5, the cancellation charge is \$400 per person. From August 6 to September 5, the cancellation charge is 40% of the tour fare. From September 6 to October 3, the cancellation charge is 80% of the tour fare. After October 3, there is no refund.

## TOUR NOTES & POLICIES continued

**Itinerary and Fare Changes:** Our many suppliers may notify us about changes to the itinerary prior to departure and sometimes during the tour. We do our best to substitute a similar service if something cancels, but occasionally the only alternative is to provide a refund for the missed activity. Please note that if we are forced to cancel a tour component due to an issue beyond our control, the current penalties still apply if you choose to cancel the entire tour. Fuel surcharges and changes to taxes, currency exchange rates, or other tour costs can occur at any time, therefore Wells Gray Tours reserves the right to increase fares due to such changes up to departure.

**Travel Insurance:** A Comprehensive Insurance policy is available through Wells Gray Tours and coverage is provided by Travel Guard. Policies purchased at deposit include a waiver of the pre-existing condition clause for medical and cancellation claims, otherwise policies can

be purchased no later than at final payment. Medical questionnaire is not needed. Please contact us for details. If you have your own travel insurance, please read the policy carefully to be sure that you are adequately covered for medical, cancellation, interruption, and luggage.

**Photo Credits:** Kerrie Niemeier (Cover Photo, Leopard) and tour director Pat (all others).

**Experience Points or E-points:** This tour earns 228 e-points. Each time you travel on a Wells Gray tour, you earn e-points that are added to your account after the tour returns. One e-point equals \$1. Redeem your earned points on select tours or accumulate enough points to earn a free tour! Redemptions offered until August 5, 2025.

## Tanzania — November 7, 2025

This tour is rated “Activity Level 3” by the tour planners at Wells Gray Tours using our new scale with 4 levels. This rating means there is a lot of activity as described here:

**High Activity:** You are an active traveller who wants to explore wherever you go. You don't mind a mix of full days, early morning starts, and some late nights. You can walk longer distances, up to 4 km without difficulty which may be over uneven ground, stand for prolonged periods, and can climb three flights of stairs easily and unassisted. This tour is not appropriate for people with canes, walkers, wheelchairs, or other mobility assistance devices. Walking poles are fine. Additionally, this tour is not appropriate for those who have cognitive impairments such as memory loss or confusion, difficulty expressing thoughts, repeating questions, or getting lost.

Since a few people who are not capable of doing these activities can hold up the entire group, Wells Gray Tours expects everybody booking a tour with “Activity Level 3” to be reasonably fit physically and mentally. **By paying the deposit, you agree that you have read this Activity Level 3 Declaration and the statements are true.**

- I want to travel on a Wells Gray tour with a rating of “Activity Level 3” on the new scale with 4 levels.
- I have read the brochure with the full itinerary and description of the activities that are typical on this tour.
- I understand that this is the second highest activity level that a Wells Gray tour can be rated.
- I am confident that I can participate in tour activities at this level, and I will not hold up or delay the other members of the tour.
- I do not require the use of a wheelchair, walker, cane, or other mobility assistance devices.
- I have no cognitive impairment such as memory loss or confusion, difficulty expressing thoughts, repeating questions, or getting lost.
- If my physical or cognitive condition changes between booking and departure date such that I can no longer do this level of activity, I will notify the Wells Gray office or agent. The specified penalties will apply for cancelling and travel insurance may cover this.
- If I am not capable of keeping up with the group or require ongoing assistance, I understand that the Wells Gray tour director has the right to stop me from participating in some activities or some days of the tour. In extreme situations, I acknowledge that I may be required to leave the tour and travel home at my own expense, and that travel insurance will probably not cover me. There will be no refund for unused tour services.

This statement has been implemented by Wells Gray Tours to maintain high quality itineraries, accurate timing, and the enjoyment of all tour participants.
