

TWEEDSMUIR PARK & BELLA COOLA

August 2026

Wells Gray Group in 2024

A journey through the Coast Mountains on the Chilcotin Highway

Bella Coola is an isolated community on the central BC coast, surrounded by splendid mountain scenery. The only road access is Highway #20 from Williams Lake, a scenic drive across the Chilcotin and through the Coast Mountains. This tour travels both ways on the highway and stays three nights at Nimpo Lake. A full-day tour of the Bella Coola Valley with a local guide has many appealing stops and you have the thrill of driving "The Hill" twice. Another "wow" is the flight into Tweedsmuir Park to see Hunlen Falls, Canada's highest waterfall, the vast Monarch Icefields, and the colourful Rainbow Range. This tour is a remarkable opportunity to see a seldom-visited place close to home.

Activity Level 2

Moderate Activity: As a traveller you like a variety of activities and walking up to 2 km with breaks such as a guided walking tour is very doable for you

without assistance. You can stand for prolonged periods, negotiate a variety of terrain such as moderate hills comfortably, and can climb two flights of stairs without assistance. You may need to handle your own luggage at places where luggage handling is not available.

This tour is not appropriate for people who depend on canes, walkers, wheelchairs, or other mobility assistance devices. The coach cannot carry a scooter or motorized wheelchair. If you choose the flight landing at Hunlen Falls, be aware that the walk takes at least 1½ hours round trip with about 15 mins being uphill, **rated as Activity Level 3**; walking poles are recommended. The tour director and driver have many responsibilities, so please do not expect them, or your fellow travellers, to provide ongoing assistance. If you are not capable of keeping up with the group or require frequent assistance, the tour director may stop you from participating in some activities or some days of the tour.

Tour Size 25

This tour is limited to 25 participants, making it a more intimate travel experience.

We drive through the Thompson Valley to Cache Creek and join the Cariboo Highway. **Hat Creek Ranch** is one of the last remaining roadhouses from the era of the Cariboo Wagon Road. We tour the buildings and listen to tales of the Gold Rush. Our next stop is to admire the view at colourful Painted Chasm, created by glacial meltwaters at the end of the last Ice Age. Our night stop is in **Williams Lake**.

Tuesday, August 11

The legendary **Chilcotin Highway** starts at Williams Lake and heads west to Bella Coola at the head of a long coastal fjord. We cross the Fraser River on a lofty bridge and drive across the vast ranchlands of the Chilcotin Plateau past Riske Creek and Alexis Creek. After passing Tatla Lake and Kleena Kleene, we stay three nights at **Nimpo Lake**, known as "Float Plane Capital of BC" because it is the access point for numerous fishing lakes in the West Chilcotin. See "Accommodation" on page 6 for descriptions of the two places where we stay.

Meals included: Breakfast, Lunch, Dinner

Accommodation: Stewart's Lodge or Waterfront Motel

Wednesday, August 12

A local guide accompanies us for today's journey into the **Bella Coola Valley** and presents expert interpretation about the history, ecology, and First Nations culture. West of Anahim Lake, we enter Tweedsmuir Park, British Columbia's largest provincial park, and soon arrive at Heckman Pass at the top of the famous **Bella Coola Hill**. By 1950, residents decided that they needed better service than a periodic coastal steamer, but they were

unable to convince the government that a road through the Coast Mountains was even feasible. So they raised money themselves and built their own road using bulldozers working from the top and bottom. When their blades met on September 26, 1953, British Columbia's third route to the Pacific became a reality and was nicknamed the "Freedom Road". During the tortuous 1,500-metre descent over the next 20 km, we enjoy panoramic viewpoints. At the valley bottom, the road is hemmed by soaring mountains with descriptive names such as Stupendous, Defiance, Table, and Matterhorn. Stops are made at the "Split Rock", Fisheries Pool on the Atnarko River, the towering giants of the **Saloompt Forest**, Snootli Creek Fish Hatchery, and Bella Coola Museum. Alexander Mackenzie visited Bella Coola in 1793, the first white man to cross the continent, and stories about his incredible expedition are recounted by our guide. Norwegian settlers from Minnesota and Wisconsin arrived in 1894 and the Hagensborg Heritage House and **Augsburg Church** tell their remarkable story. There is a shopping opportunity at the popular Kopas Store before heading back up the hill to Nimpo Lake.

Meals included: Breakfast, Lunch, Dinner

Accommodation: Stewart's Lodge or Waterfront Motel

Thursday, August 13

We board chartered float planes to explore the wilderness of **Tweedsmuir Provincial Park** which protects some dramatic scenery of the Coast Mountains and awesome **Hunlen Falls**. There are two flight options today with descriptions on page 5; please choose one by final payment based on your activity level. This evening, we meet **Chris Czajkowski**, the author, poet and botanist, who talks to us about her pioneer lifestyle in the wilderness and how she built the Nuk Tessli cabin single-handed. Her many books, such as *Cabin at Singing River* and *Diary of a Wilderness Dweller*, describe her experiences in the Coast Mountains.

Meals included: Breakfast, Lunch, Dinner

Accommodation: Stewart's Lodge or Waterfront Motel

Friday, August 14

While retracing our westward drive on the Chilcotin Highway, we stop for a view of the glacial blue Chilcotin River as it races through **Bull Canyon**. Lunch is at historic Chilcotin Lodge at Riske Creek. Back in Williams Lake, we explore the exhibits of the Cariboo Chilcotin Museum.

Meals included: Breakfast, Lunch

Accommodation: Coast Fraser Inn

Saturday, August 15

Lunch is served at **Ashcroft Manor**, a roadhouse built in 1862 to serve travellers on the Cariboo Wagon Road. We travel home in the afternoon. Passengers from Vancouver Island and the Lower Mainland fly home from Kelowna.

Meals included: Breakfast, Lunch

TWEEDSMUIR PARK FLIGHTS ON AUGUST 13

We board chartered float planes to explore Tweedsmuir Park. **There are 2 flight options today**. At the time of booking, please choose the one best suited to your mobility. Note that you must be able to climb 3 ladder-like steps (with assistance) to get into the planes. Both flights see the awesome **Hunlen Falls** which plunges 400 metres and is Canada's highest waterfall, measured as a continuous drop. In the valley below is **Lonesome Lake** and the remote abandoned homestead of the famous pioneer, Ralph Edwards, about whom three books have been written, including *Crusoe of Lonesome Lake*. Then we fly into the

Rainbow Range

Talchako Range where dozens of tumbling glaciers cling to sheer cliffs, icebergs float around glacial lakes, and the vast **Monarch Icefields** stretch to the horizon. The next spectacle is the **Rainbow Range** where eruptions eight million years ago created a huge shield volcano and lava flows with brilliant colours.

Flight #1 (Hunlen Falls landing, Monarch Icefields, Rainbow Range) – Your plane lands at Turner Lake, then you walk on a hiking trail with rocks and roots for about 45 mins to the view of Hunlen Falls (at least 1½ hours round trip walking). The last 15 mins of walking is uphill to the falls viewpoint. Walking poles are recommended. This hike is self-guided and a map is provided, so you must be confident in your abilities. After stopping for 2½ hours, you get back on the plane and fly over the Monarch Icefields and Rainbow Range. Total trip time is roughly 4 hours. This flight option is rated as **“Activity Level 3”** due to the Hunlen Falls walk (the rest of the tour is Level 2). Please add \$100 to the tour fare for this option.

Flight #2 (Hunlen Falls flyover, Monarch Icefields, Rainbow Range) – Your plane flies over and circles Hunlen Falls, but does not land. You get good views of the falls from either side of the plane. Afterwards, you fly over the Monarch Icefields and the Rainbow Range. Total trip time is about 1¼ hours, all in the plane. This flight is included in the tour fare.

Option #3 (no flight) – If you prefer not to fly, there is a fare reduction of \$325 per person.

TOUR NOTES

Why doesn't this tour stay in Bella Coola? After many years of running this tour using the ferry from Port Hardy to Bella Coola, we had to make a major change in 2024. Accommodation is very limited in Bella Coola. The only hotel is rundown and does not meet Wells Gray standards. Two small lodges are fully-booked with long-term guests. Since the ferry arrives about 6 pm, it is necessary to stay in Bella Coola, otherwise it is a 2-hour drive to the nearest accommodation. So Wells Gray planners have rearranged this itinerary to drive both ways on Highway #20 from Williams Lake and we are staying 3 nights at Nimpo Lake. A day trip on August 12 with a local guide visits most of the attractions of the Bella Coola Valley. This is a long day with dinner in Hagensborg, but the extended stay at Nimpo Lake makes it seem leisurely.

Food Allergies: You must notify us no later than at final payment if you have a food allergy. Nimpo Lake and Bella Coola are very remote and restaurants probably cannot satisfy all food allergies. An allergy causes medical distress, a preference does not. For some allergies, please consider bringing your own snacks or food items so you are not dependent on what restaurants are able to serve.

ACCOMMODATION

At Nimpo Lake, rooms are booked at two places – Stewart's Lodge and Waterfront Motel. Do not expect luxurious lodgings as Nimpo Lake is remote and typically hosts travellers looking for a backcountry experience. You do not need to make any choices here as Wells Gray Tours will assign your accommodation based on how early you booked and whether you are travelling double, twin or single.

Stewart's Lodge has log cabins with views of Nimpo Lake. One large log cabin has 3 private bedrooms suitable for 3 singles, large living room, deck overlooking the lake, and shared bathroom. Another log cabin has 2 private bedrooms suitable for 2 singles, living room, deck overlooking the lake, and shared bathroom.

Waterfront Motel has 3 log cabins and 3 motel rooms beside the lake. Transportation is provided to Stewart's for your flight and RAR Restaurant for all meals.

Meals for everybody are served at the RAR Restaurant on the highway.

Single travellers – Your fare includes a single room at the Coast Fraser Inn in Williams Lake. At Stewart's Lodge, singles share the large log cabins, so you have your own private bedroom, and you share the bathroom, living room, and deck overlooking the lake. Only 7 single seats are available on this tour, so early booking is recommended if you prefer to travel single.

By paying the deposit, you agree to the [Terms & Conditions](#), Activity Level and Cancellation Policy outlined. Itinerary and Fare Changes: Our many suppliers may notify us about changes to the itinerary prior to departure and sometimes during the tour. We do our best to substitute a similar service if something cancels, but occasionally the only alternative is to provide a refund for the missed activity. Please note that if we are forced to cancel a tour component due to an issue beyond our control, the current penalties still apply if you choose to cancel the entire tour. Fuel surcharges and changes to taxes or other tour costs can

occur at any time, therefore Wells Gray Tours reserves the right to increase fares due to such changes up to departure.

Flight delays or cancellations (Vancouver Island & Lower Mainland): In the event flights are delayed or cancelled by airlines due to weather or other reasons, there may be additional costs to you. Wells Gray Tours will not pay for hotel rooms and meals during the delay. Most travel insurance policies cover expenses incurred for flight delays.

Travel Insurance: A Comprehensive Insurance policy is available through Wells Gray Tours and coverage is provided by Travel Guard. Policies purchased at deposit include a waiver of the pre-existing condition clause for medical and cancellation claims, otherwise policies can be purchased no later than at final payment. This tour stays in British Columbia. While your BC Services Card may cover you for a medical issue that arises during the tour, you will probably benefit from trip cancellation and trip interruption coverage in case of illness or a mishap before or during the tour. Many other benefits such as luggage insurance are included. Medical questionnaire is not needed. Please contact us for details. If you have your own travel insurance, please read the policy carefully to be sure that you are adequately covered for cancellation, interruption, and luggage.
