ITINERARY

Thursday, November 5

Passengers from Vancouver Island and the BC Interior travel to New Westminster and stay overnight at the Inn at the Quay overlooking the Fraser River. A get-acquainted dinner is planned.

Meals included: Lunch (BC Interior), Dinner (BC Interior & Vancouver Island)

Accommodation: Inn at the Quay

Friday, November 6

We drive to Vancouver airport and our flight leaves in early afternoon. We meet with the Vancouver passengers at the airport.

Saturday, November 7

We change planes in Frankfurt, then continue to **Cairo, Egypt**, arriving in late afternoon. Local time is 10 hours ahead of Pacific Time. **Welcome to Egypt!** A greeter assists us to our coach where we meet our Egyptologist guide. We get a short introduction to our program as we drive to our hotel for a three-night stay.

Accommodation: Hyatt Regency West or Steigenberger Pyramids

Sunday, November 8

The morning is free time to recoup after the flight. We first head to the **Saqqara Pyramid**, built by Pharaoh Djoser about 2670 BC and often called the Step Pyramid for its unusual design. Our welcome dinner features Egyptian specialties.

Meals included: Breakfast, Dinner

Accommodation: Hyatt Regency West or Steigenberger Pyramids

Monday, November 9

The **Grand Egyptian Museum** has finally opened after 20 years of planning and construction at a cost of one billion dollars. Our guide leads us to the highlights while we learn about Egypt's pharaohs, from Narmer to Akhenaton and Ramses. One of the most impressive galleries is the **Treasures of Tutankhamen**, notable because the tomb was

discovered intact in 1922. Admire the stunning architecture and dramatic exhibits of this incredible museum.

Meals included: Breakfast, Lunch, Dinner

Accommodation: Hyatt Regency West or Steigenberger Pyramids

Tuesday, November 10

The **Pyramids of Giza** are Egypt's most famous archeological site. They date to 2500 BC and are considered one of the Seven Ancient Wonders of the World. We travel to a high point for a panoramic view of the three pyramids, Cheops, Chephren, and Mycerinos, then have a close-up visit to one of them. Lunch is at 9 Pyramids Lounge with a wonderful view. Later, we stop at the greatest monumental structure in the ancient world, **The Sphinx**, a 73-metre long carving from a single stone whose age and origin remain a mystery. In late afternoon, we fly to the southern city of **Aswan** and stay three nights at the fabulous Movenpick Hotel, located on Elephantine Island in the middle of the Nile and accessed by a passenger ferry. Relax by the pool or look for unusual birds in the garden.

Meals included: Breakfast, Lunch

Accommodation: Movenpick Aswan Hotel

Wednesday, November 11

We drive across the **Aswan High Dam**, considered an engineering marvel of the modern world. Because so much of Egyptian lifestyle and culture revolved around the annual flooding of the Nile River, the ability to control this had a dramatic effect on the country. Next, we tour the Granite Quarry to understand the stone masonry during pharaonic time. The **Unfinished Obelisk** is here, partly carved out of the stone about 1500 BC when it cracked and was abandoned. Later, we go to the famous **Old Cataract Hotel** where a sumptuous High Tea is served on the terrace overlooking the Nile and felucca boats sailing past. The hotel was built by Thomas Cook in 1899 and has hosted

royalty, presidents, and Agatha Christie writing *Death on the Nile*.

Meals included: Breakfast, Tea

Accommodation: Movenpick Aswan Hotel

Thursday, November 12

We fly from Aswan to **Abu Simbel**, famous for the giant statues of **Ramses II**. They were completed about 1265 BC. With the damming of the Nile in the 1960s, the rising waters of Lake Nasser would have inundated the site, so a massive international rescue operation moved the temples to higher ground. After returning to Aswan, we visit the **Nubian village** to learn about Nubian traditions, crafts, and beliefs, and visit the small museum.

Meals included: Breakfast, Dinner

Accommodation: Movenpick Aswan Hotel

Friday, November 13

We board the **Nile cruise ship MS Movenpick Hamees** and settle into our riverview cabins, home for the next three nights. This 5-star vessel offers a library, swimming pool, lounge, boutique, spa centre, fitness machines, Wi-Fi, laundry, and elevator. After our first lunch in the dining room, we board felucca sailing boats for a trip around the islands. A stop is made at the **Botanical Garden** on Kitchener Island for a walk among ancient trees.

Meals included: Breakfast, Lunch, Dinner

Accommodation: MS Movenpick Hamees

Saturday, November 14

The ship leaves Aswan during the night and we wake up docked at **Kom Ombo**. We walk from the harbour to the beautifully situated double temple dedicated to the gods of Haroreris and Sobek. Back on board, we cruise along the Nile, watching farmers working in the green fields as they have done for thousands of years. Our next excursion is the **Temple of Horus** at Edfu, one of the best-preserved temples in Egypt. Dedicated to the falcon god Horus, the temple was built between 237 and 57 BC, and the inscriptions provide important information on language, myth, and religion during the Greco-Roman period in

ancient Egypt. Continuing through the locks at Esna, we arrive in Luxor in late evening.

Meals included: Breakfast, Lunch, Dinner

Accommodation: MS Movenpick Hamees

Sunday, November 15

The ancient city of **Luxor** is known as the world's largest open-air museum and one of the world's most impressive tourism destinations. There are three separate areas of the city and we begin today with the western bank of the Nile, the ancient necropolis of **Thebes**, and the gateway to the Valley of the Dead. First is the **Colossus of Memnon** with its two huge statues standing outside the mortuary temple of Amunhotep III. Then we enter the **Valley of the Kings**, resting place of the Pharaohs. The texts and pictures on the walls describe the transformation from life to death and are still being deciphered. There are 60 tombs here and several are open to the public. Another fascinating stop is **Deir el Medine**, the village of the workers of Pharaoh, with its preserved narrow lanes and tombs with vivid colours. We also visit **Howard Carter's house**, the man who discovered the intact tomb of Tutankhamun in 1922. Back in Luxor tonight, join your Egyptologist guide for a walk through the illuminated **Luxor Temple**.

Meals included: Breakfast, Lunch, Dinner

Accommodation: MS Movenpick Hamees

Monday, November 16

After breakfast, we disembark the ship, then continue exploring Luxor. The amazing **Temple of Karnak** is the Vatican of the Pharaonic era, built over a 2,000-year period. Here, everything is large: the monumental gates, the enormous halls of pillars, the statues, and the massive columns. This afternoon, we fly from Luxor back to Cairo.

Meals included: Breakfast, Dinner

Accommodation: Le Meridien Hotel Airport

Tuesday, November 17

Bidding farewell to Egypt, we fly from Cairo to **Amman, Jordan**, where we are met by our local Jordanian guide. Jordan is a destination with a great deal of variety, including fascinating historical and Biblical sites, vast desert landscapes, the Dead Sea, the ancient city of

Petra, and the famously warm Jordan hospitality. Despite being squeezed between the hotspots of Iraq and Syria, Jordan is the most stable country in the region. Amman is the political and cultural capital of the country. Thought to be the most western-oriented of the major Arab cities, it is also one of the richest and oldest. A city tour includes the **Amman Citadel** where buildings such as the Temple of Hercules and Umayyad Palace date from the Roman, Byzantine, and Umayyad periods. Tonight, we learn about traditional Jordanian cuisine during a **cooking class**, and our “Welcome to Jordan” dinner is the delicious result of our prowess.

Meals included: Breakfast, Dinner

Accommodation: Signia by Hilton Amman

Wednesday, November 18

We drive through the hills of Gilead to the ancient Roman city of **Jerash**. One of the most complete remains of a provincial Roman city in existence, Jerash was buried under sand and rubble for centuries until 1806 when a German traveller discovered the site. We visit the **Arc of Triumph**, the Oval Plaza, the thistle, the columns, the Temple of Aphrodite, and the Roman Theatre to experience its outstanding acoustics. After lunch, we visit the **Ajloun Citadel** which perches on a hilltop and dates to the 12th century. Then we descend over 1,000 metres into the Jordan River Valley and stay three nights at the luxurious Movenpick Resort at the north end of the legendary **Dead Sea**.

Meals included: Breakfast, Lunch, Dinner

Accommodation: Movenpick Resort

Thursday, November 19

The Dead Sea is a remarkable geographical phenomenon. The surface is 430 metres below sea level, the lowest land point on Earth. Yes, it is true that you can **float in the Dead Sea** while reading a newspaper and not get it wet. The salinity is about 32% which is 10 times saltier than the ocean. This is a leisure day – float on the healing waters, roll in the black mud, or lie in the sun. You can also contemplate who has been here before you since the days of Sodom and Gomora through Moses, Jesus, and other Biblical people.

Enjoy all the wonderful amenities of this resort; you may want to book a spa appointment.

Meals included: Breakfast, Dinner

Accommodation: Movenpick Resort

Friday, November 20

A morning tour ascends high above the Dead Sea to **Mount Nebo**, the last place visited by Moses where he described the Promised Land. Continuing to **Madaba**, we admire the incredible mosaic map in St. George Church depicting the Holy Land in 600 AD. It is the oldest known geographic floor mosaic in art history and originally contained over two million tesserae. The afternoon is leisure time at the resort.

Meals included: Breakfast, Lunch, Dinner

Accommodation: Movenpick Resort

Saturday, November 21

We drive south along the length of the Dead Sea to Jordan’s southern tip at **Aqaba**. Jordan is a landlocked country, except for its 10 km of ocean frontage on the Gulf of Aqaba, an inlet from the Red Sea. A two-hour boat excursion is arranged with lunch on board and the option to go snorkeling. Then we head north into the awesome scenery of **Wadi Rum**. Here is a moonlike landscape of ancient valleys and towering, weathered sandstone mountains rising out of the white- and pink-coloured sands. A unique experience awaits – sleeping in a Bedouin tent amidst this incredible desert setting. Mazayen is a **luxury tent camp**, so your tent is equipped with beds, sitting area, private bathroom with shower, air conditioning, and electricity. The stargazing is fantastic in this place with minimal light pollution.

Meals included: Breakfast, Lunch, Dinner

Accommodation: Mazayen Luxury Tent Camp

Sunday, November 22

We ride in pickup trucks driven by local Bedouins for a three-hour excursion through the wonders of Wadi Rum, surrounded by soaring red cliffs. After lunch at the camp, we are back on our coach, heading north to Petra, probably the most renowned icon of Jordan.

Meals included: Breakfast, Lunch, Dinner

Accommodation: Movenpick Petra Resort

Monday, November 23

The legacy of the Nabateans, an industrious Arab people who lived 2,000 years ago, **Petra** is known as the pink city and is one of the new seven wonders of the world. Our guide takes us through the Siq, a cool, narrow, 1 km long gorge which suddenly opens into a natural square, dominated by Petra's most famous monument shining in the dazzling sun, **The Treasury**. There are over 800 individual monuments here, and our visit focuses on the most impressive: the coloured tombs, baths, funerary halls, colonnaded streets, and the theatre. During the walk, there are frequent stops for commentary, then you can continue walking to lunch at your own pace, so you can take side trips according to your mobility and interests. Lunch is at Qasr al-Bint at the far end of Petra, then we walk back to The Treasury. An electric cart is booked for the uphill trip from The Treasury through the Siq.

Meals included: Breakfast, Lunch, Dinner

Accommodation: Movenpick Petra Resort

Tuesday, November 24

We return to Amman with leisure time this afternoon. Savour a farewell dinner while reminiscing about the wonders of Egypt and Jordan over the last three weeks. Our hotel rooms are available until midnight.

Meals included: Breakfast, Lunch, Dinner

Accommodation: Signia by Hilton Amman

Wednesday, November 25

We go to Amman Airport after midnight and our flight to Vancouver leaves about 3:30 am. Transportation is provided from YVR to your pickup point.

ACTIVITY LEVEL

High Activity: You are an active traveller who wants to explore wherever you go. You don't mind a mix of full days, early morning starts, and some late nights. Due to the historic nature of many attractions, it will be necessary to climb stairs, walk on uneven surfaces, and frequently walk 1-2 kms without difficulty, plus stand for

an extended time on tours of temples and ruins. The walk to the end of Petra and lunch is 4 km on paved or gravel walkways, but an electric cart is arranged for the last 2 km of the return walk uphill. You can opt out of some attractions, but there is no fare reduction. The 4x4 truck ride through Wadi Rum is bumpy. You can climb three flights of stairs easily and unassisted and can handle your own luggage in airports and at hotels where luggage handling may not be available.

This tour is not appropriate for people who require the use of a walker. Walking poles are recommended. Additionally, this tour is not appropriate for those who have cognitive impairments such as memory loss or confusion, difficulty expressing thoughts, repeating questions, or getting lost. The tour director, local guides, and drivers have many responsibilities, so please do not expect them, or your fellow travellers, to provide ongoing assistance. If you are not capable of keeping up with the group or require frequent assistance, the tour director may stop you from participating in some activities or some days of the tour. In extreme situations, you may be required to leave the tour and travel home at your own expense; travel insurance will probably not cover you.

Please read the Activity Level 3 [declaration](#) attached to this brochure, sign and email to your Wells Gray office.

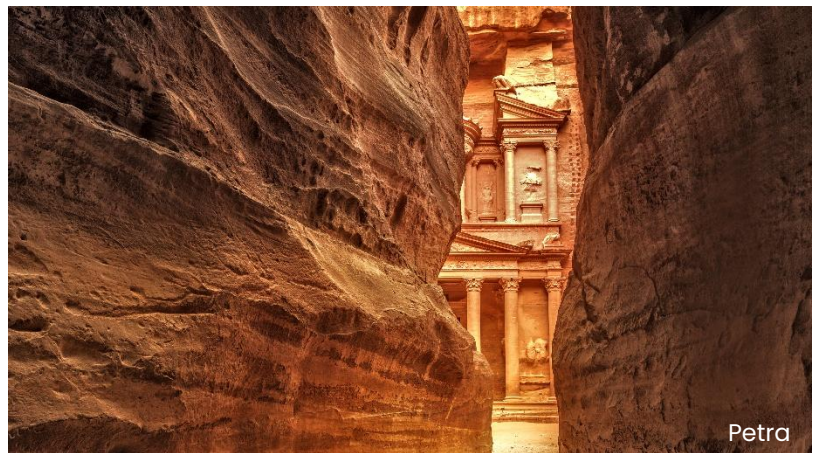

This tour is limited to 25 participants, making it a more intimate travel experience.

GOLDEN RELICS AND ANCIENT CULTURES

The ancient lands of Egypt and Jordan are a world of wonder – a window to a long past age of extravagance, massive wealth, and ample acts of tribute. The stunning, colossal monuments of ancient Egypt never fail to astonish, now highlighted by the magnificent Grand Egyptian Museum. A romantic cruise on part of the world's longest river dazzles the senses. The people are intriguing as they create a modern future while embracing the traditions and lessons of the past. In Jordan, where tradition and modernism colourfully collide, stories of long ago emerge from preserved ruins like awe-inspiring Petra or the extraordinary Roman settlement at Jerash. The vitality of the people, secure in their leadership and surrounded by change, is inspiring.

TESTIMONIAL

Roland & Anne Neave, owners of Wells Gray Tours, took this tour in November 2022 and loved it. Roland says, "It was an amazing tour and there seemed to be a highlight every day. I would have a hard time pin-pointing a few sights that were special because so many places we visited were extraordinary. We were looked after very capably by the local guides, enjoyed expert commentary, and felt safe all the time. I can highly recommend this tour."

TOUR NOTES

Documentation: A passport is required, valid for 6 months after return date. Visas are required for Egypt and Jordan. The Egyptian visa is handled by the local tour operator on our behalf and the cost is included in the tour fare; we will notify you in ample time if this procedure changes. The Jordanian visa is obtained at Amman airport upon arrival for the whole group and is currently free.

Your Safety: The Canadian government has a standard travel advisory for Egypt and Jordan – “Exercise a high degree of caution.” This is good advice for many countries such as Italy, France, and Ecuador, just to give a reference. It is hard not to look like a tourist, but avoid wearing expensive jewellery and carrying a purse or wallet that is easy to steal. All hotels have safes (in your room or at the front desk) and you are urged to use them for your passport, credit cards, and cash. You have a huge advantage travelling in a group with a local guide who is knowledgeable about risky places to visit and always has your safety in mind.

Currency & Expenses: Two currencies are used on this tour. The Egyptian pound had an exchange rate in February 2026 of about \$1 CAN = 34 EGP (a bargain because in 2022 you got 12 EGP). The currency in Jordan is the Dinar and \$1 CAN = 0.5 JOD. Visa and Mastercard are accepted in most places, but expect to pay cash in markets and smaller towns. ATMs are common and you will need a 4-digit PIN. Many items are cheaper than in Canada, except for liquor which is very expensive – wine is generally poor quality and over \$30 a bottle; a beer can be \$15. Gratuities have been included for all meals and for guides, drivers and boat crew in Egypt and Jordan.

Weather: November is one of the best times to be here as it is fall. Expect temperatures to be warm or hot and dry, around 20–30°C, although it will be cooler in the northern areas and always cool at night in the desert.

Beverages: It is not standard practice to include beverages with meals anywhere along this tour. Your tour director will purchase bottles of water for every included meal. Other beverages are at your expense.

Flight upgrades: Please enquire about current prices for upgrades on the flights from Vancouver to Cairo and return from Amman. Premium economy and business class may be available. The domestic flights do not have upgrades available.

Flight seating: We are unable to take requests for window or aisle seating on the planes. The airline will not accept them, as group seating is assigned as a block. If this is important to you, we suggest you take the “No Flight” option with a fare reduction of \$1,850 and book your own flight which allows seat selection. Please refer to our [Terms & Conditions](#) for further information on your responsibilities when choosing the “No Flight” option.

Flight delays or cancellations: In the event flights are delayed or cancelled by airlines due to weather or other reasons, there may be additional costs to you. Wells Gray Tours will not pay for hotel rooms and meals during the delay. Most travel insurance policies cover expenses incurred for flight delays.

Food Allergies: You must notify us no later than at final payment if you have a food allergy. This tour goes to some places where restaurants may not be able to satisfy all food allergies. An allergy causes medical distress, a preference does not. For some allergies, please consider bringing your own snacks or food items so you are not dependent on what restaurants are able to serve.

Rooms for singles are often a different style or smaller size than twin rooms. Many hotels limit the number of single rooms allocated to a group. Please book early if you prefer to travel single.

Triples: Triples are not available on this tour.

TOUR POLICIES

Payments: A deposit of \$1,000 per person is requested at time of booking and the balance is due July 2, 2026. By paying the deposit, you agree to the [Terms & Conditions](#), Activity Level 3 [Declaration](#), and Cancellation Policy outlined. Payments can be made by online banking or cheque (3% discount on tour fare), or by Visa or Mastercard.

Discounts: Early bookers receive a \$200 discount on the first 8 seats and \$100 on the next 4 seats for booking early with deposit. The discount is not offered after July 2, 2026.

Cancellation Policy: Up to June 2, 2026, the cancellation charge is \$100 per person. From June 3 to July 2, the cancellation charge is \$400 per person. From July 3 to September 2, the cancellation charge is 50% of the tour fare. From September 3 to October 2, the cancellation charge is 80% of the tour fare. After October 2, there is no refund.

Itinerary and Fare Changes: Our many suppliers may notify us about changes to the itinerary prior to departure and sometimes during the tour. We do our best to substitute a similar service if something cancels, but occasionally the only alternative is to provide a refund for the missed activity. Please note that if we are forced to cancel a tour component due to an issue beyond our control, the current penalties still apply if you choose to cancel the entire tour. Fuel surcharges and changes to taxes, currency exchange rates, or other tour costs can occur at any time, therefore Wells Gray Tours reserves the right to increase fares due to such changes up to departure.

Travel Insurance: A Comprehensive Insurance policy is available through Wells Gray Tours and coverage is provided by Travel Guard. Policies purchased at deposit include a waiver of the pre-existing condition clause for medical and cancellation claims, otherwise policies can be purchased no later than at final payment. Medical questionnaire is not needed. Please contact us for details. If you have your own travel insurance, please read the policy carefully to be sure that you are adequately covered for medical, cancellation, interruption, and luggage. Please do not travel outside Canada without medical insurance as a minimum.

Experience Points or E-points: This tour earns 283 e-points. Each time you travel on a Wells Gray tour, you earn e-points that are added to your account after the tour returns. One e-point equals \$1. Redeem your earned points on select tours or accumulate enough points to earn a free tour! Redemptions offered until July 2, 2026.
