## Activity Level 1

1

**Light Activity:** You are a traveller who prefers to see places without a lot of physical activity. You can climb a flight of stairs, board a coach, stand for short periods and walk at a leisurely pace with breaks for up to 30 minutes without difficulty or assistance. You may need to handle your own luggage at the hotel if luggage service is not available. There is some walking around Bralorne and the Haylmore Site. There are only 10 ground floor rooms on the lobby level and there is no elevator. If you book the flight option, getting into the aircraft requires three ladder-like steps. Vancouver Island passengers should note that travelling through airports and carrying your own luggage raises the [Activity Level to 2](#). There are many stops during this tour and you must be able to get on and off the coach by yourself without delaying your fellow travellers.

You may bring a walker or cane to support your mobility. Please let us know when you book if you will be bringing a walker on this tour. The coach cannot carry a scooter or motorized wheelchair. The tour director and driver have many responsibilities, so please do not expect them, or your fellow travellers, to provide ongoing assistance. If you are not capable of keeping up with the group or require frequent assistance, the tour director may stop you from participating in some activities or some days of the tour.

### Tour Size 45

This tour can accommodate 45 participants.

# ITINERARY

## Saturday, October 3

Passengers from Vancouver Island fly to Kelowna and stay overnight.

**Accommodation:** Hampton Inn YLW (Vancouver Island)

## Sunday, October 4

We have lunch at historic **Ashcroft Manor**. It was built in 1862 as a stopping place for gold rush travellers and ranks as one of the oldest surviving buildings in the province. We admire the soaring cliffs of Marble Canyon, then follow the Fraser River to Lillooet. Next, our route winds through awesome 600-metre deep **Bridge River Canyon** and along Carpenter Lake which is 50 km long. Our destination is **Tyax Lodge**, a peaceful retreat on Tyaughton Lake with a fine view of snowy peaks. We stay here for all three nights of the tour. The lodge is one of the largest log buildings in western Canada and you are sure to admire its fine craftsmanship, especially the cathedral dining room with a soaring stone chimney.

**Meals included:** Breakfast (Vancouver Island), Lunch, Dinner

**Accommodation:** Tyax Lodge

## Monday, October 5

Today is a leisurely day at Tyax. After breakfast, listen to a talk about the history of Tyax and the remarkable project to build this huge log structure in such a remote place. A walk along the lakeshore trail is led by Tyax staff. Canoes, kayaks, and paddleboards are free to use, so you may wish to explore **Tyaughton Lake**. Some outdoor games are provided such as bocce, croquet, and horseshoes. Enjoy the sauna and whirlpool or relax on the deck overlooking Tyaughton Lake. A **sightseeing float plane excursion** is offered as an option at extra cost (see description on the next page).

**Meals included:** Breakfast, Lunch, Dinner

**Accommodation:** Tyax Lodge

## Tuesday, October 6

Accompanied by a local historian, we explore **Bralorne**, once one of British Columbia's greatest gold mines. The fabulous Pioneer Mine produced \$140 million of gold between 1914 and 1960. Our visit includes the Bralorne Museum, the abandoned town of Bradian, a labyrinth, and the Haylmore Historic Site. The fall foliage is usually outstanding during today's drive. We return to Tyax in time for lunch, then the afternoon is free time. You may wish to book a spa appointment.

**Meals included:** Breakfast, Lunch, Dinner

**Accommodation:** Tyax Lodge

## Wednesday, October 7

During the drive back to Lillooet along the Bridge River, we stop at **Terzaghi Dam** which backs up Carpenter Lake. The Million Dollar Basin was extensively mined for gold during the later 19<sup>th</sup> century and is also remembered for an action movie *Flashback*, partly filmed here in 1977. Lunch is in **Lillooet**, then we travel back to the BC Interior via Cache Creek. Passengers from Vancouver Island overnight in Kelowna.

**Meals included:** Breakfast, Lunch

**Accommodation:** Hampton Inn YLW (Vancouver Island)

## Thursday, October 8

Passengers from Vancouver Island fly home.

**Meals included:** Breakfast (Vancouver Island)

## SIGHTSEEING FLIGHT OPTION

October 5 is a free day to relax at Tyax Lodge and enjoy the beautiful lakeside setting as well as recreational activities. A flight over the nearby glaciers and peaks of the South Chilcotin wilderness is offered as an option. The aircraft used is a Beaver floatplane. Commentary is provided by the pilot through headphones, so you won't miss any of the terrific scenery. You can choose from two flights:

- **30-minute flight** is over the South Chilcotin Mountains Park, isolated Spruce Lake, some extinct volcanic cones, and the colourful Eldorado basin. Mountain goats, grizzlies and moose are abundant in this region and are commonly seen during the flight. \$285 per person plus GST.
- **60-minute flight** includes the above sights and possible wildlife plus the massive Bridge Glacier where icebergs break off the snout and float around the lake below. The Bridge Glacier is only one part of the vast Lillooet Icefield which covers 1,000 square kilometres. \$518 per person plus GST.

Both flights are based on minimum of five passengers per flight. If inclement weather occurs and the aircraft cannot fly, your flight cost will be refunded. Please book this option as soon as possible as the number of flights is limited.

## TOUR NOTES

- Tyax is an impressive log lodge with only 28 rooms, of which 18 have a splendid view of Tyaughton Lake and the rest have no view. Therefore, the first 18 parties booking this tour will be assigned to the lake view rooms. We recommend early booking!
- Rooms are on three floors. Ground floor is the middle floor on the same level as the lobby, dining room, and deck. You need to walk down one flight of stairs to go outdoors on the lake side of the lodge. If you have difficulty with stairs, you should request ground floor at time of booking (only 10 rooms on this floor). Tyax does not have an elevator. Wells Gray Tours usually fills all the lodge rooms, so changes cannot be made on arrival.
- Only 8 single seats are available. Please book early if you prefer to travel single.
- Most Tyax rooms have 2 queen beds and a few have a king bed.
- Wi-fi is available throughout the lodge.
- Bathtub/shower combinations have high bathtub sides and no grab bars. The lodge caters mostly to active skiers and mountain bikers, instead of seniors.
- This tour has all meals included due to the high cost of individual meals at Tyax's remote location. Meals may be served as a buffet or plated.
- Food Allergies: You must notify us no later than at final payment if you have a food allergy. Tyax is very remote and the chef probably cannot satisfy all food allergies. An allergy causes medical distress, a preference does not. For some allergies, please consider bringing your own snacks or food items so you are not dependent on what Tyax and other restaurants are able to serve.

We do our best to substitute a similar service if something cancels, but occasionally the only alternative is to provide a refund for the missed activity. Please note that if we are forced to cancel a tour component due to an issue beyond our control, the current penalties still apply if you choose to cancel the entire tour. Fuel surcharges and changes to taxes or other tour costs can occur at any time, therefore Wells Gray Tours reserves the right to increase fares due to such changes up to departure.

**Flight delays or cancellations (Vancouver Island Passengers):** In the event flights are delayed or cancelled by airlines due to weather or other reasons, there may be additional costs to you. Wells Gray Tours will not pay for hotel rooms and meals during the delay. Most travel insurance policies cover expenses incurred for flight delays.

**Travel Insurance:** A Comprehensive Insurance policy is available through Wells Gray Tours and coverage is provided by Travel Guard. Policies purchased at deposit include a waiver of the pre-existing condition clause for medical and cancellation claims, otherwise policies can be purchased no later than at final payment. While your BC Services Card may cover you for a medical issue that arises during the tour, you will probably benefit from trip cancellation and trip interruption coverage in case of illness or a mishap before or during the tour. Many other benefits such as luggage insurance are included. Medical questionnaire is not needed. Please contact us for details. If you have your own travel insurance, please read the policy carefully to be sure that you are adequately covered for cancellation, interruption, and luggage.
